Cool,2022-08-01 This book was inspired by the book of John the first chapter In the beginning the word already existed The word was with God and the word was God He existed in the beginning with God God created everything through him and nothing was created except through him The word gave life to everything that was created and his life brought light to everyone The light shines in the darkness and the darkness can never extinguish it My eyes have been opened to these verses by the light of Christ penetrating into my soul leading me to see and understand the true meaning of life Everything there is has a word attached to it When we can take time to slow down with understanding and yes even break words down a little more with acronyms the power of those words can speak life to ourselves and to others When driving down a road we have become accustomed to pushing on gas or the brake pedal as needed by our sight In life we can do the same thing with our thinking whether good or bad to steer us away from disaster or to find peace If we only take the time and affiliate our words with knowledge just like slamming on our brakes when a kid runs out in front of us My book will teach you how to find peace that turns into lasting joy which is surrounded by love Little things like words put together with roots acronyms make our lives stronger Here are a couple of acronyms just to get you started that have made a life changing transformation in me Chaos Creating hell allowing overwhelming sin When we act before thinking it through Grace GodaEUR tm s riches abundantly coming everyday Now thataEUR tm s treasure
