 The Vincentians Internationalization and Aggiornamento 1919 1980 describes the growth and change of the Congregation of

 Membership in mission lands such as China Brazil and Ethiopia surged as local vocations joined their European confreres
 The same is true of maturing provinces elsewhere St Vincent de Paul s congregation became internationalized in both

 Congregation was suppressed at various times in Europe Latin America Asia and Africa Its members often reacted by moving
 elsewhere thus furthering the internationalization of the Vincentian charism Under the Nazis and Communist regimes many
 suffered imprisonment torture and death The provinces of Central Europe Slovakia Hungary and Poland to say nothing of
 China were particularly hard hit Updating aggiornamento was the watchword toward the close of this period As society
 changed so did the Church and with it the Vincentians The process was difficult and painful but it moved the Congregation in
 directions originally laid down by the Founder Increasingly the members emphasized mutual cooperation with many
 Vincentian inspired lay organizations the Vincentian Family The inspiration shared among them all has been a further
