Desert Air Robert Hichens,2019-12-04 In *Desert Air* Robert Hichens masterfully captures the haunting beauty and desolation of the desert landscape employing a lush evocative prose that immerses the reader in the stark contrasts of nature and human emotion The novel intertwines themes of love existential longing and the search for meaning amidst the arid expanses reflecting the psychological experiences of characters who find both solace and torment in their surroundings Set against the backdrop of early 20th century colonialism Hichens explores the interplay between civilization and the untamed wilderness offering a poignant commentary on the human condition through his uniquely atmospheric narrative style Robert Hichens 1864 1950 was an English author known for his vivid portrayals of exotic locales shaped by his own travels in the Middle East and North Africa His experiences in these regions imbued his writing with authenticity and depth as he often set his narratives in unfamiliar environments that challenged characters perceptions of morality identity and belonging *Desert Air* reflects Hichens s fascination with the contrasts between the comfortable trappings of civilization and the raw unyielding beauty of nature elements that resonate deeply throughout his oeuvre This poignant novel is a must read for those intrigued

Life and Love Judith Early,2002-12 It might almost seem that Judith Early was born in the wrong place at the wrong time She was born and raised in rural Alberta in a time and place where her radical views on religion health and the environment were not welcomed by the conventional conservatism of her community In the late 1970s she was advocating wheat grass and health food and concepts such as social and environmental responsibility in a town where ham and eggs were staples and the word cholesterol had not yet become part of the language Now in her late eighties after several decades of writing she has finally found an audience that is ready for her message Life and Love is the first of her books that she has decided to publish After reading Life and Love I felt refreshed Judith Early demonstrates the triumph of the will in the face of adversity and inspiration of the spirit that guides one to that deeper level of reality that exists beyond the pall of linear logical thought Her poetry reveals both beauty of nature and the spirit of God in harmonious surprising and inspiring verse that is both skillful and organic like a fine glass of wine to be sipped savoured and recalled to memory whenever we take the time to slow down and remember Orpheus Author of The Seven Secrets of the Ascended Masters

Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos,2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today s world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre

With Prefaces** Robert Anderson,1795 **Rereading the Black Legend** Margaret R. Greer,Walter D. Mignolo,Maureen Quilligan,2008-09-15 The phrase The Black Legend was coined in 1912 by a Spanish journalist in protest of the characterization of Spain by other Europeans as a backward country defined by ignorance superstition and religious fanaticism whose history could never recover from the black mark of its

violent conquest of the Americas Challenging this stereotype Rereading the Black Legend contextualizes Spain's uniquely tarnished reputation by exposing the colonial efforts of other nations whose interests were served by propagating the Black Legend A distinguished group of contributors here examine early modern imperialisms including the Ottomans in Eastern Europe the Portuguese in East India and the cases of Mughal India and China to historicize the charge of unique Spanish brutality in encounters with indigenous peoples during the Age of Exploration The geographic reach and linguistic breadth of this ambitious collection will make it a valuable resource for any discussion of race national identity and religious belief in the European Renaissance The Works of the British Poets with Prefaces, Biographical and Critical, by Robert Anderson
