Matter Of Time Abc Afterschool Special Tv:

TV in the USA Vincent LoBrutto, 2018-01-04 This three volume set is a valuable resource for researching the history of American television An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society What are the reasons behind enduring popularity of television genres such as police crime dramas soap operas sitcoms and reality TV What impact has television had on the culture and morality of American life Does television largely emulate and reflect real life and society or vice versa How does television's influence differ from that of other media such as newspapers and magazines radio movies and the Internet These are just a few of the questions explored in the three volume encyclopedia **TV in the USA A History of Icons Idols and Ideas** This expansive set covers television from 1950 to the present day addressing shows of all genres well known programs and short lived series alike broadcast on the traditional and cable networks All three volumes lead off with a keynote essay regarding the technical and historical features of the decade's covered Each entry on a specific show investigates the narrative themes and history of the program provides comprehensive information about when the show started and ended and why and identifies the star players directors producers and other key members of the crew of each television production The set also features essays that explore how a particular program or type of show has influenced or reflected American society and it includes numerous sidebars packed with interesting data related information and additional insights into the subject matter

Audiovisual Materials, 1982 **Audiovisual Materials** Library of Congress, 1982 **TV Guide**, 1996 **Changing Channels** Peggy Charren, Martin W. Sandler, 1983 Presents a balanced account of television acknowledging its flaws and mistakes while extolling its potential

The Gatekeeper Alfred R. Schneider, 2001-03-01 From 1960 to 1990 Alfred R Schneider served as head of standards and practices or chief censors for the ABC television network From his unique vantage point Schneider managed issues of taste and morality that determined what millions of U S viewers watched During his tenure the nation's attitudes changed drastically as did the content shown on American airwaves Controversies arose about TV's influence on children its portrayal of violence and its introduction of once taboo subjects

TV Family Values Alice Leppert, 2019-03-15 During the 1980s U S television experienced a reinvigoration of the family sitcom genre In **TV Family Values** Alice Leppert focuses on the impact the decade's television shows had on middle class family structure These sitcoms sought to appeal to upwardly mobile career women and were often structured around non nuclear families and the reorganization of housework Drawing on Foucauldian and feminist theories Leppert examines the nature of sitcoms such as *Full House* *Family Ties* *Growing Pains* *The Cosby Show* and *Who's the Boss* against the backdrop of a time period generally remembered as socially conservative and obsessed with traditional family values

The Emmys Thomas O'Neil, 1998 The ultimate unofficial guide to the battle of TV's best shows and greatest stars revised and updated to include the latest Emmy gossip First in a new series of books from *Variety* magazine **The Emmys** is the first unofficial guide to America's most beloved TV shows and the awards
