Dwightmare Brian Schmitz,Orlando Sentinel Staff,2012-06-12 As the last seconds ticked down at Bankers Life Fieldhouse in Indianapolis the most bizarre tumultuous and cursed season in the 23 year history of the Orlando Magic mercifully came to an end Coach Stan Van Gundy known to keep coaching until the final buzzer walked to the opposing bench with 10 seconds left in the lopsided playoff elimination game to congratulate young Frank Vogel coach of the Indiana Pacers Even more conspicuous than this rare mid game conciliatory gesture from Van Gundy was the absence of the team s most recognizable talented superstar Dwight Howard Howard had always talked about winning a championship and bringing joy to Orlando Despite this the face of the franchise did not show his face throughout the playoffs opting to undergo three weeks worth of rehabilitation in the Los Angeles area following his season ending back injury This sour finale was an ignominious ending

matched only by this ill fated season s tumultuous beginning Entering training camp after a prolonged off season Howard stunned the team and town by delivering a defiant trade request to Magic management Even more devastating for Magic fans was that this request to be dealt to another team was vividly reminiscent of a similar event from a decade ago when the Magic s last franchise star center Shaquille O Neal abandoned Florida for the Los Angeles Lakers Howard and the Magic for so long seemed like the perfect match and had even grown up together in many ways The 2004 NBA draft brought together a skinny devoutly religious teenage sensation and a squeaky clean family run ownership down on its luck Howard blossomed into a global superstar turning the Magic into contenders The city of Orlando embraced its new happy go lucky hero and fell in love with its basketball team again They were once inseparable as close as a player and a franchise could possibly be in today s NBA What followed was one of the most bizarre reality shows to befall any professional sports team in memory with Howard taking the Magic on a wild emotional and confounding ride There was presidential like flip flopping a near trade an 11th hour reprieve farcical front office fumbling YouTube moments a drunk dialing accusation media shenanigans and one heart attack scare among other things And the soap opera is far from over Follow the Orlando Sentinel s unmatched coverage of this ongoing saga with *Dwightmare* Dwight Howard the Orlando Magic and the Season of Dysfunction From the very beginning of Howard s career through the ouster of coach Stan Van Gundy and general manager Otis Smith this book is the only place where the entirety of this saga s sordid details have been collected analyzed and boiled down to their bare facts *Dwightmare* is a must read for Orlando Magic and basketball fans everywhere *The Story of the Orlando Magic* Lori Dittmer,2010-09 The history of the Orlando Magic professional basketball team from its start in 1989 to today spotlighting the franchise s greatest players and reliving its most dramatic moments Provided by publisher *Extreme Focus* Pat Williams,Jim Denney,2011-04 Everybody has dreams but how many of us get to see our dreams come true Disneyland Starbucks Google the first manned landing on the Moon every novel ever written ever motion picture ever filmed every painting ever created all began as a dream in someone s imagination And all became real through the power of *Extreme Focus* After assembling an NBA championship team in Philadelphia in the 1980s author Pat Williams dreamed of building an NBA expansion team in central Florida the Orlando Magic Applying the same success principles he teaches in *Extreme Focus* Williams achieved that dream For more than two decades the Magic has been rocking the sports world and proving that dreams really do come true through the power of *Extreme Focus* This is not just another collection of rah rah motivational slogans *Extreme Focus* is a practical proven step by step guide to turning dreams into reality written by someone who has been there done that In these pages Pat Williams shows you how to discover and focus on your passion in life how to achieve great things tomorrow by focusing on today how to discipline yourself for success how to increase your courage and confidence and more The principles and stories in *Extreme Focus* will get you off the treadmill of a ho hum life and onto the road to your dreams **Statistical Encyclopedia of North American Professional Sports** K.
