**Moral Matters** Mark Dooley, 2015-07-30 *Moral Matters* A Philosophy of Homecoming is Mark Dooley s attempt to offer an alternative to Cyberia It is a book about home memory and identity At a time when people are rapidly disengaging from those forms of life which once bound them together it can be argued that our happiness depends on saving and conserving them We cannot flourish in isolation or by detaching from the social sphere which surrounds us We cannot truly prosper or progress if we choose to forget where we came from or if we dismiss our inherited moral wisdom And yet in opting for loss separation and homelessness it seems we have done just that We have opted for a rootless existence where alienation and amnesia are the norm This powerful and passionate book shows how the alienated postmodern self can become re rooted to time and place and restored to full humanity and happiness whilst moving in a virtual hyperconnected world In caring for creation conserving culture and saving the sacred we can once again make our home in the world and experience the consolation of moving from loss to love

The Paradox of Love Pascal Bruckner,2012-02-13 A provocative reflection on the dilemmas of modern love The sexual revolution is justly celebrated for the freedoms it brought birth control the decriminalization of abortion the liberalization of divorce greater equality between the sexes women s massive entry into the workforce and more tolerance of homosexuality But as Pascal Bruckner one of France s leading writers argues in this lively and provocative reflection on the contradictions of modern love our new freedoms have also brought new burdens and rules without however wiping out the old rules emotions desires and arrangements the couple marriage jealousy the demand for fidelity the war between constancy and inconstancy It is no wonder that love sex and relationships today are so confusing so difficult and so paradoxical Drawing on history politics psychology literature pop culture and current events this book a best seller in France exposes and dissects these paradoxes With his customary brilliance and wit Bruckner traces the roots of sexual liberation back to the Enlightenment in order to explain love s supreme paradox epitomized by the 1960s oxymoron of free love the tension between freedom which separates and love which attaches Ashamed that our sex lives fail to live up to such liberated ideals we have traded neuroses of repression for neuroses of inadequacy and we overcompensate Our parents lied about their morality Bruckner writes but we lie about our immorality Mixing irony and optimism Bruckner argues that when it comes to love we should side neither with the revolutionaries nor the reactionaries Rather taking love and ourselves as we are we should realize that love makes no progress and that its messiness surprises and paradoxes are not merely the sources of its pain but also of its pleasure and glory **i, immigrant** Nana S. Achampong,2011 *Blues & Soul* ,1989-07 **Desire, Obligation, and Familial Love** Makiko Nishitani,2020-08-31 Based on long term ethnographic fieldwork among Tongan migrant mothers and adult daughters in Australia anthropologist Makiko Nishitani provides a unique account of how gifts money and information flow along the connections of kin and kin like relationships Desire Obligation and Familial Love challenges the conventional discourse on migration which typically characterizes intergenerational changes from tradition to modernity from relational to individual and from obligation to autonomy and freedom Rather through an intimate examination of Tongan women s everyday engagement with kinship relationships Nishitani highlights how migrant women and their daughters born outside Tonga together create a field of relationships with kin and kin like people and navigate between individualistic personal desires and familial duties and obligations Their negotiations are not limited to a local frame

of reference but encompass vast distances including relationships with relatives in places like Australia New Zealand the United States and the home island nation Tongan women manage these relationships across diverse modes of communication face to face interactions in homes and at church lengthy telephone conversations on fixed phone lines in kitchens and interactions on social media accessed on living room computers shared between neighboring households Relationships between migrant mothers and second generation daughters are suffused with warmth and empathy as well as tensions and misunderstandings Nishitani s work demonstrates the critical contemporary relevance of classical anthropological kinship studies and gift theories as tools that can help us to understand transnationalism in the digital age Through reflections on feminist geography social theory of technology Bourdieu s field theory and media studies Nishitani makes a convincing call for anthropologists to use relationships rather than geographical places as a site of anthropological fieldwork in order to understand the sociality of diasporic people Filled with rich intimate portrayals of diasporic women s everyday lives and the everyday politics of familial relationships *Desire Obligation and Familial Love* will appeal to students and scholars of the anthropology of migration of communication technologies and social media and of gender and familial relationships as well as to those interested in fieldwork methodology transnational and migration studies and Pacific studies *Conversations* Jack Selzer,1997 **Dictionary of International Biography** ,2007 A biographical record of contemporary achievement together with a key to the location of the original biographical notes *Dataquest* ,2008 [Bookseller](#) ,1998 **Men Are From Cyberspace** Lisa Skriloff,Jodie Gould,2025-10-16 Don t dial up your Prodigy account without this one Straight from the publishing vaults comes *Men Are from Cyberspace* the finest online dating self help book 1997 had to offer All the Clinton era single ladies agree this classic tome will demystify the brave new world of romance on the information superhighway as it was meant to be before Friendster and MySpace came along and ruined it For anyone seeking an ironic trip down memory lane you will learn the answers to such timeless questions as How do I find a newsgroup that s right for me What s the best way to make a chat room entrance Are you a cyberaddict Take this quiz and find out Complete with a list of obsolete websites usenets and cyber cafes your entire romantic life will flash before your eyes as you read the unintentionally hilarious advice on virtual beaus cybersex and other dating secrets for women in the modern era And if you ever wondered how your parents hooked up before Tinder *Men Are from Cyberspace The Single Woman s Guide to Flirting Dating Finding Love* may provide some much needed insight about your mother s love life
