The Challenge of the Silver Screen Freek L. Bakker, 2009-09-30 In 1897 only two years after the invention of film the first feature film about Jesus appeared This and other films about Jesus became examples for and an inspiration for films on other important religious figures like Rama Buddha and Muhammad Although religious leaders did not always approve of these films they did find a ready audience among believers This book explores these films and looks at how these films dealt with the fundamental question of portraying an individual thought to have either divine status or a very special and unique status among human beings This book will thus benefit not only students of religious film but also those studying the portrayal of central religious figures in the contemporary world [Mystery of Relationships Through the Lens of Scriptures](#) Dr. Elizabeth Thambiraj, 2015-08-11 Struggles in our relationships often point to an issue only God knows The mountains and valleys we face regarding relationships are often tiny spots to God We can trust God because He is faithful By trusting in His promises and understanding His unconditional love for us it is possible to scale the unscalable and repair our relationships Over the years marriage has changed In her book Mystery of Relationship through the Lens of Scriptures Marriage Sex and Intimacy author Dr Elizabeth Thambiraj explains those changes and the strains put on marital relationships Despite difficulties Elizabeth Thambiraj shows how the marriage covenant can be maintained through God She points us to the happiness security self worth and confidence available from our Maker Youll be reminded that fear lust and jealousy are not part of true love The author also reminds us that to love someone unconditionally means to love the other person in the past present and in the future even when the person disagrees with your opinion On marriage she has given one of the most biblically insightful explanations of the drastic change in the marriage relationship that resulted from the Fall at Eden and

provides excellent guidance on ways that the marriage covenant can be maintained through feeding our better angels with forgiveness understanding patience and forbearance If we feed our lustful tendencies we have committed adultery long before the physical act itself Dr Jerry L Ogles Presiding Bishop Anglican Orthodox Church Anglican Orthodox Communion Worldwide *Vital Issues in the Inerrancy Debate* F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God's Word has been attacked throughout church history Today's assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or who do not remember the troubling times that caused their development The nature and definition of inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for Vital Issues in Inerrancy Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God's inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God's Word Isaiah 40:8 The grass withers the flower fades But the word of our God stands forever [The Churchman](#), 1925 **The Case Against Q** Mark Goodacre, 2002-02-01 The resurrection of Jesus is thoroughly explored using extra canonical sources to fill in the blanks Original **Educational Film/video Locator of the Consortium of University Film Centers and R.R. Bowker** Consortium of University Film Centers, 1986 *A House Divided* Geoffrey W. Sutton, 2016-03-29 A House Divided helps answer the question how do Christians form moral judgments about sex linked issues After analyzing key differences between conservative and progressive Christians on such divisive issues as abortion sex education and same sex marriage readers will learn how a combination of four factors can lead to principled Christian morality First a review of diverse interpretive comments on relevant Scriptures can help identify a foundation for agreement as well as sharpen differences Second a review of psychological factors can help identify prejudices personality traits and powerful emotions that intensify and color public debate Third new research on moral psychology will add six dimensions of analysis to appreciating the reasons conservatives and progressives draw upon when forming moral judgments And finally knowledge about sexual attraction sexual orientation conception and sexual health is vital to thinking ethically about the specific issues addressed in this book **Iconoclasm As Child's Play** Joe Moshenska, 2019-04-16 When sacred objects were rejected during the Reformation they were not always burned and broken but were sometimes given to children as toys Play is typically seen as free and open while iconoclasm even to those who deem it necessary is violent and disenchanting What does it say about wider attitudes toward religious violence and children at play that these two seemingly different activities were sometimes one and the same Drawing on a

range of sixteenth century artifacts artworks and texts as well as on ancient and modern theories of iconoclasm and of play
Iconoclasm As Child s Play argues that the desire to shape and interpret the playing of children is an important cultural force
Formerly holy objects may have been handed over with an intent to debase them but play has a tendency to create new
meanings and stories that take on a life of their own Joe Moshenska shows that this form of iconoclasm is not only a
fascinating phenomenon in its own right it has the potential to alter our understandings of the threshold between the
religious and the secular the forms and functions of play and the nature of historical transformation and continuity
