**R.D. Laing and the Politics of Truth** Theodor Itten,Ron Roberts,2025-05-29 This diverse collection of essays conversations reflections and reviews was first published in celebration of the 50th anniversary of R D Laing s masterpiece *The Divided Self* Under the umbrella of the Politics of Truth this new edition confirms Laing as an original practitioner in the healing arts and a succinct critical and theoretical voice whose relevance has not diminished In these pages are writings appraising Laing s life work brilliance and frailties as well as his wide and varied influences Contributions have come from colleagues friends and clients as well as people who never knew him personally yet deeply appreciate his work Each is different in tone and character Each captures something unique about Laing and his work R D Laing 1927 1989 was famous for his empathic perception sagacious intellect and wisdom of the heart as well as his rebelliousness and falling from grace In reading this book you may be challenged to rethink some of your assumptions We hope that you will find more than a little inspiration *The Jews of Iran* Houman M. Sarshar,2014-09-17 Living continuously in Iran for over 2700 years Jews have played an integral role in the history of the country Frequently understood as a passive minority group and often marginalized by the Zoroastrian and succeeding Muslim hegemony the Jews of Iran are instead portrayed in this book as having had an active role in the development of Iranian history society and culture Examining ancient texts objects and art from a wide range of times and places throughout Iranian history as well as the medieval trade routes along which these would have travelled *The Jews of Iran* offers in depth analysis of the material and visual culture of this community Additionally an exploration of modern novels and accounts of Jewish Iranian women s experiences sheds light on the social history and transformations of the Jews of Iran from the rule of Cyrus the Great c 600 530 BCE to the Iranian Revolution of 1978 9 and onto the present day By using the examples of women writers such as Gina Barkhordar Nahai and Dalia Sofer the

implications of fictional representation of the history of the Jews of Iran and the vital importance of communal memory and tradition to this community are drawn out. By examining the representation of identity construction through lenses of religion, gender and ethnicity, the analysis of these writers' work highlights how the writers undermine the popular imagining and imaging of the Jewish other in an attempt to create a new narrative integrating the Jews of Iran into the idea of what it means to be Iranian. This long view of the Jewish cultural influence on Iran's social, economic, political and cultural development makes this book a unique contribution to the field of Judeo-Iranian studies and to the study of Iranian history more broadly.

Forthcoming Books Rose Arny, 1993      *The Masnavi, Book One* Jalal al-Din Rumi, 2004-11-11 The pen would smoothly write the things it knew. But when it came to love, it split in two. A donkey stuck in mud is logic's fate. Love's nature only love can demonstrate. Rumi's *Masnavi* is widely recognized as the greatest Sufi poem ever written and has been called the Koran in Persian. The thirteenth-century Muslim mystic Rumi composed his work for the benefit of his disciples in the Sufi order named after him, better known as the whirling dervishes. In order to convey his message of divine love and unity, he threaded together entertaining stories and penetrating homilies. Drawing from folk tales as well as sacred history, Rumi's poem is often funny as well as spiritually profound. Jawid Mojaddedi's sparkling new verse translation of Book One is consistent with the aims of the original work in presenting Rumi's most mature mystical teachings in simple and attractive rhyming couplets.

**Love is a Secret** Andrew Vidich, 1990      [The Publishers' Circular and Booksellers' Record](#), 1926      **Subject Guide to Books in Print**, 1991      **God, Evil, and Suffering in Islam** Salih Sayilgan, 2023-10-26 In this volume, Salih Sayilgan explores the problem of evil and suffering in Islamic theology along with the questions that both religious and non-religious people alike perennially ask: Why is there evil and suffering? What is God's role in both natural and moral evil? If God is loving and just, powerful, why is there innocent suffering? Do humans have free will or are they predestined to act in a certain way? Examining both theoretical and practical theodicy in Islam, he provides Muslim perspectives on natural and moral evil in light of Islamic theological concepts. Sayilgan interrogates several specific topics related to evil and suffering, including death, sickness, aging, disability, climate change, and pandemics. These topics are explored through case studies from the lives of Muslims, with particular attention given to the American context. A comparative and dialogical study, Sayilgan's volume also engages with Zoroastrian, Hindu, Buddhist, Jewish, and Christian approaches as well as non-religious perspectives.
