Maine, a History Louis Clinton Hatch,1973 *National Register Bulletin* ,1985 *Charles Fletcher Dole, Liberal Theology, and Reform* Paul T. Burlin,2023-09-05 Charles Fletcher Dole Liberal Theology and Reform A Life Well Lived is a historical look at the life and theology of Charles Fletcher Dole Dole was born into what he described as an ultra orthodox religious family He was unable to accept the severe quasi Calvinist theology of his relatives and when he attended Harvard College he was influenced by the intellectual currents set in motion by Darwinism He then tacked off to the radical wing of Unitarian theology It was incumbent on the faithful of any religious tradition to live in ways that helped further the divine plan This moral imperative prompted Dole as the long term minister in the Unitarian Church to advocate for reforms not unlike those of his parents and other relatives including temperance women s suffrage improved race relations anti imperialism and pacifism This historical recovery and interpretation of Dole argues that while Dole s radical theology was the source of his civic engagement his iteration of the social gospel was to some extent also shaped and delimited by the socio economic position he occupied **Hidden History of Bangor** Wayne E. Reilly,2013-06-25 When celebrity aviator Harry Atwood made the first aeroplane flight over Bangor in 1912 observers were astonished It was a sign that the city had recovered from the great fire of 1911 that had destroyed its downtown the year before While some events are well known many stories from turn of the century Bangor have been lost to time In this collection local author Wayne E Reilly brings some of the most exciting and intriguing hidden Bangor tales to light from a gas explosion that left a thirty foot crater in the middle of downtown to the escape of a mayor s pet pig Join Reilly as he reveals the hidden stories from Queen City history
