**Matthew** John F. Walvoord, 1974 *Revelation Hoofbeats* Ron J. Bigalke, 2003-06 A compilation of articles by 18 authorities on Bible prophecy and how it may impact the present and future Contributors to this volume include Dave Breese Dave Hunt Arno Froese Thomas Ice Justification by the Word Jack D. Kilcrease, 2022-09-21 God's Word creates what He commands In Justification by the Word Jack D Kilcrease reintroduces Martin Luther's key doctrine Though a linchpin of the Reformation Luther's view of justification is often misunderstood For Luther justification is an expression of God's creative Word To understand Luther on justification one must grasp his doctrine of the Word The same God who declared let there be light and it was so also declares your sins are forgiven Justification is an objective reality It is achieved in Christ's

resurrection and received through an encounter with the risen Christ in Word and sacrament Justification turns us outward away from our own unsteady feelings and limited understanding to look to Christ And the church must preach justification lest we so easily forfeit the joy of the gospel Justification by the Word inspires readers to reencounter the radical doctrine of justification by faith alone      *Heaven and Earth in the Gospel of Matthew* Jonathan T. Pennington, 2007 A much overlooked aspect of the Gospel of Matthew is the theme of heaven and earth Rather than being a reverential circumlocution for God heaven in Matthew is part of a highly developed discourse of heaven and earth language Matthew's idiolectic way of using heaven language consists of four aspects 1 a distinction in meaning between singular and plural forms of ouranos 2 frequent use of the heaven and earth word pair 3 regular reference to the Father in heaven and 4 the recurrent use of the Matthean expression kingdom of heaven This book examines the historical precedents for each of these aspects and shows in Matthew how they serve one overriding theological purpose to highlight the tension that currently exists between heaven and earth or God and humanity while looking forward to its eschatological resolution      **Rushing Ahead to Armageddon** Christopher M. Jones, 2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment's notice Iran's nuclear ambition is well documented and is becoming a menace on the International stage With Israel's very existence at stake a preemptive strike against Iran's Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment's notice the events described in Ezekiel 38-39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring to Using the Bible as a guide we can figure out who this obscure person is instead of using today's newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it's time that we begin to reevaluate today's popular interpretation of Ezekiel 38-39 in light of the Bible Author's Bio Christopher Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part time      *Evidence for the Rapture* John Hart, 2015-07-24 Is the rapture still going to happen And if so when With contributing scholars from schools like Moody Bible Institute Dallas Theological Seminary and The Master's Theological Seminary Evidence for the Rapture is a convincing and thoroughly biblical case for the rapture This collection of exegetical essays looks at the rapture from a number of biblical angles the words of Jesus in the Gospels Paul's teachings in the epistles and even prophetic and apocalyptic literature In sound exegetical technique the

authors corroborate Scripture's main teachings on the end times to provide a trustworthy and concise treatment of a multifaceted issue. For the last several hundred years the doctrine of a pretribulation rapture has been a fixture in many churches and institutions. Evidence for the Rapture is a fresh polish upon this long-standing doctrine. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease [A Commentary, Critical, Experimental, and Practical on the Old and New Testaments](#) Robert Jamieson (D.D.),1863 **A commentary, critical and explanatory, on the Old and New Testaments, by R.
