Golf and Philosophy Andy Wible, 2010-08-11 In a game where players are expected to call their own penalties and scoring the least points leads to victory decorum takes precedence over showmanship and philosophical questions become par for the course Few other sports are as suited for ethical and metaphysical examination as golf It is a game defined by dichotomies relaxing yet frustrating social yet solitary and between these extremes there is room for much philosophical inquiry In *Golf and Philosophy Lessons from the Links* a clubhouse full of skilled contributors tee off on a range of philosophical topics within the framework of the fairway The book's chapters are arranged in the style of an eighteen hole golf course with the front nine exploring ethical matters of rationality and social civility in a world of moral hazards and roughs The back nine pries even deeper slicing into matters of the metaphysical including chapters on mysticism idealism identity and meaning Taken together the collection examines the intellectual nature of this beloved pastime considering the many nuances of a sport that requires high levels of concentration patience and consistency as well as upstanding moral character *Golf and Philosophy* celebrates the joys and complexities of the game demonstrating that golf has much to teach both its spectators and participants about modern life

Rush,2012-10-02 Reality's Pen portrays the Eastside of Asheboro NC as a mother who provides a safe cocoon filled with neighborly concern and care This location aka The Hill is a place of magic with a sense of community pervading the air This comfortable milieu flung author Thomas D Rush out into the world like a cultural arrow aimed at intriguing future events From a 1989 one on one prophetic conversation with the first African American President of the United States to a mystical revelation from a mentor to Martin Luther King Jr Reality's Pen provides a mesmerizing tapestry of reflections Rush includes his timely residence in celebratory Chicago along with an enticing view of fellow North Carolinian Michael Jordan as Jordan led his Chicago Bulls to their first NBA championship **Therapeutic Love and Heartfulness** Gerry McNeilly,2025-03-14 This book introduces the concepts of therapeutic love and heartfulness combining models of group analysis art therapy and individual psychotherapy to present a new psychotherapeutic framework where non erotic love is engendered and evoked within therapeutic encounters The heart has often been conceptualised as symbolic of sexuality and eroticism with little meaning beyond the romantic and therefore often removed from psychotherapeutic perspectives Responding to this the author calls for placing the heart as the central point of reference in therapeutic work emphasising how it is touched during a therapeutic session This in turn gives way for the therapist's own emotions and thoughts such as empathy identification concern protectiveness and laughter to be released Building upon the author's 40 years of experience in practice and new developments in these models this book meanders through evolving theories and integrates them for both patients and trainees across backgrounds and cultures Enriched with the author's personal clinical vignettes and unique influences of music art golf and even Ireland this book aims to give a greater voice to the patient and their heart within the therapeutic space This book is essential reading for any counsellor therapist or analyst and offers a new way of looking at therapeutic endeavours across methodologies in all their simplicities and complexities *Trials and Triumphs of Golf's Greatest Champions* Lyle Slovic,2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In Trials and Triumphs of Golf's Greatest Champions A Legacy of Hope Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened

both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book to gather the stories of these golfers into a single volume Trials and Triumphs of Golf's Greatest Champions offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials
