Gothic romance adding suspense and sensibility to give the genre a respectability and widespread popularity that it had never previously enjoyed Strangely she travelled little her only journey abroad to Holland and Germany was made in 1794 after most of her novels had been published It is said many of her beautiful descriptions come from paintings that others painted of the scenes There is no explanation for why at the age of thirty two the most popular writer of her times stopped publishing though there is a vast amount of speculation many years prior to her death on 7th February 1823
