MAX GLADSTONE

Negatives: - Writing style is **too poetic** for me. - Between language, structure and lack of world building I found the story **hard to follow**. - I wasn't engaged with the characters or the romance.

My Time In The War:

One Man's War: My Time in Vietnam Pasquale De Marco, 2025-04-30 One Man's War My Time in Vietnam is a powerful and moving memoir that tells the story of one man's experience in the Vietnam War Pasquale De Marco was drafted into the army in 1965 and he served in Vietnam for two years During that time he saw some of the worst that war has to offer He witnessed the death and destruction of his comrades and he was constantly in danger of being killed or injured himself Despite the horrors he experienced Pasquale De Marco never lost his humanity He remained compassionate and caring even in the darkest of times He helped his fellow soldiers whenever he could and he always put their needs before his own Pasquale De Marco's story is a testament to the strength and resilience of the human spirit It is a story of courage compassion and hope It is a story that will stay with you long after you finish reading it In One Man's War Pasquale De Marco shares his memories of the war both good and bad He writes about the camaraderie he shared with his fellow soldiers the horrors he witnessed and the challenges he faced when he returned home Pasquale De Marco's story is an important one and it is one that needs to be told It is a story that will help us to understand the Vietnam War and its impact on those who fought in it One Man's War is a must read for anyone who wants to learn more about the Vietnam War It is a powerful and moving memoir that will stay with you long after you finish reading it If you like this book write a review on google books **War Time, Peace Time, My Time** Dorice Greenfield, 2015-11-26 _____ A charming account of the life of Dorice Greenfield dancer wife mother and now author At fifteen Dorice runs away from her evacuated school campus and the relative safety of the English countryside to return to a terrifying London at war one of rationing doodlebugs and bomb shelters Determined to pursue her love of dance it isn't long before she is touring the country performing at theatres and military bases and receiving Nylons from American soldiers Once considered too risqu for a good girl dressing in sexy costumes and taking to the stage becomes a patriotic duty buoying up the spirits of a nation of young soldiers But amidst this fear and excitement when she falls for a Jewish man Dorice must face down prejudice in order to marry her love fighting new battles as the war subsides Dorice Greenfield is an inspiration a brave young woman who filled her life with adventure in the face of adversity and in leading by example gave her family the best start in life **My Vietnam War** Dave Morgan, 2014-08-05 My Vietnam War is Dave Morgan's story A typical 20 year old he was forced into extraordinary circumstances in Vietnam Far from his carefree youth the Vietnam War would expose Dave to an atmosphere of ever present danger and sheer terror that would impact him forever His return to a divided Australia would isolate him further During his service Dave wrote home to his mother from Vietnam tracking the days and the events In 1992 after his mother passed away he found all of his letters with his own recollections and diary entries and the short stories of seven other veterans to capture the unbelievable danger and horror that these young men experienced in Vietnam He also describes how Vietnam established life long feelings of intense loyalty trust and mateship between the men that served there Dave's story focuses on his time as a soldier and his return

psychologically exhausted to a divided nation *War of the Words* Craig R. Myers, 2006-10-27 Journalists should avoid clichés but they are just too useful A picture is worth 1 000 words and in the case of the 38 Gulf Breeze UFO photos shot by Ed Walters in 1987 1988 millions of them weird angry hilarious and profound words Words by Dave Barry Mike Royko and Fox Mulder Words on Unsolved Mysteries and Oprah With the 20th anniversary approaching I think about another cliché with a twist Truth is funnier than fiction As a reporter in Pensacola Fla I found myself in a War of the Words TV networks flocked to town Believers and Debunkers battled over Ghost Demon photos and Army deserters arrived in search of the Second Coming With the mayor and police chief on one side and community leaders and the local paper on the other I went looking for the last word on the subject I found a spaceship REVIEW Millions of Americans believe that we are regularly visited by beings from outside the Earth and many are sure they have seen UFOs and even see them regularly Craig R Myers has not only seen one but he has held it in his hand This was in Florida in the middle of the famous Gulf Breeze UFO mania of twenty years ago and the UFO which he had himself captured was of distinctly terrestrial origin but it had been made by the hoaxer who had sparked the Gulf Breeze sightings There are plenty of books to tell you where UFOs come from how we can invite more of them and what to do when one captures you War of the Words The True but Strange Story of the Gulf Breeze UFO Xlibris probably won't match sales of many of those other books but it is shocking and revelatory in its own way It is impossible to argue of course that since this episode was a hoax all UFO sightings are hoaxes and those who sight them are being fooled but Myers has given a story with a skeptical bent that indicates the most useful way to regard such phenomena It is a funny book it even includes Dave Barry's amusing column about his own visit to Gulf Breeze and his investigation of the mania It is however a serious report by a journalist who covered the story at the time skeptics ought to enjoy it and True Believers ought to learn from it Woodward and Bernstein got the story of their lifetimes because they happened to be in the right place and time Not every journalist's story of a lifetime has such national implications but Myers is grateful that he was around for what he calls the most interesting frightening and funny story of my at that time short career Maybe this was just in contrast to his usual beat for the Pensacola News Journal where he reported upon what the county commissioners and the utility authority were up to A rival paper The Gulf Breeze Sentinel published anonymously submitted photographs of a UFO in November 1987 but they were not the first UFOs seen in the area Gulf Breeze is directly in the flight path of an airport and is near a naval air station and an Air Force base so that there are plenty of lights in the sky In such a locale if you are of a mind to be fooled by a mysterious light says Myers it is quite simple to let yourself think that this is something besides an earthly craft Indeed on any clear night the Gulf Breeze Research Team might be out doing what it called a Skywatch excitedly whispering to each other Do you see that one So some Sentinel readers were already primed when the paper published a picture of a classic flying saucer Myers says there are two ways a paper can report on UFOs One is to report on the broad phenomenon of UFO sightings and the other is to report UFO sightings as frequently and with as little confirmation and

editing as it publishes engagements weddings births Optimist Club donations honor rolls obits and arrests He does not crow too much that his Journal chose the former while the Sentinel chose the latter

Twilight on the South Carolina Rice Fields Margaret Belser Hollis,Allen H. Stokes,2012-12-07 A firsthand account of the Civil War and Reconstruction in the Old South rice kingdom from one of South Carolina s founding families The Civil War and Reconstruction eras decimated the rice planting enterprise of the South and no family experienced the effects of this economic upheaval quite as dramatically as the Heywards of South Carolina a family synonymous with the wealth of the old rice kingdom in the Palmetto State Twilight on the South Carolina Rice Fields collects the revealing wartime and postbellum letters and documents of Edward Barnwell Barney Heyward 1826 1871 a native of Beaufort District and grandson of Nathaniel Heyward one of the most successful rice planters and largest slaveholders in the South Barney Heyward was also the father of South Carolina governor Duncan Clinch Heyward author of Seed from Madagascar the definitive account of the rice kingdom s final stand a generation later Edited by Margaret Belser Hollis and Allen H Stokes the Heyward family correspondence from this transformational period reveals the challenges faced by a once successful industry and a once opulent society in the throes of monumental change During the war Barney Heyward served as a lieutenant in the engineering division of the Confederate army but devoted much of his time to managing affairs at his plantations near Columbia and Beaufort His letters chronicle the challenges of preserving his lands and maintaining control over the enslaved labor force essential to his livelihood and his family s fortune The wartime letters also provide a penetrating view of the Confederate defense of coastal South Carolina against the Union forces who occupied Beaufort District In the aftermath of the conflict Heyward worked with only limited success to revive planting operations In addition to what these documents reveal about rice cultivation during tumultuous times they also convey the drama affections and turmoil of life in the Heyward family from Barney s increasingly difficult relations with his father Charles Heyward to his heartfelt devotion to his wife the former Catherine Tat Maria Clinch and their children Twilight of the South Carolina Rice Fields also features an introduction by noted economic historian Peter A Coclanis that places these letters and the legacy of the Heyward family into a broader historical context
