Matthew Christian Rabbi:

Matthew Christopher Sanford, 2005-10 **Matthew's Christian-Jewish Community** Anthony J. Saldarini, 1994-05-16

The most Jewish of gospels in its contents and yet the most anti Jewish in its polemics the Gospel of Matthew has been said to mark the emergence of Christianity from Judaism Anthony J Saldarini overturns this interpretation by showing us how Matthew far from proclaiming the replacement of Israel by the Christian church wrote from within Jewish tradition to a distinctly Jewish audience Recent research reveals that among both Jews and Christians of the first century many groups believed in Jesus while remaining close to Judaism Saldarini argues that the author of the Gospel of Matthew belonged to such a group supporting his claim with an informed reading of Matthew's text and historical context Matthew emerges as a Jewish teacher competing for the commitment of his people after the catastrophic loss of the Temple in 70 C E his polemics aimed not at all Jews but at those who oppose him Saldarini shows that Matthew's teaching about Jesus fits into first century Jewish thought with its tradition of God sent leaders and heavenly mediators In Saldarini's account Matthew's Christian Jewish community is a Jewish group albeit one that deviated from the larger Jewish community Contributing to both New Testament and Judaic studies this book advances our understanding of how religious groups are formed

Jewish-Christian Relations Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz's thesis that the anti Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians Peter C Phan Professor Chair of Catholic Social Thought Georgetown University President of the Catholic Theological Society of America Standing on a brilliant and insightful reconstruction of Paul and on a quite shocking but perhaps compelling reading of Mark the author offers a number of original and in some cases quite compelling theoretical reconstructions of the context and purposes of early Christian texts a work of sublime moral passion David P Gushee Distinguished University Professor of Christian Ethics and Director Center for Theology and Public Life

Discipleship in the Ancient World and Matthew's Gospel, Second Edition Michael Wilkins, 2015-08-24 With a comprehensive sweep of the relevant literature including classical and Hellenistic sources the Septuagint and the New Testament the author defines disciple and related terms as they were used in the ancient world Pertinent Semitic words from

the Hebrew Bible Rabbinic literature and Qumran documents provide additional background for the term A special emphasis is Matthew s use of mathetes and the role of Simon Peter as a model disciple The study first appeared in 1988 in the prestigious Novum Testamentum Supplements under the title The Concept of Disciple in Matthew s Gospel As Reflected in the Use of the Term Mathetes In this second edition the author includes a new chapter outlining advances in the field since the book was first published *O Woman, Great is Your Faith!* Douglas Sean O'Donnell,2021-08-26 The concept of faith holds a central position in New Testament and early Christian thought yet this concept has not received the careful attention it deserves in the Synoptic Gospels The present study offers a comprehensive analysis of faith as a key motif in the Gospel of Matthew where it plays a major role in communicating this Gospel s vision for how readers should respond to the person and message of Jesus The argument propounded is that Matthew s unique narrative portrayal of the Canaanite woman s faith 15 21 28 is used for pedagogical purposes namely that by comparing and contrasting her great faith with those characters expressing no faith and little faith Matthew uses Jesus s quantitative terms to teach on the nature of true faith She embodies Matthew s theological vision of faith Even though she is a gentile outsider enemy she comprehends the universal scope and abundant blessings of Jesus s mission Moreover she acknowledges Jesus s messianic identity correctly perceiving him to be both David s royal heir and David s Lord Finally based on who she perceives Jesus to be and the purpose of his mission she demonstrates faith as trust manifested in action The Memory of the Temple and the Making of the Rabbis Naftali S. Cohn,2013-01-09 When the rabbis composed the Mishnah in the late second or early third century C E the Jerusalem Temple had been destroyed for more then a century Why then do the Temple and its ritual feature so prominently in the Mishnah Against the view that the rabbis were reacting directly to the destruction and asserting that nothing had changed Naftali S Cohn argues that the memory of the Temple served a political function for the rabbis in their own time They described the Temple and its ritual in a unique way that helped to establish their authority within the context of Roman dominance At the time the Mishnah was created the rabbis were not the only ones talking extensively about the Temple other Judaeans including followers of Jesus Christians and even Roman emperors produced texts and other cultural artifacts centered on the Jerusalem Temple Looking back at the procedures of Temple ritual the rabbis created in the Mishnah a past and a Temple in their own image which lent legitimacy to their claim to be the only authentic purveyors of Jewish tradition and the traditional Jewish way of life Seizing on the Temple they sought to establish and consolidate their own position of importance within the complex social and religious landscape of Jewish society in Roman Palestine **Matthew** Jeannine K. Brown,Kyle Roberts,2018-09-27 In this latest addition to the Two Horizons New Testament Commentary series biblical scholar Jeannine Brown and theologian Kyle Roberts together illuminate the Gospel of Matthew for pastors scholars and serious students of Scripture Including an original translation of the text along with section by section commentary this volume features chapters on thinking theologically with Matthew about such themes as kingdom Christology the Holy Spirit and discipleship

Brown and Roberts also offer constructive theological engagement with a number of contemporary viewpoints including feminist global political and ethical post Holocaust perspectives At once interdisciplinary and insightful their commentary will appeal to a wide readership

Matthew's Theology of Fulfillment, Its Universality and Its Ethnicity Herman C. Waetjen,2017-10-19 The interpretation of this gospel integrates an objective analysis of its historical context and a subjective semantic disclosure of meaning To that end a close reading of the text is combined with consistency building in order to achieve textual congruence and plenitude of meaning The subject object split of traditional biblical scholarship that requires analysis in order to produce explanation as a definable object is superseded in this book by the event of reading as a dynamic happening of personal experience from which the reader cannot detach herself or himself

Early Christian Teachers Alessandro Falcetta,2020-04-15 Were the didaskaloi tradents of the Jesus material and therefore guarantors of the historical reliability of the Gospels And why was their fate so different from that of the rabbis Alessandro Falcetta tackles these and other challenging questions in his study of one of the most intriguing groups in early Christianity its teachers and by surveying all the earliest sources mentioning them unveils the first century of their history Provided by publisher and page 4 of printed paper wrapper

Healing in the Gospel of Matthew Walter T. Wilson,2014-12-01 Although healing constitutes both a major theme of biblical literature and a significant practice of biblical communities healing themes and experiences are not always conspicuous in presentations of biblical theology Walter T Wilson adopts an interdisciplinary approach to the healing narratives in the Gospel of Matthew combining the familiar methods of form redaction and narrative criticisms with insights culled from medical anthropology feminist theory disability studies and ancient archaeology His focus is the New Testament s longest and most systematic account of healing Matthew chapters 8 and 9 which he investigates by situating the text within a broad range of ancient healing traditions The close exegetical readings of each healing narrative culminate in a final synthesis that pulls together what can be said about Matthew s understanding of healing how Matthew s narratives of healing expose the distinctive priorities of the evangelist and how these priorities relate to the theology of the Gospel as a whole

Facing Tragedies Christopher Hamilton,2009

The essays in this volume grew out of the reflections and discussions conducted during the second international conference Impulses from Salzburg from May 6 to 9 2008 on Facing Tragedies In accordance with the aims of this project participants were asked to reflect not simply on the nature and meaning of tragedy but also on ways in which those who are the victims of tragedy make sense of or cope with their condition It was recognised that abstract reflection is important in this regard but also that such reflection must be rooted in ordinary everyday experience and thus the conference had as one of its aims the attempt to ensure that philosophical reflection not lose the moorings it needs in the reality of ordinary life **Hellenistic**

Dimensions of the Gospel of Matthew Robert S. Kinney,2016-04-11 In the search for Matthean theology scholars overwhelmingly approach the Gospel of Matthew as the the most Jewish Gospel Studies of its Sitz im Leben focus on its relationship to Judaism whether arguing from the perspective that Matthew wrote from a cloistered Jewish community or as the leader of a Gentile rebellion against such a Jewish community While this is undoubtedly an important and necessary discussion for understanding the Gospel it often assumes too much about the relationship between Judaism and Hellenism via Martin Hengel Robert S Kinney argues for a hybridized perspective in which Matthew s attention to Jewish sources and ideas is not denied but in which echoes of Greek and Roman sources can be observed focusing on identifying Matthew s use of rhetoric and its possible echoes of Greco Roman philosophical disciple gathering teachers **Four Portraits, One Jesus,**
