

The illustration depicts a large, pink piglet rolling on its back in a muddy patch on a grassy field. The piglet has a content expression, with its eyes closed and a slight smile. In the background, a wooden fence separates the field from a wooded area. Two donkeys are visible behind the fence, one looking towards the piglet. A small red fox is also seen near the fence. In the lower-left foreground, a green frog is jumping. The overall style is whimsical and colorful, typical of children's book illustrations.

Dealing with Pigs! Dr Ivan Molloy, 2019-06-29 This novel was self published through Xlibris in 2019 and since then has been extensively marketed through several avenues and platforms headlined by book exhibitions and major book fairs around the world such as The Book Expo America New York Beijing and Guadalajara Book Fairs and London next year due to 2020 cancellation because of the virus It has also been featured in Press Releases and my website <http://www.ivanmolloy.org> Moreover it has been favourably reviewed by The Clarion Review and The Kirkus Review However I am approaching you now as I am seeking a more traditional publisher Simply put this novel is a somewhat comical satire of the politics and history of our world and is suitable for all ages The main character Hunkle Trotter a pig lives in Mudwallow in a far off pig world War soon rages between the pigs of Mudwallow and Hamcorner as the elite among the Wallowites known as snouters seek to expand their power and fortunes through military means As the snouters mercenary soldiers the boars and the Holy Pomponer the head of the Wallowites faith hoard food and wealth during this time it is the weary working class trotters who go without While the fight bogs down due to self serving double crosses and incompetent leaders Hunkle finds himself in the role of an unlikely revolutionary Meanwhile Hunkle's Cousin Crumpet has produced a series of writings on pigolitics and pigolosophy that demand equality and a rejection of snouter rule Along with the vengeful rebel Snooper and Hunkle's son Whiskers Crumpet establishes the snotters a group that rejects the strict class structure and the worship of the Pomponer's Great One a deity that supposedly blesses pigkind from the Black Mountain

volcano Unrest grows and the snotters are able to gain advantages over the ruling upper classes through utilizing the prized badapple a tree with explosive properties and technological possibilities as well by taking advantage of the lies of the religious caste by proving that the Great One is no god Somewhat a cross between the Game of Thrones and Animal Farm Dealing With Pigs is filled with scheming bad pigs and harrowing battles Ultimately the revolution is successful only to fall prey itself to dictatorship new revolts and quests to find a better way In what is Book One there are parallels with our human contemporary global politics and history except for major twists and turns leading to Book Two currently being written

Social Media in Southeast Italy Razvan Nicolescu, 2016-10-07 Why is social media in southeast Italy so predictable when it is used by such a range of different people This book describes the impact of social media on the population of a town in the southern region of Puglia Italy Razvan Nicolescu spent 15 months living among the town's residents exploring what it means to be an individual on social media Why do people from this region conform on platforms that are designed for personal expression Nicolescu argues that social media use in this region of the world is related to how people want to

portray themselves He pays special attention to the ability of users to craft their appearance in relation to collective ideals values and social positions and how this feature of social media has for the residents of the town become a moral obligation they are expected to be willing to adapt their appearance to suit their different audiences at the same time which is crucial in a town where religion and family are at the heart of daily life *Jabulani Means Rejoice* Kalumba, Phumzile
