A Matter of Honour Susan Code,1996      **The Court of Queen's Bench of Manitoba, 1870-1950** Dale Brawn,Osgoode Society for Canadian Legal History,2006-01-01 This study of the Manitoba judiciary is not only the first biographical history to examine an entire provincial bench it is also one of the first studies to offer an internal view of the political nature of the judicial appointment process Dale Brawn has penned the biographies of the first thirty three men appointed to Manitoba s Court of Queen s Bench The relative youth of Manitoba as a province and the small size of its legal profession makes possible an exceptionally detailed investigation of the background of those appointed to the province s highest trial court The biographical data that Brawn has collected for this book highlights the extent to which judicial candidates underwent a socialization process designed to produce a legal elite whose members shared remarkably similar views and ways of thinking In addition these biographies suggest that until at least 1950 seats on provincial benches were rewards for political services rendered Many lawyers became judges not because of their legal ability but because they had made themselves known in the communities in which they practiced This fascinating study offers an intimate look at personalities ranging from prime ministers to members of the bench and both senior levels of government      **Imperial Immigrants** Michael E. Vance,2012-08-18 Between 1815 and 1832 Great Britain settled more than 3 500 individuals mostly from the Scottish Lowlands in the Ottawa Valley These government assisted emigrations which began immediately after the Napoleonic Wars are explored to reveal their impact on Upper Canada Seeking to transform their lives and their society early Scots settlers crossed the Atlantic for their own purposes Although they did not blindly serve the interests of empire builders their settlement led to the dispossession of the original First Nation inhabitants thus supporting the British imperial government s strategic military goals After transferring homeland religious and political conflict to the colony Scottish settlers led the demand for political reform that emerged in the 1830s As a consequence their migration and settlement reveals as much about the depth of social conflict in the homeland and in the colonies as it does about the preoccupations of the British imperial state      Rampage Lee Mellor,2013-03-09 A definitive compendium of Canada s mass murderers and spree killers Rampage a state of anger or agitation resulting in violent reckless and destructive behaviour In 1989 Marc L pine mercilessly executed 14 female students at Montreal s cole Polytechnique to become Canada s most notorious mass murderer The following year spree killer Peter John Peters roamed from London Ontario to Thunder Bay leaving a trail of bloodied bodies broken dreams and stolen vehicles Both men experienced the same devastating destiny they embarked on homicidal rampages that shook their nation to the core Lee Mellor has gathered more than 25 of Canada s most lethal mass and spree killers into a single work Rampage details their grisly crimes delves into their twisted psyches and dissects their motivations to answer the question every true crime lover yearns to know why If you think serial killers are dangerous prepare for something deadlier      **Inside the Tent** Thomas Van Dusen,Susan Code,1998      **Canadian Books in Print.
