Mahon Selected Poems:

Selected Poems Derek Mahon, 1991 *Collected Poems* Derek Mahon, 1999 This book brings together in updated form the poems the author wishes to preserve from the work of forty years **New Selected Poems** Derek Mahon, 2016 New Selected Poems is a book of singular abundance and formal verve featuring poems of rare vision and dramatic power by a consummate and resilient artist Demonstrating the wide range of Derek Mahon's verse from the early lyricism to a more expansive middle period New York Time Decadence and the flowering of his late style it includes recent uncollected work and culminates in the generous far reaching reverie *Dreams of a Summer Night* **New Collected Poems** Derek Mahon, 2011 New Collected Poems is an updated version of *Collected Poems* 1999 It brings together in a new form the poems the author wishes to preserve from the work of half a century Duly praised at home and abroad they range in time and space from the early Ulster poems and *A Disused Shed in Co Wexford* to two ambitious sequences *New York Time* and *Decadence* Also included are the great recent flourish of *Harbour Lights* *Life on Earth* and *An Autumn Wind* and a group of previously uncollected poems among them *Monochrome* *The One Thirty* and *Dreams of a Summer Night* *Selected Poems* Philippe Jaccottet, 1988 **The Poetry of Derek Mahon** Hugh Haughton, 2010-10-21 Derek Mahon is one of the leading poets of his time both in Ireland and beyond famously offering a perspective that is displaced from as much as grounded in his native country From prodigious beginnings to prolific maturity he has been through thick and thin through troubled times and other a writer profoundly committed to the art of poetry and the craft of making verse He has also been no less a committed reviser of his work believing the poem to be more than a record in verse but a work of art never finished This virtuoso study by Hugh Haughton provides the most comprehensive account imaginable of Mahon's oeuvre Haughton's brilliant writing always serves and illuminates the poetry yielding extraordinary insights on almost every page The poetry its revisions and reception are the subject here but so thorough is the approach that what is offered also amounts indirectly to an intellectual biography of the poet and with it an account of Northern Irish poetry vital to our understanding of the times **Derek Mahon: A Retrospective** Nicholas Grene, Tom Walker, 2024-09-17 Derek Mahon 1941-2020 is widely recognized as one of the most important Irish poets of his generation This collection of new critical essays offers an important retrospective assessment of the nature of his poetic achievement Bringing together many leading scholars of modern and contemporary Irish poetry including a notable number of accomplished poet critics its contributors range widely across Mahon's body of work Their essays offer fresh considerations of the biographical geographical and literary contexts that shaped his poetic voice This includes paying attention not only to more familiar influences but also to previously little considered interlocutors The stylistic and formal achievement of his voice is re-evaluated in ways that range from attentive close readings to considerations of his controversial practice of self-revision and his engagements with music and experiments in translation The politics of a poet often misleadingly considered apolitical are also reframed to take in the engagements of his early work

through to the ecocritical commitment of his later poetry Indeed a notable aspect of this book is the consideration it gives to all the phases of Mahon s career As a whole the collection opens up many new ways of reading and understanding Mahon s important body of work *The Yellow Book* Derek Mahon,1998 In *The Yellow Book* the home seeking traveler a decadent who lived to tell the story finds lodgings in our fierce fin de si cle under the roof of his Dublin attic flat Amid echoes from dead writers clouds of unknowing from his last Camel and ghosts from his own life the poet muses wisely and wittily on our wound down decade and expiring double millennium These twenty one absorbing sometimes mordantly funny and always delightful meditations offer us both the distinctive details of our shared lives and a theoptic view from windows flung wide on briny balconies above an ocean of roofs and lighthouse beams like a storm lantern the wintry planet swings Night Thought

The Poetry of Derek Mahon Elmer Kennedy-Andrews,2002 As the first major book length study of the poetry of Derek Mahon this volume of fourteen essays represents a long overdue account and assessment of one of the foremost living English language poets In considering the central issues of Mahon s poetry the relation between poetry and politics the conflicting claims of art and nature the representation of gender the importance of place the poet s response to violence and his characteristic techniques of displacement ambiguity and intertextuality these essays also represent a variety of critical approaches to the poetry *Autumn Skies* Derek Mahon,Peter Fallon,2021 Thirty writers selected a poem by Derek Mahon and provide an essay on their choice Page 4 of cover
