Government of Her Majesty's Naval Service Great Britain. Admiralty, 1844 **Descendants of Cornelius Comegys in North America** Elma Fraser Perry, Guy Wallis, 2012-03-23 A genealogy of the descendants of Cornelius Comegys *All the World's a Stage* Joann Leonard, 1997 Who Owns the Crown Lands of Hawai'i? Jon M. Van Dyke, 2007-12-31 The 1846 1848 Mahele division transformed the lands of Hawai'i from a shared value into private property but left many issues unresolved Kamehameha III agreed to the Mahele which divided all land among the king the ali'i chiefs and the maka'inana commoners in the hopes of keeping the lands in Hawaiian hands even if a foreign power claimed sovereignty over the Islands The king's share was further divided into Government and Crown Lands the latter managed personally by the ruler until a court decision in 1864 and a statute passed in 1865 declared that they could no longer be bought or sold by the monarch and should be maintained intact for future monarchs After the illegal overthrow of the monarchy in 1893 Government and Crown Lands were joined together and after annexation in 1898 they were managed as a public trust by the United States At statehood in 1959 all but 373 720 acres of Government and Crown Lands were transferred to the State of Hawai'i The legal status of Crown Lands remains controversial and misunderstood to this day In this engrossing work Jon Van Dyke describes and analyzes in detail the complex cultural and legal history of Hawai'i's Crown Lands He argues that these lands must be examined as a separate entity and their unique status recognized Government Lands were created to provide for the needs of the general population Crown Lands were part of the personal domain of Kamehameha III and evolved into a resource designed to support the monarch who in turn supported the Native Hawaiian people The question of who owns Hawai'i's Crown Lands today is of singular importance for Native Hawaiians in their quest for recognition and sovereignty and this volume will become a primary resource on a fundamental issue underlying Native Hawaiian birthrights 64 illus 6 maps

The Queen and I Sydney L. Iaukea, 2012 The Queen and I will be a very important contribution to historical and political literature on early twentieth century Hawai'i But through its intensely personal narrative it could have an even greater impact on the way people look at history Sydney Iaukea weaves archival information into a story about a well known historical figure while demonstrating the impact of these archival voices on herself In this way she binds herself to her ancestor and allows him to speak through her showing how an ancient value can be a new methodology for Native writers in indigenous studies Jonathan Kay Kamakawiwo'ole Osorio author of *Dismembering Lahui: A History of the Hawaiian Nation to 1887* Raised in Maui's housing projects Sydney Iaukea discovers as an adult that she is the direct descendent of Curtis P. Iaukea a prominent statesman and trusted adviser to Queen Lili'uokalani the Hawaiian Kingdom's last ruling monarch In this courageous work she documents her dual quest to recover her lost lineage and her ancestor's historical importance Revealing the continuity between public and private personal and historical Sydney Iaukea's compelling narrative brings her readers face to face with Lili'uokalani during the tragic days of her overthrow Mary Palevsky author of *Atomic Fragments: A Daughter's Questions* For those of us born and raised in Hawai'i Sydney Iaukea's work sheds light on a period of time about

which we still know too little the overthrow of Hawai i s sovereign government and its forcible annexation to the U S This is a compelling narrative driven by the mystery of a girl growing up poor unaware of her distinguished lineage How could this disconnect have occurred Through the exploration of memories embedded in the landscape Iaukea ultimately links displacement dispossession and familial strife to Hawai i s troubled history with the U S Iaukea is to be commended for her honest and open heart Matthew M Hamabata Executive Director The Kohala Center An International Year Book of Child Care and Protection ,1924 **The Mirror** Margaret Safo (Mrs.),2005-09-03 **Queen's Quarterly** ,1908 African Traditional Oral Literature and Visual cultures as Pedagogical Tools in Diverse Classroom Contexts Lewis Asimeng-Boahene,Michael Baffoe,2018-06-01 This book the second in the series is a distinct exploration of how educational policy makers curriculum developers educators learners and social activists can utilize the hitherto untapped rich resource of African traditional oral literature and visual cultures These are epistemological reservoirs and invaluable pedagogical tools in the delivery of content in the classrooms of the present global village most of whom contain diverse student populations from varying backgrounds The content of the book is thus designed to help expand educators repertoire of understanding beyond the hitherto conventional wisdom most of which are either outdated or are colonial impositions on former colonial entities Our motivation for pulling together this anthology was due to the fact scholars educators and educational policy makers have hitherto paid little attention to the epistemological and pedagogical value of Traditional Indigenous Knowledge systems TIKS Our objective has been largely achieved by this anthology in the sense that the research perspectives of the contributors to this effort have enhanced the hitherto limited exposure and knowledge about traditional oral literature and visual cultures in Africa The torch that has been lighted from this endeavor heightens the epistemological and pedagogical implications of TIKS In launching this book we are extending a clarion call to researchers and disciples of Indigenous Knowledge systems in Africa and elsewhere to seize this opportunity and interest generated by this endeavor to undertake more studies in this area Our current efforts were focused mainly on Africa TIKS systems but we strongly believe that there are similar and equally powerful and important TIKS systems in other parts of the world Asia the Far East Central and Southern America as well as the Caribbean that are longing for exploration and exposition It is therefore our fervent hope that exploration and dissemination of knowledge in this field will continue with the flame lighted from this endeavor We believe that these efforts will greatly enhance awareness an otherwise neglected and almost forgotten but important aspects of knowledge creation and dissemination especially about traditional and hitherto unwritten histories and knowledge systems around the world These undertakings will help to broaden the conceptualization of what constitutes global knowledge within the current reality of globalization Christ and Families J.
