James,2016-10-31 Art in England fills a void in the scholarship of both English and medieval art by offering the first single volume overview of artistic movements in Medieval and Early Renaissance England Grounded in history and using the chronology of the reign of monarchs as a structure it is contextual and comprehensive revealing unobserved threads of continuity patterns of intention and unique qualities that run through English art of the medieval millennium By placing the English movement in a European context this book brings to light many ingenious innovations that focused studies tend not to recognize and offers a fresh look at the movement as a whole The media studied include architecture and related sculpture both ecclesiastical and secular tomb monuments murals panel paintings altarpieces and portraits manuscript illuminations textiles and art by English artists and by foreign artists commissioned by English patrons **Bully Beef & Balderdash** Graham Wilson,2012-03-15 The Australian Imperial Force first raised in 1914 for overseas war service became better known by its initials the AIF There was a distinct character to those who enlisted in the earliest months and who were destined to fight on Gallipoli During the war the AIF took its place among the great armies of the world on some of history's oldest battlefields The Australians would attack at the Dardanelles enter Jerusalem and Damascus defend Amiens and Ypres and swagger through the streets of Cairo Paris and London with their distinctive slouch hats and comparative wealth of six shillings per day However the legend of the AIF is shrouded in myth and mystery Was Beersheba the last great cavalry charge in history Did the AIF storm the red light district of Cairo and burn it to ground while fighting running battles with the military police Was the AIF the only all volunteer army of World War I Graham Wilson's Bully Beef and Balderdash shines an unforgiving light on these and other well known myths of the AIF in World War I arguing that these spectacular legends simply serve to diminish the hard won reputation of the AIF as a fighting force Graham Wilson mounts his own campaign to rehabilitate the historical reputation of the force and to demonstrate that misleading and inaccurate embellishment does nothing but hide the true story of Australia's World War I fighting army Bully Beef and Balderdash deliberately tilts at some well loved windmills and for those who cherish the mythical story of the AIF this will not be comfortable reading Yet given the extraordinary truth of the AIF's
