**Oro Electa**,2001      **On the Trail of the Indo-Europeans: From Neolithic Steppe Nomads to Early Civilisations**

Harald Haarmann,2021-01-26 For more than 3000 years Indo European languages have been spoken from India through Persia and into Europe Where are the origins of this language family How and when did its different linguistic branches emerge The renowned historical linguist Harald Haarmann provides a graphic account of what we know today about the origins of Indo European languages and cultures and how they came to be so widely disseminated In this impressive study he succeeds in drawing connections between linguistic findings archaeological discoveries and the latest research into human genetics and climate history In addition to linguistic affinities he shows the economic social and religious concepts that the early speakers of Indo European languages had in common all the way from the Eastern Mediterranean to the Indus

Particular attention is devoted to the processes of assimilation with pre Indo European languages and civilisations The result is a fascinating panorama of early Indo European globalisation from the end of the last ice age to the early civilisations in Greece Italy Asia Minor Persia and India      *Brill's Companion to Ancient Greek and Roman Warfare on Film* ,2023-12-18

Brill s Companion to Ancient Greek and Roman Warfare on Film is the first volume exclusively dedicated to the study of a theme that informs virtually every reimagining of the classical world on the big screen armed conflict Through a vast array of case studies from the silent era to recent years the collection traces cinema s enduring fascination with battles and violence in antiquity and explores the reasons both synchronic and diachronic for the central place that war occupies in celluloid Greece and Rome Situating films in their artistic economic and sociopolitical context the essays cast light on the industrial mechanisms through which the ancient battlefield is refashioned in cinema and investigate why the medium adopts a revisionist approach to textual and visual sources      **Ancient West & East** G.R.
