Ortenburger, 2003-07-01 Every fascinating stage of the Lotus Elite Type 14 is explored in this fully comprehensive book from conception through production to the buying public as well as success both on and off the racetrack The Elite began design trends still visible today and the car has been listed in every passing decades list of motordom's most significant automobiles That the car came together as a result of the work of a committee whose chief stylist was an accountant is almost beyond belief The fact that one of Colin Chapman's design criteria was that the Elite be a road car capable of a class win at the prestigious Le Mans 24 hour race was remarkable The fact there followed six consecutive class wins and several index of performance victories in the race was incredible This book contains the reminiscences of virtually everyone involved in the design and early production of the Elite Many of the personalities associated with the car throughout its production life including racers and Elite dealers in both the UK and America were interviewed Although several have since passed away their recollections are here to read and enjoy Lotus Elite Racing Car for the Road is not meant to be a nuts and bolts treatment of the car but rather an explanation of what is so fascinating about this automobile above all others If the story of the Lotus Elite was told as a novel readers would believe it to be pure fantasy Hopefully this book will convince otherwise Hardcover 12 x 12 208 pages 405 color photos      On a Global Mission: The Automobiles of General Motors International

Volume 3 Louis F. Fourie, 2016-12-27 Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015 Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM Each model is examined individually and supplemented by exhaustive supporting specification tables The fascinating history of Saab and Lotus begins with their humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner Included is a penetrating review of Saab through to its unfortunate demise Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America Daewoo Wuling and Baojun are other Asian brands covered in detail This volume concludes with recording the remarkable early success of Holden and its continued independence through to today Volume Three covers the smaller assembly operations around the world and the evolution of GM's export operations A brief history of Isuzu Subaru and Suzuki looks at the three minority interests GM held in Asia The GM North American model specifications are the most comprehensive to be found in a single book Global and regional sales statistics are included GM executives and management from around the globe are listed with the roles they held An index ensures that these volumes serve as the ideal reference source on GM      *Lotus Elite, Eclat and Excel*

Matthew Vale, 2016-02-29 Lotus introduced the Type 75 Elite in 1974 Being a full four seater coupe with an opening glass tailgate it was designed to carry a family in comfort while retaining Lotus trademark excellent road holding and handling

Perhaps most importantly it was the first and successful step in Colin Chapman's plan to move upmarket and away from Lotus kit car image. The Elite gave rise to two derivatives: the Eclat and the Excel. The Eclat was a restyled coupe version sacrificing the Elite's unique rear styling and good rear passenger headroom for a more stylish exterior. With its conventional coupe styling the Eclat was more mainstream than the Elite and it was in the end the better seller. In turn the Eclat spawned the Excel, the last of the Elite inspired family.

Matthew Vale looks at the history of these unusual Lotus models and gives a thorough guide to buying and owning the cars today. **Vintage American Road Racing Cars 1950-1969** Harold Pace Mark R. Brinker, **Lotus Elan** Matthew Vale, 2013-08-31 The Lotus Elan was Lotus's definitive roadster. It replaced the elegant but expensive Lotus Elite and was the first car to employ the innovative Lotus steel backbone chassis. The original Elan was produced as a two seat open top sportscar and hardtop coupe from 1962 to 1973. The range was extended by the addition of the 2+2 seater Plus 2 from 1967 to 1974. Lotus introduced an all new front wheel drive Elan in 1989, the M100, which was produced until 1995.

Lotus Elan studies the history and development of all the Elans and describes each model in detail. It gives technical details for all models, examines unusual conversions and includes driving experiences from Elan owners. A complete and readable resource for all Lotus Elan owners and motoring enthusiasts who aspire to own one of these iconic British sports cars. Superbly illustrated with 250 colour photographs. Matthew Vale is a motoring author and passionate Lotus Elan enthusiast. [Fifty Cars that Changed the World](#) DESIGN MUSEUM ENTERPRISE LTD, 2009-10-06 Everything around us is designed and the word design has become part of our everyday experience. But how much do we know about it? Fifty Cars That Changed the World imparts that knowledge, listing the top 50 cars that have made a substantial impact in the world of British design today. From the 1908 Ford Model T to the 1998 smart car, each entry offers a short appraisal to explore what has made their iconic status to give them a special place in design history. **Classic Car** DK, 2023-04-11 From the Chevrolet Bel Air to the Ferrari Testarossa, this stunning book showcases the most iconic and important classic cars from every decade since the 1940s. Few things ignite such reverence as a classic car. With more than 250 iconic models from the 1940s to the early 1990s, photographed from every angle, this title is a glorious celebration of the stars in the classic car firmament. Classic Car brings you the story of more than 20 great marques, including household names Bentley, Mercedes, Ferrari, Cadillac and Aston Martin. Its lavish photography reveals every detail in close up of models that range from the 1940s giant two-ton Daimler DE36 which ferried royals about in style, through to sleek Ferraris from the 1980s capable of smashing the 200mph barrier. It puts you in the driving seat of such icons as the Chevrolet Corvette, the Ford Thunderbird and the Mercedes 300SL and brings you the designers of these amazing machines and the story of their manufacturers. This ultimate guide to classic cars further features a comprehensive catalog that draw out the key features of each important model with detailed profiles and specification. Feature pages broaden the scope of the book, covering everything from the designers and manufacturers who created them to their evolution over the decades. Stunningly shot DPS images add an extra layer of color.
