Matthew The Teachers Gospel:

Matthew: The Teacher's Gospel Paul S. Minear, 2003-09-08 Most studies of Matthew have been oriented toward a recovery of the portrait of Jesus or toward strengthening faith in him in our time I have chosen a different orientation The focus of my attention is on the work of the Evangelist as a teacher and on his intended audience in the churches of the first century men and women who like many of us were charged with basic educational work among adult believers in Jesus Christ I hope that such an orientation may strengthen your sense of kinship both with the Evangelist who was a teacher and with his first readers who also were teachers From the Preface This insightful commentary on the Gospel of Matthew will help readers better understand the importance of this book of the New Testament Paul S Minear focuses on Matthew as a teacher in the early Christian church assesses Matthew s impact on Christians in the first century and examines the fascinating array of literary forms found in this Gospel Throughout the book aims at increasing comprehension of the distinctive and constructive theological stance of Matthew

Jesus as Teacher in the Gospel of Matthew Charles Nathan Ridlehoover, Charles Quarles, 2023-07-27 Inspired by the work of Richard France and his highly influential Matthew Evangelist and Teacher Charles L Quarles and Charles Nathan Ridlehoover have gathered together a collection of works that argue for a re examination of the defining features of Jesus s role as a teacher in the Gospel of Matthew This volume suggests that while each of the Gospel writers display Jesus leading disciples along speaking to crowds and confronting Jewish authorities with effective and timely teachings Matthew s portrayal of Jesus as a teacher contains distinctives that deserve further exploration After examining Jesus s Old Testament and Second Temple influences and comparing his methods to the contemporary Greco Roman tradition the contributors explore Jesus s position as a teacher of faith and forgiveness and a trainer of scribes and analyse his relationship with several different apostles Including responsive essays and concluding with a summary of Jesus and Matthew himself as evangelists and teachers this journey through the aspects of Jesus s teaching ministry gives readers a more complete look at Jesus s vocation

One Teacher John Yueh-Han Yieh, 2004 A literary critical analysis is embarked to show how Matthew highlights the primacy authority and exclusivity of Jesus role as the Teacher of God s will and how he features five long discourses in the narrative Two cultural parallels the Teacher of Righteousness and Epictetus are studied for comparison The ways in which they are remembered in the literature and in which they shape the lives of their followers provide proper historical perspectives and useful frames of reference Finally a social historical reading of the three teachers and their followers in the light of pertinent sociological theories sociology of knowledge group formation indicates that Jesus the One Teacher serves four crucial functions for his readers in Matthew s church polemic apologetic didactic and pastoral

Matthew R. T. France, 2004-10-08 This work by R T France is not intended to be a guide to all that has been written in recent years about

Matthew Rather it is an extended introduction to Matthew designed for a non specialist readership France concentrates on those areas he finds most interesting and important for the appreciation of Matthew but he does touch on most major areas of discussion in Matthean studies Among other things France covers Matthew s place in the life of the church the order of the Gospels Matthew in the post apostolic church reasons for Matthew s preeminence Matthew in the modern church and literary relationships and the order of composition of the Gospels **Matthew (Teach the Text Commentary Series)**

The Theme of Recompense in Matthew's Gospel Blaine Charette,2015-01-29 Matthew s theology of the Spirit

has received scant scholarly attention a regrettable oversight since the evangelist is careful to note that the eschatological redemption described in his Gospel is the direct result of the activity of God's Spirit Matthew's narrative of God's restoring work which begins with Jesus and continues through his followers is informed by even as it extends the larger biblical narrative concerning God's creative redemptive and restorative work at the centre of which stands his Spirit his active presence As the study elaborates upon the broad sweep of Matthew's interest in the Spirit the operation of the Spirit is examined in relation to the three theological categories of christology soteriology and ecclesiology

The Gospel According to Matthew G. Campbell Morgan, 2017-01-30 This volume based on seventy three sermons that consecutively cover Matthew's Gospel receives strength through the very roughness and directness of the word spoken under the inspiration of vast visible audiences while addressed to the impressionable hearts of men From first to last the various units in the exposition proceed on the assumption that it was the intention of the writer to set forth the Person of our Lord in relation to His kingly office So from the mystic account of His advent in human history through the record of the authority of His ethical enunciation the mercifulness of His method the majesty of His death and the glory of His resurrection to the ringing claim of all authority and
