Koebel,1914 *Argentinean Literary Orientalism* Axel Gasquet,2020-11-24 This book examines the modes of representation of the East in Argentinean literature since the country's independence in works by canonical authors such as Esteban Echeverría Juan B Alberdi Domingo F Sarmiento Lucio V Mansilla Pastor S Obligado Eduardo F Wilde Leopoldo Lugones and Roberto Arlt The East which has always fascinated intellectuals and artists from the Americas inspired the creation of imaginary elements for both aesthetic and political purposes from the depiction of purportedly despotic rulers to a genuine admiration for Eastern history and millennial cultures These writers appropriated the East either through their travels or by reading chronicles integrating along the way images that would end up being universalized by the Argentinean dichotomy between civilization and barbarism all the while assigning the negative stereotypes of the exotic East to the Pampa region With time the exoticism of the Eastern world would shed its geopolitical meaning and was ultimately integrated into the national literature thus adding new elements into the Argentinean imaginary **Transactions of the Geological Society of London: S.2: Vol. 1-5** ,1819 **Romance literature pamphlets** ,1941 The New Latin America Jacob Warshaw,1922 **The Publisher** ,1905 **Book Auction Records** Frank Karslake,1922 A priced and annotated annual record of international book auctions **The Publishers' Circular and Booksellers' Record** ,1919
