God's Love Story Joshua Joel Spoelstra,2020-02-20 God's Love Story A Canonical Telling traces the metaphorical theme of God's love relationship's that spans the entire Bible God lovingly pursues humankind in relationship that is robustly satisfying and salvific Like many relationships God's love story with God's people is both transcendent and tragic messy and mercy filled raw and redemptive

Not merely a series of events relegated to the past God's love story is an ongoing present phenomenon a salvation relationship into which God invites all peoples to collectively be the spouse of God Speaking the Truth in Love Paul Matte, 2023-03-13 As Christians we are to be the salt and light to this world but are dangerously becoming a hybrid form of Scripture and culture We are conforming to the pressure making us more culturally centered in our teachings and practices This mixture of church and culture is seen as we drift from biblical truth in determining what we believe and how we live It is not enough to resist the cultural pressures We must be transformed by the renewing of our mind This is not a mental positive thinking exercise as some suggest It is listening to God's Word as our source of truth to understand all issues of life By speaking the truth in love we mature in Christ so that we are not tossed by the waves of the culture but are firmly anchored in Jesus so that we live in a manner that pleases Him *The Prophetic Call to Love and Justice* Arnold H. De Graaff, 2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives **Herein is Love, Vol. 5** Nancy Ganz, 2013-11-15 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God's redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary *66 Love Letters* Larry Crabb, 2011-05-09 Have you ever read the Bible only to come away confused Learn the meaning of each of the 66 books of the Bible and how each one is a love letter to God's people After working with people as a psychologist for four decades author Larry Crabb invites you to explore the Bible in a new way He offers a fresh relational look at Scripture through intimate discussions with God Told through a series of conversations between himself and God Larry wrestles through what God intends us to understand in each of the 66 books of the Bible Each book tells a story that is a part of a larger one of God and how He loves His people Perfect for a small group bible study or used as a daily devotional Larry asks deeply honest
