Origins Of Instability In Early Republican Mexico

Rachel A. Moore

Origins Of Instability In Early Republican Mexico:

Origins of Instability in Early Republican Mexico Donald Fithian Stevens, 1991 In the decades following independence Mexico was transformed from a strong stable colony into a republic suffering from economic decline and political strife Marked by political instability characterized by Antonio Lopez de Santa Anna's rise to the presidency on eleven distinct occasions this period of Mexico's history is often neglected and frequently misunderstood Donald F Stevens revisionist account challenges traditional historiography to examine the nature and origins of Mexico's political instability Turning to quantitative methods as a way of providing a framework for examining existing hypotheses concerning Mexico's instability the author dissects the relationship between instability and economic cycles contradicts the notion that Mexico's social elite could have increased political stability by becoming more active and argues that the principal political fissures were not liberal vs conservative but were among radical moderate and conservative Ultimately Stevens maintains the origins of that country's instability are to be found in the contradictions between liberalism and Mexico's traditional class structure and the problems of creating an independent republic from colonial monarchical and authoritarian traditions

The Roots of Conservatism in Mexico Benjamin T. Smith, 2012-11-15 *The Roots of Conservatism* is the first attempt to ask why over the past two centuries so many Mexican peasants have opted to ally with conservative groups rather than their radical counterparts Blending socioeconomic history cultural analysis and political narrative Smith's study begins with the late Bourbon period and moves through the early republic the mid nineteenth century Reforma the Porfiriato and the Revolution when the Mixtecs rejected Zapatista offers of land distribution ending with the armed religious uprising known as the last Cristiada a desperate Cold War bid to rid the region of impious communist governance In recounting this long tradition of regional conservatism Smith emphasizes the influence of religious belief church ritual and lay clerical relations both on social relations and on political affiliation He posits that many Mexican peasants embraced provincial conservatism a variant of elite or metropolitan conservatism which not only comprised ideas on property hierarchy and the state but also the overwhelming import of the church to maintaining this system

The History of Mexico Philip Russell, 2011-04-06 *The History of Mexico From Pre Conquest to Present* traces the last 500 years of Mexican history from the indigenous empires that were devastated by the Spanish conquest through the election of 2006 and its aftermath The book offers a straightforward chronological survey of Mexican history from the pre colonial times to the present and includes a glossary as well as numerous tables and images for comprehensive study For additional information and classroom resources please visit The History of Mexico companion website at www.routledge.com/textbooks/russell

Mexico in the Age of Proposals, 1821-1853 William M. Fowler, 1998-11-19 This book is a study of the political development of the many factions that surfaced in Mexico from the achievement of independence in 1821 to General Antonio Lopez de Santa Anna's last government in 1853 55 Paying particular attention to the writings of the main thinkers of the period and the ways in which

they inspired or were betrayed by their respective factions this volume concentrates on the evolution of the different factions traditionalists moderates radicals and santanistas who sustained their beliefs at one point or another It follows a chronological approach and puts significant emphasis to the way the hopes of the 1820s degenerated into the despair of the 1840s and how these in turn affected the evolution of the different factions political proposals Political proposals and ideologies were important in independent Mexico it was an age of proposals Various constitutional projects were proposed discussed attempted or dismissed This study offers a comprehensive analysis of how the generalized liberal principles of early republican Mexico became fractured into numerous conflicting political proposals and movements In response to the ever changing political landscape of the new nation the emergent Mexican political class was prevented from achieving the ever evasive constitutional order unity progress and stability all dreamed of experiencing when General Agustín de Iturbide marched into Mexico City on September 27 1821 Appendices with a glossary chronologies and description of major personalities are included

La Revolución Thomas Benjamin, 2010-01-01 The 1910 Revolution is still tangibly present in Mexico in the festivals that celebrate its victories on the monuments to its heroes and most important in the stories and memories of the Mexican people Yet there has never been general agreement on what the revolution meant what its objectives were and whether they have been accomplished This pathfinding book shows how Mexicans from 1910 through the 1950s interpreted the revolution tried to make sense of it and through collective memory myth making and history writing invented an idea called *la Revolución* In part one Thomas Benjamin follows the historical development of different and often opposing revolutionary traditions and the state's efforts to forge them into one unified and unifying narrative In part two he examines ways of remembering the past and making it relevant to the present through fiestas monuments and official history This research clarifies how the revolution has served to authorize and legitimize political factions and particular regimes to the present day Beyond the Mexican case it demonstrates how history is used to serve the needs of the present

Companion to Historiography Michael Bentley, 2006-02-27 This Companion presents a clear thematic overview of historiography explored through a series of stimulating and wide ranging articles Compiled by experts in the field the Companion is fully indexed for ease of access

The Mexican-American War John DiConsiglio, 2014-11-01 Why was the Mexican American War so important in the formation of the modern United States Could Texas have survived as an independent nation or part of Mexico This book seeks to relate the overall events and chronology of the war and shows its impact on everyday lives

Western Warfare, 1775-1882 Jeremy Black, 2014-12-18 This is a wide ranging and comprehensive survey of warfare from the outbreak of the American War of Independence to the British conquest of Egypt Drawing on both primary and secondary sources this book offers an unrivalled account of civil and international conflicts involving Western powers integrating both naval and land warfare This book covers military capability as well as conflict social and political contexts as well as weaponry tactics and strategy As well as examining such major conflicts as the

Napoleonic Wars the Crimean War the American Civil War and the Wars of German Unification this book redresses the imbalance of previous treatments by examining other important conflicts for example those in Latin America as well as insurgency and counter insurgency in Europe This book s global perspective provides for a more reliable assessment of what constitutes military capability In so doing the author challenges the technological determinism and linear conceptions of developments in military science that continue to characterise much of military history Instead the author reveals a much more complex dynamic indeed going so far as to question the idea of modernity itself Bold in scope and cutting edge in its interpretations this book offers much for the student general reader and professional historian alike *A Glorious Defeat* Timothy J. Henderson,2008-05-13 A concise yet comprehensive social history of the Mexican American War as it was experienced by the people of Mexico The war that was fought between the United States and Mexico from 1846 to 1848 was a major event in the history of both countries it cost Mexico half of its national territory opened western North America to US expansion and magnified tensions that led to civil wars in both countries Among generations of Latin Americans it helped to cement the image of the United States as an arrogant aggressive and imperialist nation poisoning relations between a young America and its southern neighbors In contrast with many current books that treat the war as a fundamentally American experience Timothy J Henderson s *A Glorious Defeat* offers a fresh perspective on the Mexican side of the equation Examining the manner in which Mexico gained independence Henderson brings to light a greater understanding of that country s intense factionalism and political paralysis leading up to and through the war *Proceedings of the ... Annual Palo Alto Conference* ,1994 **Companion to Historiography** Michael Bentley,2006-02-27 The Companion to Historiography is an original analysis of the moods and trends in historical writing throughout its phases of development and explores the assumptions and procedures that have formed the creation of historical perspectives Contributed by a distinguished panel of academics each essay conveys in direct jargon free language a genuinely international wide angled view of the ideas traditions and institutions that lie behind the contemporary urgency of world history **Seizing Destiny** Richard Kluger,2008-08-12 Less than 100 years after its creation as a fragile republic the United States more than quadrupled its size making it the world s third largest nation No other country or sovereign power had ever grown so big so fast or become so rich and so powerful Pulitzer Prize winning historian Richard Kluger chronicles this epic achievement in a compelling narrative celebrating the energy daring and statecraft behind America s insatiable land hunger while exploring the moral lapses that accompanied it Comprehensive and balanced *Seizing Destiny* is a revelatory often surprising reexamination of the nation s breathless expansion dwelling on both great accomplishments and the American people s tendency to confuse opportunistic success with heaven sent entitlement that came to be called manifest destiny *Institutional Reforms and Peacebuilding* Nadine Ansorg,Sabine Kurtenbach,2016-09-13 This book deals with the question how institutional reform can contribute to peacebuilding in post war and divided societies In the context of armed conflict and widespread violence two

important questions shape political agendas inside and outside the affected societies How can we stop the violence And how can we prevent its recurrence Comprehensive negotiated war terminations and peace accords recommend a set of mechanisms to bring an end to war and establish peace including institutional reforms that promote democratization and state building Although the role of institutions is widely recognized their specific effects are highly contested in research as well as in practice This book highlights the necessity to include path dependency pre conflict institutions and societal divisions to understand the patterns of institutional change in post war societies and the ongoing risk of civil war recurrence It focuses on the general question of how institutional reform contributes to the establishment of peace in post war societies This book comprises three separate but interrelated parts on the relation between institutions and societal divisions on institutional reform and on security sector reform The chapters contribute to the understanding of the relationship between societal cleavages pre conflict institutions path dependency and institutional reform This book will be of much interest to students of peacebuilding conflict resolution development studies security studies and IR

Proceedings of the First Annual Palo Alto Conference Aaron P. Mahr Yáñez,1994 *Forty Miles from the Sea* Rachel A. Moore,2022-12-06 While the literature on Atlantic history is vast and flourishing few studies have examined the importance of inland settlements to the survival of Atlantic ports This book explores the symbiotic yet conflicted relationships that bound the Mexican cities of Xalapa and Veracruz to the larger Atlantic world and considers the impact these affiliations had on communication and ultimately the formation of national identity Over the course of the nineteenth century despite its inland location Xalapa became an important Atlantic community as it came to represent both a haven and a place of fortification for residents of Veracruz Yellow fever foreign invasion and domestic discord drove thousands of residents of Veracruz as well as foreign travelers to seek refuge in Xalapa At the same time these adverse circumstances prompted the Mexican government to use Xalapa as a bulwark against threats originating in the Atlantic The influence of the Atlantic world thus stretched far into central Mexico thanks to both the instability of the coastal region and the desire of government officials to protect central Mexico from volatile Atlantic imports The boundaries established at Xalapa however encouraged goods information and people to collect in the city and thereby immerse the population in the developments of the Atlantic sphere Thus in seeking to protect the center of the country government authorities more firmly situated Xalapa in the Atlantic world This connection would be trumped by national affiliation only when native residents of Xalapa became more comfortable with their participation in the Mexican public sphere later in the nineteenth century The interdisciplinary and comparative nature of this study will make it appeal to those studying Atlantic history including historians of Britain the United States Latin America and Africa as well as those studying communication print culture and postal history more broadly

A Companion to Latin American History Thomas H. Holloway,2011-03-21 The Companion to Latin American History collects the work of leading experts in the field to create a single source overview of the diverse history and current trends in the study of Latin

America Presents a state of the art overview of the history of Latin America Written by the top international experts in the field 28 chapters come together as a superlative single source of information for scholars and students Recognizes the breadth and diversity of Latin American history by providing systematic chronological and geographical coverage Covers both historical trends and new areas of interest

A Life Together Eric Van Young, 2021-05-25 An eminent historian's biography of one of Mexico's most prominent statesmen thinkers and writers Lucas Alamán 1792-1853 was the most prominent statesman political economist and historian in nineteenth century Mexico Alamán served as the central ministerial figure in the national government on three occasions founded the Conservative Party in the wake of the Mexican American War and authored the greatest historical work on Mexico's struggle for independence Though Mexican historiography has painted Alamán as a reactionary Van Young's balanced portrait draws upon fifteen years of research to argue that Alamán was a conservative modernizer whose north star was always economic development and political stability as the means of drawing Mexico into the North Atlantic world of advanced nation states Van Young illuminates Alamán's contribution to the course of industrialization advocacy for scientific development and unerring faith in private property and institutions such as church and army as anchors for social stability as well as his less commendable views such as his disdain for popular democracy

Americana James Dunkerley, 2000-11-17 Dunkerley's majestic and unorthodox look at the Americas of the 1850s from an Atlanticist perspective a re appraisal illuminated by court cases of the first steps in American modernity

Wealth and Power in Provincial Mexico Margaret Chowning, 1999 Highly original work places the growth of an important state in the national and at the same time familial environment Argues that the Reform must be seen in the context of a general economic upturn begun in the 1840s Handbook of Latin American Studies

Preaching Power Charles A. Witschorik, 2013-10-21 This book uses a gender perspective to examine sermons and other officially endorsed discourses of the Catholic Church in eighteenth and nineteenth century Mexico City Analyzing the different ways that over time gendered images metaphors and hagiographical examples were used in sermons and other documents the book examines how the church negotiated challenges to its cultural and ideological hegemony Beginning with sermons from the early eighteenth century the author follows the evolution of church discourses as preachers reveled in Baroque analogies embraced ideals of the Enlightenment targeted women's alleged moral vices at times of political crisis and ultimately turned to notions of women as the devout sex in order to combat incipient liberalism Put another way liberals after independence were not the only ones to assert a kind of republican motherhood preachers countered with a vision of Catholic motherhood that had great resonance in Mexico even into the twentieth century

Getting the books **Origins Of Instability In Early Republican Mexico** now is not type of inspiring means. Origins Of Instability In Early Republican Mexico Introduction

In today's digital age, the availability of Origins Of Instability In Early Republican Mexico books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Origins Of Instability In Early Republican Mexico books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Origins Of Instability In Early Republican Mexico books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Origins Of Instability In Early Republican Mexico versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Origins Of Instability In Early Republican Mexico books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Origins Of Instability In Early Republican Mexico books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Origins Of Instability In Early Republican Mexico books and manuals is Open Library. Open Library is an

initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Origins Of Instability In Early Republican Mexico books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Origins Of Instability In Early Republican Mexico books and manuals for download and embark on your journey of knowledge?

FAQs About Origins Of Instability In Early Republican Mexico Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Origins Of Instability In Early Republican Mexico is one of the best book in our library for free trial. We provide copy of Origins Of Instability In Early Republican Mexico in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Origins Of Instability In Early Republican Mexico. Where to download Origins Of Instability In Early Republican Mexico

online for free? Are you looking for Origins Of Instability In Early Republican Mexico PDF? This is definitely going to save you time and cash in something you should think about.
