Origins Of Sherlock Holmes:

Origins of Sherlock Holmes Walter Klinefelter,1983 **Sherlock Holmes** John V. Hennessy,2017-11-10 **The Origins of the American Detective Story** LeRoy Lad Panek,2015-01-24

Edgar Allan Poe essentially invented the detective story in 1841 with Murders in the Rue Morgue In the years that followed however detective fiction in America saw no significant progress as a literary genre Much to the dismay of moral crusaders like Anthony Comstock dime novels and other sensationalist publications satisfied the public s hunger for a yarn Things changed as the century waned and eventually the detective was reborn as a figure of American literature In part these changes were due to a combination of social conditions including the rise and decline of the police as an institution the parallel development of private detectives the birth of the crusading newspaper reporter and the beginnings of forensic science Influential too was the new role model offered by a wildly popular British import named Sherlock Holmes Focusing on the late 19th century and early 20th this volume covers the formative years of American detective fiction Instructors considering this book for use in a course may request an examination copy here

A Brief History of Sherlock Holmes Nigel Cawthorne,2011-09-01 Created by Sir Arthur Conan Doyle in 1887 Sherlock Holmes appears in four novels and fifty six short stories Although Holmes was not the first literary detective he continues to have a perennial allure as the ultimate sleuth As Holmes is being re introduced to a new audience through TV and film Cawthorne introduces the general reader to Holmes and his creator Arthur Conan Doyle He gives a full biography of author as well as his creation including his resurrection following his unlikely death at the hands of arch enemy Moriarty Cawthorne also surveys the world of Holmes looking at Victorian crime the real characters behind Dr Watson and Inspector Lestrade as well as the world on the doorstep of 22b Baker Street

Sherlock Holmes Among the Pirates Donald Redmond,1990-03-23 This study focuses on the publishing history of Sir Arthur Conan Doyle tracing the story of the first two Holmes novels which were widely pirated in the U S from 1890 1930 The book details the background that enabled piracy to occur and provides extensive descriptive lists of the various issues of A Study in Scarlet and The Sign of the Four The American issues are described in detail with defects and inconsistencies clearly documented Also included is a genealogical tree that traces the editions of these novels and thorough examples of their textual variations

Sherlock Holmes on Screen Alan Barnes,2009-06 Sherlock Holmes has appeared on screen more times than any other fictional character Created just before the birth of cinema Sir Arthur Conan Doyle s famous detective has drawn moviegoers across the world and this guide covers over a century s worth of his exploits on film and television This includes films from the silent era through the Basil Rathbone movies of the 1940s films from France Japan Russia Germany and Italy the films of Hammer Studios in the UK and Roger Corman in the U S Billy Wilder s 1970 film Private Life of Sherlock Holmes and many more There are also television versions of Sherlock Holmes covered including one directed by Steven Spielberg Newly updated and with added material about Holmes productions from every part of the globe as well 120 photos and a guide to the original

stories Sherlock Holmes on Screen is a testament to the enduring power of Conan Doyle's celebrated creation Interspace Origins Tracy Cooper-Posey, 2018-07-21 The complete Interspace Origins science fiction romance series in one boxed set Follow the adventures of Catherine Shahrazad possibly the oldest human in the known galaxy and her gifted pilot Bedivere X as they return to Federation Space from the vast and unknown fringes Cat's history and her presence have caused riots in the past What will happen this time Why is Cat back Let yourself binge on this award winning series Book 1 Faring Soul Book 2 Varkan Rise Book 3 Cat and Company ____ Praise for the Interspace Origins series I know Tracy is a great writer but I was not much into science fiction Well now I am I loved Catherine Shahrazad who is a strong in charge female I'm amazed by the creativity of not only the characters but the detail of sights sound and interaction If you have read any of Tracy's other books you know what awaits you sheer reading pleasure This is truly science fiction at its best The Origin Of The Universe John D Barrow, 2014-11-25 There is no more profound enduring or fascinating question in all of science than that of how time space and matter began Now John Barrow who has been at the cutting edge of research in this area and has written extensively about it guides us on a journey to the beginning of time into a world of temperatures and densities so high that we cannot recreate them in a laboratory With new insights Barrow draws us into the latest speculative theories about the nature of time and the inflationary universe explains wormholes showing how they bear upon the fact of our own existence and considers whether there was a singularity at the inception of the universe Here is a treatment so up to date and intellectually rich dealing with ideas and speculation at the farthest frontier of science that neither novice nor expert will want to miss what Barrow has to say The Origin of the Universe is In the Beginning for beginners the latest information from a first rate scientist and science writer A History of Forensic Science Alison Adam, 2015-11-19 How and when did forensic science originate in the UK This question demands our attention because our understanding of present day forensic science is vastly enriched through gaining an appreciation of what went before A History of Forensic Science is the first book to consider the wide spectrum of influences which went into creating the discipline in Britain in the first part of the twentieth century This book offers a history of the development of forensic sciences centred on the UK but with consideration of continental and colonial influences from around 1880 to approximately 1940 This period was central to the formation of a separate discipline of forensic science with a distinct professional identity and this book charts the strategies of the new forensic scientists to gain an authoritative voice in the courtroom and to forge a professional identity in the space between forensic medicine scientific policing and independent expert witnessing In so doing it improves our understanding of how forensic science developed as it did This book is essential reading for academics and students engaged in the study of criminology the history of forensic science science and technology studies and the history of policing **Sherlock Holmes the Memoirs of Sherlock Holmes, the Hound of the Baskervilles , the Return of Sherlock Holmes** Arthur Conan Doyle, 2016-04-25 The Memoirs of Sherlock Holmes Is a collection of Sherlock Holmes stories originally published in 1894 by

Arthur Conan Doyle *The Hound of the Baskervilles* Is the third of the crime novels written by Sir Arthur Conan Doyle featuring the detective Sherlock Holmes Originally serialised in *The Strand Magazine* from August 1901 to April 1902 it is set largely on Dartmoor in Devon in England's West Country and tells the story of an attempted murder inspired by the legend of a fearsome diabolical hound of supernatural origin Sherlock Holmes and his companion Dr Watson investigate the case This was the first appearance of Holmes since his intended death in *The Final Problem* and the success of *The Hound of the Baskervilles* led to the character's eventual revival *The Return of Sherlock Holmes* Is a collection of 13 Sherlock Holmes stories originally published in 1903 1904 by Arthur Conan Doyle The stories were published in the *Strand Magazine* in Great Britain and *Collier's* in the United States ***The History of American Literature on Film*** Thomas Leitch, 2019-06-13 From William Dickson's *Rip Van Winkle* films 1896 to Baz Luhrmann's big budget production of *The Great Gatsby* 2013 and beyond cinematic adaptations of American literature participate in a rich and fascinating history Unlike previous studies of American literature and film which emphasize particular authors like Edith Wharton and Nathaniel Hawthorne particular texts like *Moby Dick* particular literary periods like the American Renaissance or particular genres like the novel this volume considers the multiple functions of filmed American literature as a cinematic genre in its own right one that reflects the specific political and aesthetic priorities of different national and historical cinemas even as it plays a decisive role in defining American literature for a global audience ***The History of British Literature on Film, 1895-2015*** Greg M. Colón Semenza, Bob Hasenfratz, Robert J. Hasenfratz, 2017-01-26 From *The Death of Nancy Sykes* 1897 to *The Hobbit The Battle of the Five Armies* 2014 and beyond cinematic adaptations of British literature participate in a complex and fascinating history *The History of British Literature on Film 1895 2015* is the only comprehensive narration of cinema's 100 year old love affair with British literature Unlike previous studies of literature and film which tend to privilege particular authors such as Shakespeare and Jane Austen or particular texts such as *Frankenstein* or particular literary periods such as Medieval this volume considers the multiple functions of filmed British literature as a cinematic subject in its own right one reflecting the specific political and aesthetic priorities of different national and historical cinemas In what ways has the British literary canon authorized and influenced the history and aesthetics of film and in what ways has filmed British literature both affirmed and challenged the very idea of literary canonicity Seeking to answer these and other key questions this indispensable study shows how these adaptations emerged from and continue to shape the social artistic and commercial aspects of film history ***Word Origins*** Cecil Hunt, 2022-10-04 This A to Z etymology guide reveals the people and characters whose names have evolved into common English words Have you ever wondered about the origins of words like *Bowlerize* In 1818 Thomas Bowdler published an abridged set of Shakespeare's plays which omitted those passages which might offend family propriety thereby making his name literally synonymous with the practice of distorting someone's words In *Word Origins* Cecil Hunt provides fascinating profiles of hundreds of people whose names we use in everyday conversation
