Baldwin's God Clarence E. Hardy, 2003 James Baldwin's relationship with black Christianity and especially his rejection of it exposes the anatomy of a religious heritage that has not been wrestled with sufficiently in black theological and religious studies In James Baldwin's God Sex Hope and Crisis in Black Holiness Culture Clarence Hardy demonstrates that Baldwin is important not only for the ways he is connected to black religious culture but also for the ways he chooses to disconnect himself from it Despite Baldwin's view that black religious expression harbors a sensibility that is often vengeful and that its actual content is composed of illusory promises and empty theatrics he remains captive to its energies rhythms languages and themes Baldwin is forced on occasion to acknowledge that the religious fervor he saw as an adolescent was not simply an

expression of repressed sexual tension but also a sign of the irrepressible vigor and dignified humanity of black life Hardy's reading of Baldwin's texts with its goal of understanding Baldwin's attitude toward a religion that revolves around an uncaring God in the face of black suffering provides provocative reading for scholars of religion literature and history The Author Clarence Hardy is an assistant professor of religion at Dartmouth College His articles have appeared in the Journal of Religion and Christianity and Crisis

Margaret's Hope Jewell Mitchell, 2024-11-22 Returning home to the small seaside community of Lockeport Nova Scotia after several years away in teacher's college Margaret Conrad thought she knew what to expect Although she is certainly no longer the shy broken hearted girl she'd once been her hometown hasn't changed in generations Lockeport in 1907 is still as predictable as the tides What she hadn't counted on though is that her first and only love Joseph Locke has returned as well and she certainly didn't expect that he'd love her still Unlike most of the local men whose livelihoods were made out on the waves Joseph didn't come from a family of fishermen In a way this only added to his appeal She's always held a reverence for the ocean and its bounty Yet it's brought her a healthy dose of fear as well Local men are lost every season due to the mighty ocean's fickle nature as they struggle to pull that bounty from its depths Adrift now Margaret is caught between the swirling eddies of life's uncertainty and the draw of long forgotten dreams She must decide if she will hold fast and true to the rewarding but solitary course she's so painstakingly charted for herself or give in to the inexorable riptide of her heart's demands
