offer models of leadership suitable for contemporary society this book goes a notch higher by doing so through the prism of Jesus's servant leadership As the servant leader par excellence Jesus not only taught but demonstrated service by stooping down and washing his disciples feet This book distills the experience and wisdom of men and women who have practically benefited from Jesus's leadership Reflective of the global church all the authors speak of a servant leadership inspired by love honoring of God humble in approach and seeking the welfare of others without neglecting a healthy self regard Whether you work on site or remotely you will find the grist for robust leadership This book is a must read for theologians

businesspeople educators students and Christian practitioners seeking to make a difference in our times **The Stratified Leadership Model of the First-Century Christian Church** Barton S. Garratt Edsall, 2025-07-29 This research work aims to present a solution to the problem of withering Christian congregations present in modern Christian churches by way of expounding the doctrine that Jesus or his apostles promoted as displayed in the four canonical Gospels the Acts of the Apostles or the New Testament epistles This study presents factual information showing that the doctrine and arrangement of leaders that developed within the first century church may have been overlooked and lost by the wayside of history in favor of established traditions Paul declared his purpose for visiting the church believers in Rome was not to collect money or build houses of worship but so that their lives might manifest spiritual fruit Following that example improving the spiritual quality of their people's lives should be the primary goal of all Christian ministers The majority of this work will conduct a careful exegesis of selected passages from the New Testament which focus on the leadership model utilized by the first century church This study presents in detail the stratified leadership model of the early times in such a fashion that any modern church might replicate its design *A CHRISTIAN IN THE CONTEMPORARY WORLD SYSTEM* REV. DR. SEGUN & REV. MRS. NIKE JAYESIMI, This book is a collection of lectures delivered by Rev Dr Segun Rev Mrs Nike Jayesimi in the Gospel ministry Most of the lectures were delivered during our services as Conference President of Ogun Baptist Conference of Nigerian Baptist Convention We felt that the contents of the lectures can be useful and beneficial to many who may have opportunity to read it either in print or soft copy It is our heart desire that as you read this book you will be motivated to live victorious Christian life in the contemporary World system in the name of God the Father the Son and the Holy Spirit Amen

The Making of a Leader Frank Damazio, 1988 In his insightful book Damazio lays out for the serious student a broad discussion of what it means to be responsible for a group of followers Shrink Tim Suttle, 2014-09-02 Among followers of Jesus great is often the enemy of good The drive to be great to be a success by the standards of the world often crowds out the qualities of goodness virtue and faithfulness that should define the central focus of Christian leadership In the culture of today's church successful leadership is often judged by what works while persistent faithfulness takes a back seat If a ministry doesn't produce results it is dropped If people don't respond we move on This pursuit of greatness exerts a crushing pressure on the local church and creates a consuming anxiety in its leaders In their pursuit of this warped vision of greatness

church leaders end up embracing a leadership narrative that runs counter to the sacrificial call of the gospel story When church leaders focus on faithfulness to God and the gospel however it s always a kingdom win regardless of the visible results of their ministry John the Baptist modeled this kind of leadership As John s disciples crossed the Jordan River to follow after Jesus John freely released them to a greater calling than following him Speaking of Jesus John said He must increase but I must decrease Joyfully satisfied to have been faithful to his calling John knew that the size and scope of his ministry would be determined by the will of the Father not his own will Following the example of John the Baptist and with a careful look at the teaching of Scripture Tim Suttle dares church leaders to risk failure by chasing the vision God has given them no matter how small it might seem instead of pursuing the broad path of pragmatism that leads to fame and numerical success
