Origins And Doctrine Of Fascism With Selections From Other Works

W. John Morgan

Origins And Doctrine Of Fascism With Selections From Other Works:

Origins and Doctrine of Fascism Giovanni Gentile, 2017-07-05 Giovanni Gentile 1875 1944 was the major theorist of Italian fascism supplying its justification and rationale as a developmental form of dictatorship for status deprived nations languishing on the margins of the Great Powers Gentile's actualism as his philosophy came to be called absorbed many intellectual currents of the early twentieth century including nationalism syndicalism and futurism He called the individual to an idealistic ethic of obedience work self sacrifice and national community in a dynamic rebellion against the perceived impostures of imperialism This volume makes available some of his more significant writings produced shortly before and after the Fascist accession to power in Italy

The Broadview Anthology of Social and Political Thought - Volume 2: The Twentieth Century and Beyond Andrew Bailey, Samantha Brennan, Will Kymlicka, Jacob T. Levy, Alex Sager, Clark Wolf, 2008-09-12 The second volume of this comprehensive anthology covers the twentieth and early twenty first centuries The anthology is broad ranging both in its selection of material by figures traditionally acknowledged as being of central importance and in the material it presents by a range of other figures The material in this volume is presented in three sections The first Power and the State includes selections by such figures as Goldman Lenin Weber Schmitt and Hayek Among those included in the Race Gender and Colonialism section are de Beauvoir Gandhi Fanon and Young The third and by far the longest section Rights Based Liberalism and its Critics focuses on the many interrelated directions that social and political philosophy has taken since the publication of John Rawls's ground breaking *A Theory of Justice* in 1971 In order to better meet the needs of today's students the editors have made every effort to include accurate and accessible translations of the readings Additionally every selection has been painstakingly annotated and each figure is given a substantial introduction highlighting her or his major contributions within the tradition For figures of central importance the editors have included extended introductions that place the figure in the context of intellectual history as well as of political thought In order to ensure the highest standards of accuracy and accessibility the editors have consulted dozens of leading academics during the course of the volume's development many of whom have contributed introductory material as well as advice The result is an anthology with unparalleled pedagogical benefits The Broadview Anthology of Social and Political Thought sets the new standard for social and political philosophy instruction

Origins and Doctrine of Fascism Giovanni Gentile, Anthony James Gregor, 2009

Cultural Cold Wars and UNESCO in the Twentieth Century W. John Morgan, 2024-09-30 Cultural Cold Wars and UNESCO in the Twentieth Century addresses the now considerable interest in the concept of cultural cold war as a means of advancing ideologies The book charts the development of the concept in the twentieth century Structured in two parts Part I considers the League of Nations idealist attempts at international intellectual cooperation It discusses also the first cultural cold war with the Communist International's attempts to advance communism It also analyses the ideological and cultural appeal of Italian fascism German national socialism and Japanese

nationalist militarism and the transition from a wartime alliance to a new cold war Part II examines the renewal of international intellectual co operation through the United Nations Educational Scientific and Cultural Organization UNESCO in the context of a second cultural cold war between the capitalist democracies and the communist bloc The book shows that UNESCO became a site of this ideological competition and an example of its tensions Based on original research and a comprehensive review of the literature including in Russian German and French the book will appeal to academics postgraduate researchers advanced undergraduates and others interested in recent international history and the comparative politics of ideas

The Total Enemy Mikkel Thorup,2015-02-23 The Total Enemy explores the most radicalized forms of enmity trying to unravel some of its historical and contemporary expressions Starting from the premise that one of modernity s constitutive values is non violence the book explores how non violence or rather the making of a world free of violence becomes a cause of violence in some instances even extreme violence and totalitarian terror The book consists of six case studies each exploring and discussing historically specific expressions of depicting an enemy as one the actors believe they can only deal with violently It begins by looking at two important sites in the development of the total enemy the French Revolution and the emergence of terrorist thinking in the middle of the nineteenth century The book then turns to the twentieth century beginning with the pre WWII conceptualizations of the total in European political thought as an answer to a liberal state deemed unfit to manage and control mass society Secondly it considers the totalitarian enemy in Nazi Germany especially Soviet Russia Finally the book turns to two forms of contemporary total enmity Islamism and in right wing extremism These concluding chapters look specifically at what happens to the total enemy concept once it goes from the state concept of the twentieth century to the private practice of the twenty first

Vanguardism Phillip W. Gray,2019-12-06 Providing an innovative conceptualization to extremist political movements founded upon world historic populations and vanguard party organizations Vanguardism sets out a new path in investigating the intellectual and historical influences that created extremist politics the totalitarian movements and regimes of the twentieth century and a framework for interpreting extremism in the present Expanding its view across the turbulent intellectual currents of the nineteenth century Philip W Gray illustrates how these ideas shaped the shared ideational and organizational structures that would develop into Leninism Fascism and Nazism in the early twentieth century Moving beyond the Second World War the book explicates how vanguardism did not vanish with the war s conclusion but was modified throughout the period of national liberation movements and Western extremist groups over the ensuing decades Concluding in the present with an eye to the future Gray presents a framework for comprehending the extremist movement of today and how organizational shifts can give us clues to the forms of totalitarian politics of tomorrow Original and provocative Vanguardism will become essential reading for everyone looking to understand totalitarianism and extremist politics of our time

Luigi Dallapiccola and Musical Modernism in Fascist Italy Ben Earle,2013-08-15 Luigi Dallapiccola is widely considered a

defining figure in twentieth century Italian musical modernism whose compositions bear passionate witness to the historical period through which he lived In this book Ben Earle focuses on three major works by the composer the one act operas *Volo di notte* Night Flight and *Il prigioniero* The Prisoner and the choral *Canti di prigionia* Songs of Imprisonment setting them in the context of contemporary politics to trace their complex path from fascism to resistance Earle also considers the wider relationship between musical modernism and Italian fascism exploring the origins of musical modernism and investigating its place in the institutional structures created by Mussolini's regime In doing so he sheds new light on Dallapiccola's work and on the cultural politics of the early twentieth century to provide a history of musical modernism in Italy from the fin de siècle to the early Cold War

Marxism and the Making of China J. Gregor, 2014-02-19 An assessment of the influence of the Marxism of Karl Marx and Friedrich Engels on revolutionary developments in China The work covers the period from the first appearance of the Chinese Communist Party under Mao Zedong until its full transformation by Deng Xiaoping into a nationalist developmental single party developmental dictatorship

Historicism and Fascism in Modern Italy David D. Roberts, 2007-10-27 During the early decades of the twentieth century Italy produced distinctive innovations in both the intellectual and political realms On the one hand Benedetto Croce 1866 1952 and Giovanni Gentile 1875 1944 spearheaded a radical rethinking of historicism and philosophical idealism that significantly reoriented Italian culture On the other hand the period witnessed the first rumblings of fascism Assuming opposite sides Gentile became the semi official philosopher of fascism while Croce argued for a renewed liberalism based on absolute historicism In *Historicism and Fascism in Modern Italy* David D Roberts uses the ideological conflict between Croce and Gentile as a basis for a wider discussion of the interplay between politics and ideas in Italy during the early twentieth century Roberts examines the connection between fascism and the modern Italian intellectual tradition arguing that the relationship not only deepens our understanding of fascism and liberalism but also illuminates ongoing dangers and possibilities in the wider Western world This set of twelve essays by one of the leading scholars in the field represents an authoritative view of the modern Italian intellectual tradition its relationship with fascism and its enduring implications for history politics and culture in Italy and beyond

Rethinking Fascism and Dictatorship in Europe A. Kallis, 2014-09-25 Fascism exerted a crucial ideological and political influence across Europe and beyond Its appeal reached much further than the expanding transnational circle of fascists crossing into the territory of the mainstream authoritarian and traditional right Meanwhile fascism's seemingly inexorable rise unfolded against the backdrop of a dramatic shift towards dictatorship in large parts of Europe during the 1920s and especially 1930s These dictatorships shared a growing conviction that fascism was the driving force of a new post liberal fiercely nationalist and anti communist order The ten contributions to this volume seek to capture theoretically and empirically the complex transnational dynamic between interwar dictatorships This dynamic involving diffusion of ideas and practices cross fertilisation and reflexive adaptation muddled the boundaries between fascist and authoritarian constituencies of the

interwar European right **The Political Anatomy of Domination** Béatrice Hibou, 2017-03-22 Rereading Marx Weber Gramsci and more recently Foucault Béatrice Hibou tackles one of the core questions of political and social theory state domination Combining comparative analyses of everyday life and economics she highlights the arrangements understandings and practices that make domination conceivable bearable even acceptable or reassuring To carry out this demonstration Hibou examines authoritarian situations especially comparing the paradigmatic European cases of fascism Nazism and Soviet socialism and those of contemporary China or North and Sub Saharan Africa **Critical Theory from the Margins** Saladdin Ahmed, 2023-09-01 Great critical theorists from Marx and Engels to Adorno and Horkheimer not only came from the margins but also stayed faithful to the plight of the marginalized They refused to compromise about the struggle for equality and tried to universalize its emancipatory essence From Marx to Benjamin critical philosophers who showed fidelity to the cause were denied a career in European universities and made impoverished stateless and homeless Marginalization and critical theory are inseparable yet today Marxism is institutionalized and the Frankfurt School's Critical Theory is gentrified Critical Theory from the Margins however revives the Critical Theory that endorses criticism aiming to negate dominant regimes of truth It is unapologetic in its fidelity to the universalist struggles of the minoritized In that spirit Saladdin Ahmed shows that capitalism imposes a totalitarian social mode of existence and neoliberalism perpetuates fascism as a class of ideology across nationalist and religious movements This book then is both a theorization and an argument in favor of the application of the episteme of the silenced as the essence of the critical education necessary for achieving universal emancipation [The Age of Secularization](#) Augusto Del Noce, 2017-11-08 Augusto Del Noce is widely considered one of Italy's foremost philosophers and political thinkers in the second half of the twentieth century He is also remembered as an original and profound cultural critic and in particular as a great scholar of the process of secularization that took place in the West during the 1960s A collection of eleven essays and lectures by Del Noce that originally appeared between 1964 and 1969 and which the author published as a book in 1971 The Age of Secularization quickly became recognized as one of the most original and penetrating attempts to interpret the cultural and political turmoil of the period In its pages Del Noce discusses among other topics the student protests of 1968 the counterculture of the 1960s the significance of the sexual revolution the nature of the technological society and the relationship between Christianity and modern culture The Age of Secularization documents the encounter between a key period of contemporary history and the full intellectual maturity of one of its most perceptive observers It makes available to English language readers a lasting reflection on the philosophical roots of contemporary culture and it is just as illuminating and topical today as it was nearly fifty years ago *The Search for Neofascism* A. James Gregor, 2006-03-27 Publisher description **Totalitarianism and Political Religion** A. James Gregor, 2012-03-07 The totalitarian systems that arose in the twentieth century presented themselves as secular Yet as A. James Gregor argues in this book they themselves functioned as religions He presents an intellectual history of the rise of

these political religions tracing a set of ideas that include belief that a certain text contains impeccable truths notions of infallible charismatic leadership and the promise of human redemption through strict obedience selfless sacrifice total dedication and unremitting labor Gregor provides unique insight into the variants of Marxism Fascism and National Socialism that dominated our immediate past He explores the seeds of totalitarianism as secular faith in the nineteenth century ideologies of Ludwig Feuerbach Moses Hess Karl Marx Friedrich Engels Giuseppe Mazzini and Richard Wagner He follows the growth of those seeds as the twentieth century became host to Leninism and Stalinism Italian Fascism and German National Socialism each a totalitarian institution and a political religion

Selected Writings on Media, Propaganda, and Political Communication Siegfried Kracauer, 2022-05-17 Siegfried Kracauer stands out as one of the most significant theorists and critics of the twentieth century acclaimed for his analyses of film and popular culture However his writing on propaganda and politics has been overshadowed by the works of his contemporaries and colleagues associated with the Frankfurt School This book brings together a broad selection of Kracauer's work on media and political communication much of it previously unavailable in English It features writings spanning more than two decades from studies of totalitarian propaganda written in the 1930s to wartime work on Nazi newsreels and anti-Semitism through to examinations of American and Soviet political messaging in the early Cold War period These varied texts illuminate the interplay among politics mass culture and the media and they encompass Kracauer's core concerns the individual and the masses the conditions of cultural production and the critique of modernity The introduction and afterword explore the significance of Kracauer's contributions to critical theory film and media studies and the analysis of political communication both in his era and the present day At a time when demagoguery and bigotry loom over world politics Kracauer's inquiries into topics such as the widespread appeal of fascist propaganda and the relationship of new media forms and technologies to authoritarianism are strikingly relevant

Fascism and the Masses Ishay Landa, 2018-01-17 Highlighting the mass nature of interwar European fascism has long become commonplace Throughout the years numerous critics have construed fascism as a phenomenon of mass society perhaps the ultimate expression of mass politics This study deconstructs this long standing perception It argues that the entwining of fascism with the masses is a remarkable transubstantiation of a movement which understood and presented itself as a militant rejection of the ideal of mass politics and indeed of mass society and mass culture more broadly conceived Thus rather than massifying society fascism was the culmination of a long effort on the part of the elites and the middle classes to de-massify it The perennially menacing mass seen as plebeian and insubordinate was to be drilled into submission replaced by supposedly superior collective entities such as the nation the race or the people Focusing on Italian fascism and German National Socialism but consulting fascist movements and individuals elsewhere in interwar Europe the book incisively shows how fascism is best understood as ferociously resisting what Elias referred to as the civilizing process and what Marx termed the social individual Fascism notably was a revolt against what Nietzsche

described as the peaceful middling and egalitarian Last Humans **NeoConservatism** C. Bradley Thompson, 2015-11-17 An obituary so soon Surely the reports of neoconservatism's death are greatly exaggerated C Bradley Thompson has written with Yaron Brook the most comprehensive and original analysis of neoconservatism yet published and in the process has dealt it a mortal blow Neoconservatism An Obituary for an Idea reveals publicly for the first time what the neocons call their philosophy of governance their plan for governing America This book explicates the deepest philosophic principles of neoconservatism traces the intellectual relationship between the political philosopher Leo Strauss and contemporary neoconservative political actors and provides a trenchant critique of neoconservatism from the perspective of America's founding principles The theme of this timely book neoconservatism as a species of anti Americanism will shake up the intellectual salons of both the Left and Right What makes this book so compelling is that Thompson actually lived for many years in the Straussian neoconservative intellectual world Neoconservatism therefore fits into the breaking ranks tradition of scholarly criticism and breaks the mold when it comes to informed incisive nonpartisan critique of neoconservative thought and action A Clear and Present Danger Jean Shinoda Bolen, Leonard Cruz, Steven Buser, Clarissa Pinkola Estés, Nancy Swift Furlotti, James Hollis, Alden Josey, Thomas Patrick Lavin, Kathryn Madden, Eve Maram, John McClain, Robert Moore, Laurence de Rosen, Susan Rowland, Nathan Schwartz-Salant, Thomas Singer, Richard Smoot, Jacqueline West, James Wyly, 2017-02-02 Moderation and Revolution Andrea Micocci, 2012-01-01 This book asks how we can resolve conflict from the capitalist world view It exposes the intellectual basis of contemporary capitalism as a logically flawed dialectic that prevents both revolutionary options in theory and also in practice the evolution of capitalism itself towards the revolutionary outcome outlined by Smith and Marx As a consequence it practices intolerance disguised as tolerance toward radical thinking which explains its propensity to war and the fascistic features of its economics and politics True revolution on the other hand is radically tolerant of the presence of the other and therefore nonviolent at the core

Origins And Doctrine Of Fascism With Selections From Other Works Introduction

In today's digital age, the availability of *Origins And Doctrine Of Fascism With Selections From Other Works* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Origins And Doctrine Of Fascism With Selections From Other Works* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Origins And Doctrine Of Fascism With Selections From Other Works* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Origins And Doctrine Of Fascism With Selections From Other Works* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Origins And Doctrine Of Fascism With Selections From Other Works* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Origins And Doctrine Of Fascism With Selections From Other Works* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Origins And Doctrine Of Fascism With Selections From Other Works* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Origins And Doctrine Of Fascism With Selections From Other Works books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Origins And Doctrine Of Fascism With Selections From Other Works books and manuals for download and embark on your journey of knowledge?

FAQs About Origins And Doctrine Of Fascism With Selections From Other Works Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Origins And Doctrine Of Fascism With Selections From Other Works is one of the best book in our library for free trial. We provide copy of Origins And Doctrine Of Fascism With Selections From Other Works in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Origins And Doctrine Of Fascism With Selections From Other Works. Where to download Origins And Doctrine Of Fascism With Selections From Other Works online for free? Are you looking for Origins And Doctrine Of Fascism With Selections From Other Works PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate

way to get ideas is always to check another Origins And Doctrine Of Fascism With Selections From Other Works. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Origins And Doctrine Of Fascism With Selections From Other Works are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Origins And Doctrine Of Fascism With Selections From Other Works. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Origins And Doctrine Of Fascism With Selections From Other Works To get started finding Origins And Doctrine Of Fascism With Selections From Other Works, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Origins And Doctrine Of Fascism With Selections From Other Works So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Origins And Doctrine Of Fascism With Selections From Other Works. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Origins And Doctrine Of Fascism With Selections From Other Works, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Origins And Doctrine Of Fascism With Selections From Other Works is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Origins And Doctrine Of Fascism With Selections From Other Works is universally compatible with any devices to read.
