the reader see into the personality of God and His love for all He is a very diversified God and allows us to laugh or cry in these poems We can move on from the spiritual to the very human comedy of errors that we are prone to make and we can laugh at ourselves Some poems also describe the beauty of the world that God made exclusively for us We can touch the face of nature and know that God is giving His approval These poems are not so deep that they cannot be enjoyed by anyone who reads them They were meant to be enjoyed with your favorite beverage of choice sitting in a comfortable chair or beside a loved one in a quiet setting Good poetry links heart to heart mind to mind and promotes an understanding that heightens spiritual love May these poems do that for you the reader **American Cultural Baggage** Stan Nussbaum,2015-02-19
