Man Before Adam Wallen Yep, 1999-05 Man Before Adam is a cutting edge book that will provoke your understanding of the origin of mankind Both science and the Bible were correct what remained in error was the interpretation of famous men who erred The compelling arguments mount against contemporary doctrines man came from a monkey between 4 2 to 4 7 million years ago or God created man in 4 004 B C In the search for evidence the stunning finding came the missing link of mankind was found Both evolutionists and creationists were wrong the evidentiary findings have to be redefined A more plausible interpretation must be made and erred doctrines of the past must be corrected With the use of Mitochondrial DNA trace back the errors of interpretation become confirmed We came from a race of humans before the creation of Adam and Eve The Bible expositors and scholars misinterpreted the Bible The time for the enormous truth has come About the Author Wallen Yep author educator and consultant wrote one of the strongest change agent books for the 21st century He is listed in Who s Who in the World Who s Who in America and more than 20 biographical publications This is so persuasive a book it becomes a must read for every church member minister scientist teacher and student The errors cannot be propagated and they must be set right We cannot have educated men make monkeys out of us Christians cannot ignore the overwhelming scientific findings that man existed on earth well before 4 000 BC Wallen Yep has also published The Sequel and Who Are You with toExcel *Pre-Adamite Man* Kimberly Norton, 2015-10-08 I do not deny as many others that six thousand years ago there lived a man in the East the father of a tribe nor that his name was Adam I do maintain that he was neither the first man the only man or the only man with that name *The Theological Anthropology of Man* Akeam A. Simmons, 2021-05-25 The Theological Anthropology of man discusses the creation of man and the distinct possibility of a created man before Adam and possibly after Adam It discusses the genetics of man and why he acts the way he does even his prejudices It unveils the reasons behind the innate racial prejudices of the races This book reveals exactly how and why the woman was made Why she was an after thought of God why she was taken from the bone of the man and not made just like the man The Theological Anthropology of man reveals the eternal life of man and why he cannot be destroyed Where did man come from and why was there more than one man created Men before Adam. Or a discourse upon the twelfth, thirteenth, and fourteenth verses of the fifth chapter of the epistle of the Apostle Paul to the Romans. By which are prov'd that the first men were created before Adam. (A theological system upon that presupposition that men were before Adam. The first part.) John Mumba,2014-12-15 There are dominion forces in our atmosphere that people can be subjected to and these forces can make them alien to natural and evil forces that dominate human life This dynamic enablement comes about when a person s soul anchors itself to the real source of life The soul is a spiritual embodiment of knowledge and emotion in man A soul is a search engine in man it seeks a resting place to which it can attach itself so it can draw out the virtues of knowledge and emotion When a person s soul is changed everything about that person takes a different route Man s nature changes only when a complex soul is achieved The soul draws from blood its ability to unite with another soul to form a complex soul

Without blood the soul cannot find its resting place and cannot be changed This is why the first requirement in the salvation of man is blood And the blood of salvation needed to have different contents from the usual human blood on earth The contents of the blood of Jesus can make people live like Martians in this world Common human blood is highly wicked and only leads man to unite himself with wicked spiritual forces to form a soul that is dominated by evil
