Plekhanov In Russian History And Soviet Historiography

D.R. Woolf

Plekhanov In Russian History And Soviet Historiography:

Plekhanov in Russian History and Soviet Historiography Samuel H. Baron, 2010-11-23 Baron brings together eleven articles published between 1958 and 1986 with a new introduction and an autobiographical essay that serves as a coda to the collection. The essays examine Georgi V Plekhanov's ideas about history and their relationship to Soviet historiography, most especially his concept of 'poor primitive Russia' not as a Western feudal society but rather an Oriental despotism and his views on the prospect for socialism in the United States. Baron also includes two pieces that revise his earlier thinking about Plekhanov retracing his steps and exploring paths he neglected in his earlier research for his major biography *Plekhanov: The Father of Russian Marxism* 1963.

The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture Jay Bergman, 2019-08-14 Because they were Marxists, the Bolsheviks in Russia both before and after taking power in 1917 believed that the past was prologue: that embedded in history was a Holy Grail, a series of mysterious but nonetheless accessible and comprehensible universal laws that explained the course of history from beginning to end. Those who understood these laws would be able to mould the future to conform to their own expectations. But what should the Bolsheviks do if their Marxist ideology proved to be either erroneous or insufficient if it could not explain or explain fully the course of events that followed the revolution they carried out in the country they called the Soviet Union? Something else would have to perform this function. The underlying argument of this volume is that the Bolsheviks saw the revolutions in France in 1789, 1830, 1848, and 1871 as supplying practically everything Marxism lacked. In fact, these four events comprised what for the Bolsheviks was a genuine Revolutionary Tradition. The English Revolution and the Puritan Commonwealth of the seventeenth century were not without utility; the Bolsheviks cited them and occasionally utilized them as propaganda, but these paled in comparison to what the revolutions in France offered a century later: namely, legitimacy, inspiration, guidance in constructing socialism and communism, and not least useful fodder for political and personal polemics.

An Intellectual Biography of N.A. Rozhkov John A. González, 2016-09-19 An Intellectual Biography of N. A. Rozhkov is the first English language study to follow Russia's most gifted and important historian to emerge from the school of V. O. Kliuchevskii through the transformative decades that bridged the nineteenth and twentieth centuries. Rozhkov's early philosophical influences are examined to explain his radicalisation from middle class intellectual/academic to Leninist Bolshevik to Menshevik social democrat. His Marxist socialist beliefs landed him in gaol several times and eventually he was exiled to Siberia for a decade where he was able to refine his political worldview and develop his theory of historical development. Critical of Lenin and the 1917 revolution, he spent the last decade of his life being persecuted by the Bolshevik regime.

Writing History in the Soviet Union Arup Banerji, 2017-08-18 The history of the Soviet Union has been charted in several studies over the decades. These depictions, while combining accuracy, elegance, readability, and imaginativeness, have failed to draw attention to the political and academic environment within which these histories were composed. *Writing History in the Soviet Union* Making

the Past Work is aimed at understanding this environment The book seeks to identify the significant hallmarks of the production of Soviet history by Soviet as well as Western historians It traces how the Russian Revolution of 1917 triggered a shift in official policy towards historians and the publication of history textbooks for schools In 1985 the Soviet past was again summoned for polemical revision as part and parcel of an attitude of openness glasnost and in this literary figures joined their energies to those of historians The Communist regime sought to equate the history of the country with that of the Communist Party itself in 1938 and 1962 and this imposed a blanket of conformity on history writing in the Soviet Union The book also surveys the rich abundance of writing the Russian Revolution generated as well as the divergent approaches to the history of the period The conditions for research in Soviet archives are described as an aspect of official monitoring of history writing Another instance of this is the manner by which history textbooks have through the years been withdrawn from schools and others officially nursed into circulation This intervention occasioned in the present circumstance by statements by President Putin himself in the manner in which history is taught in Russian schools continues to this day In other words over the years the regime has always worked to make the past work Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh Sri Lanka

The Russian Revolution and Civil War 1917-1921
Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

A Global Encyclopedia of Historical Writing, Volume 2 D.R. Woolf, 2022-09-30 First published in 1998 Including a wide range of information and recommended for academic libraries this encyclopedia covers historiography and historians from around the world and will be a useful reference to students researchers scholars librarians and the general public who are interested in the writing of history Volume II covers entries from K to Z

The University of Michigan Library Newsletter, 1995 **The Communist International and US Communism, 1919-1929** Jacob Zumoff, 2014-08-21 Since the Cold War most historians have set up an opposition between the American and international aspects of early American Communism This book examines the development of the Communist Party in its first decade from 1919 to 1929 Using the archives of the Communist International this book in contrast to previous studies argues that the International played an important role in the early part of this decade in forcing the party to Americanise Special attention is given to the attempts by the Comintern to orient American Communists on the

role of black oppression and to see the struggle for black liberation and the fight for socialism as inextricably linked. The later sections of the book provide the most detailed account now available of how the Comintern reflecting the Stalinisation of the Soviet Union intervened in the American party to ensure the Stalinisation of American Communism. **Adventures in Russian Historical Research** Samuel H. Baron, Cathy Frierson, 2015-04-08 American historians of Russia have always been an intrepid lot. Their research trips were spent not in Cambridge or Paris, Rome or Berlin but in Soviet dormitories with official monitors. They were seeking access to a historical record that was purposefully shrouded in secrecy, boxed up and locked away in closed archives. Their efforts indeed, their curiosity itself sometimes raised suspicion at home as well as in a Soviet Union that did not want to be known even while it felt misunderstood. This lively volume brings together the reflections of twenty leading specialists on Russian history representing four generations. They relate their experiences as historians and researchers in Russia from the first academic exchanges in the 1950s through the Cold War years, detente, glasnost and the first post-Soviet decade. Their often moving, acutely observed stories of Russian academic life record dramatic change both in the historical profession and in the society that they have devoted their careers to understanding. *Socialists and International Actions for Peace 1914-1923* Masao Nishikawa, 2010-10-21 The analyses and accounts of the history of the Second International often go up to 1914, the year its anti-war efforts were to prove futile. All actions of the socialists during World War I were discussed in the context of the pathway to the Third International. The author aims to present a somewhat different picture from existing views by examining the thoughts and actions of socialists in the years 1914-1923 beyond the framework of whether they supported or opposed the Third International. He describes what circumstances led to the formation of communism and social democracy which divided in two the international socialist movement for almost 70 years, paying attention to various issues deeply involved in international and domestic politics as well as in the socialist movement. Masao Nishikawa taught western history at the Tokyo Women's Christian College 1966-1968, the University of Tokyo 1968-1994 and Senshu University 1994-2004. He was visiting professor at Ruhr University Bochum 1976-1977 and Bremen University 1988-1989. Upon retirement he was made professor emeritus at the University of Tokyo. He had a worldwide fame as a specialist of international socialist movements. **Essays in Russian and Soviet History in Honor of Geroid Tanquary Robinson** Curtiss, 2023-04-17 Internal Colonization Alexander Etkind, 2013-04-29 This book gives a radically new reading of Russia's cultural history. Alexander Etkind traces how the Russian Empire conquered foreign territories and domesticated its own heartlands, thereby colonizing many peoples Russians included. This vision of colonization as simultaneously internal and external, colonizing one's own people as well as others, is crucial for scholars of empire, colonialism and globalization. Starting with the fur trade which shaped its enormous territory and ending with Russia's collapse in 1917, Etkind explores serfdom, the peasant commune and other institutions of internal colonization. His account brings out the formative role of foreign colonies in Russia, the self-colonizing discourse of Russian classical historiography and the

revolutionary leaders illusory hopes for an alliance with the exotic pacifist sectarians Transcending the boundaries between history and literature Etkind examines striking writings about Russia imperial experience from Defoe to Tolstoy and from Gogol to Conrad This path breaking book blends together historical theoretical and literary analysis in a highly original way It will be essential reading for students of Russian history and literature and for anyone interested in the literary and cultural aspects of colonization and its aftermath

Historical Sociology and Eastern European Development Arne

Kommisrud, 2009-06-16 An innovator in theoretical approaches in the social sciences Stein Rokkan developed general models developmental models and conceptual maps that specified the main variables and important relationships in European political history In Historical Sociology Arne Kommisrud tests these general hypotheses against specific historical and regional contexts He uses the case of Eastern Europe after the downfall of the Berlin Wall to extend the geography of the model's range and introduces possibilities for theoretical modification through an analysis of sequential interactions Covering a period from the Middle Ages through the 1990s and addressing phenomena overlooked by Rokkan such as statebuilding and nationalism this book demonstrates that Rokkan's models continue to be relevant to modern political science and sociology Kommisrud's study is a valuable contribution to Rokkanian approaches and the understanding of Eastern European development within the historical and geographic context of Europe as a whole

Return to the NEP

Oscar J. Bandelin, 2002-12-30 No scholar denies Mikhail S Gorbachev's role in developing a new approach to Soviet socialism but most writers emphasize the radical departure from traditional Soviet ideology that perestroika seemed to represent This work presents perestroika as part of the continuum of European intellectual history It examines the sources of Gorbachev's thinking and action in 19th century thought the development of Russian Marxism through the intellectual crisis at the turn of the 20th century the pragmatic and philosophical challenges to the Marxist Leninist paradigm Stalinism and its critics and reform Communism in post World War II Eastern Europe Against this background the book argues that the decline and fall of Soviet Communism was much more deeply connected with ideological issues than most scholars have realized Bandelin presents fresh analyses of the impacts of major works and ideas such as Lenin's Materialism and Empirio Criticism the neglected Marxian concept of the Asiatic mode of production and the underlying relationship of East European reform Communism to perestroika He analyzes the major intellectual trends of perestroika in terms of these and other currents This study offers a perspective that challenges most of current scholarship on the issues it raises suggests new avenues for research and contributes to a broader overall understanding of the problems of Soviet socialism and Gorbachev's effort to solve them

In Defense of Leon Trotsky David North, 2010

Gender, Class, and the Professionalization of Russian

City Teachers, 1860-1914 Christine Ruane, 2010-11-23 Christine Ruane examines the issues of gender and class in the teaching profession of late imperial Russia at a time when the vocation was becoming increasingly feminized in a zealously patriarchal society Teaching was the first profession open to women in the 1870s and by the end of the century almost half of

all Russian teachers were female Yet the notion that mothers had a natural affinity for teaching was paradoxically matched by formal and informal bans against married women in the classroom Ruane reveals not only the patriarchal rationale but also how women teachers viewed their public roles and worked to reverse the marriage ban Ruane s research and insightful analysis broadens our knowledge of an emerging professional class especially newly educated and emancipated women during Russia s transition to a more modern society

The New Palgrave Dictionary of Economics ,2016-05-18 The award winning The New Palgrave Dictionary of Economics 2nd edition is now available as a dynamic online resource Consisting of over 1 900 articles written by leading figures in the field including Nobel prize winners this is the definitive scholarly reference work for a new generation of economists Regularly updated This product is a subscription based product

Parables from the Past Joseph P. Mozur Jr.,2017-12-20 James Mozur traces the development of Chingiz Aitmatov s fiction from the early 1950s through the mid 1970s including Farewell Gul sary The White Ship The Day Lasts More Than a Hundred Years and The Place of the Skull He discusses each major work against the political and cultural background in which it was created and thereby widens our understanding of post Stalinist Soviet literature Chingiz Aitmatov was born in Kirghizstan in 1928 and published his first stories in the 1950s in both Russian and Kirghiz He soon took his place as spokesman for the progressive wing of official Soviet Russian literature striving for greater openness in Soviet letters and for a new approach toward diverse nationalities Unlike many other writers Aitmatov continued to flourish in the cultural tumult following the collapse of the communist state being appointed to government posts by Gorbachev and becoming Soviet ambassador to Luxembourg in 1991

Plekhanov In Russian History And Soviet Historiography Introduction

In today's digital age, the availability of Plekhanov In Russian History And Soviet Historiography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Plekhanov In Russian History And Soviet Historiography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Plekhanov In Russian History And Soviet Historiography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Plekhanov In Russian History And Soviet Historiography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Plekhanov In Russian History And Soviet Historiography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Plekhanov In Russian History And Soviet Historiography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Plekhanov In Russian History And Soviet Historiography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Plekhanov In Russian History And Soviet Historiography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Plekhanov In Russian History And Soviet Historiography books and manuals for download and embark on your journey of knowledge?

FAQs About Plekhanov In Russian History And Soviet Historiography Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Plekhanov In Russian History And Soviet Historiography is one of the best book in our library for free trial. We provide copy of Plekhanov In Russian History And Soviet Historiography in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Plekhanov In Russian History And Soviet Historiography. Where to download Plekhanov In Russian History And Soviet Historiography online for free? Are you looking for Plekhanov In Russian History And Soviet Historiography PDF? This is definitely going to save you time and cash in something you should think about.
