Ancient Letters and the Purpose of Romans Aaron Ricker, 2020-09-17 Aaron Ricker locates the purpose of Romans in its function as a tool of community identity definition Ricker employs a comparative analysis of the ways in which community identity definition is performed in first century association culture including several ancient network letters comparable to Romans Ricker's examination of the community advice found in Rom 12-15 reveals in this new context an ancient example of the ways in which an inscribed addressee community can be invited in a letter to see and comport itself as a proper association network community The ideal community addressed in the letter to the Romans is defined as properly unified and orderly as well as accommodating to and clearly distinct from cultures outside Finally it is defined as linked to a proper network with recognised leadership i.e. the inscribed Paul of the letter and his network Paul's letter to the Romans is in many ways a baffling and extraordinary document In terms of its community defining functions and strategies however Ricker shows its purpose to be perfectly clear and understandable

Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain

Stowers, 1986-01-01 Making use of letters both formal and personal that have been preserved through the ages Stanley Stowers analyzes the cultural setting within which Christianity arose The Library of Early Christianity is a series of eight outstanding books exploring the Jewish and Greco-Roman contexts in which the New Testament developed

The Letter to the Romans Stanley E. Porter, Francis G. H. Pang, 2018-05-24 Written at a time when his ideas and practices were provoking opposition even from fellow Christians the Apostle Paul articulates in his Letter to the Romans his understanding of God's plan for humanity and discusses the implications of this plan for different groups of people Romans is considered by many as the most theologically significant and sophisticated book of the Bible This volume is designed to bridge the gap between studying Romans as an academic enterprise and experiencing how Romans can speak today in the life of the church All of the chapters in this volume especially those devoted to the content of Romans were written with both exegesis and application in mind All of the contributors to this volume believe that Romans has a crucial voice within the church today and that those who preach teach and study the book need to be attentive to its witness and to its timeliness

Unlocking Romans J.R. Daniel Kirk, 2008-11-03 If the God of Israel has acted to save his people through Christ but Israel is not participating in that salvation how then can this God be considered righteous Unlocking Romans is directed in large extent toward answering this

question in order to illuminate the righteousness of God as revealed in the book of Romans The answer here J R Daniel Kirk claims comes mainly in terms of resurrection Even if only the most obvious references in Romans are considered and Kirk certainly delves more deeply than that the theme of resurrection appears not only in every section of the letter but also at climactic moments of Paul s argument The network of connections among Jesus resurrection Israel s Scriptures and redefining the people of God serves to affirm God s fidelity to Israel This in turn demonstrates Paul s gospel message to be a witness to the revelation of the righteousness of God *Paul and the Ancient Letter Form* Stanley E. Porter, Sean A.

Adams, 2010-03-22 Throughout the last century there has been continuous study of Paul as a writer of letters Although this fact was acknowledged by previous generations of scholars it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to be applied to the study of the letters of the New Testament This volume seeks to advance the discussion of Paul s relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components These features are evaluated alongside Paul s letters to better understand Paul s use and adaptations of these traditions in order to meet his communicative needs Letters & Lettering Frank Chouteau Brown, 1902 **Letters and Lettering** Frank Chouteau Brown, 1921 **Western Confectioner**, 1927

Paul's Letter to the Philippians in the Light of Disunity in the Church Davorin Peterlin, 2014-04-09 This volume discusses the development of disunity in the Philippian church as the occasion for Paul s response in his letter The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul It demonstrates the pervasiveness of the theme of disunity in most sections of the letter The second part correlates these findings with sections of the letter dealing with the Philippians financial support for Paul It treats such topics as Paul s attitude to money and the sociological composition of the church The book s aim is to draw attention to social and non theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians Paul's Letter to the Romans
