Hartman,2000-09-27 This book offers the reader step by step instructions on numerous ways to set up romantic adventures These wonderful romantic adventures are presented in a recipe format for ease of use All the necessary ingredients are offered first and then followed by an explanation of how to put it all together for that memorable romantic interlude with your lover To further enhance these romantic endeavors there is a romantic food section included This is an offering of simple and very man proof recipes to set the stage for romantic adventures at their finest Food and drink has always played a part in many romantic adventures and settings through out the history of our world *Cyberpl@y* Brenda Danet,2020-05-28 The Internet is changing the way we communicate As a cross between letter writing and conversation email has altered traditional letter writing conventions Websites and chat rooms have made visual aspects of written communication of greater importance arguably than ever before New communication codes continue to evolve with unprecedented speed This book explores playfulness and artfulness in digital writing and communication and answers penetrating questions about this new medium Under what conditions do old letter writing norms continue to be important even in email Digital greetings are changing the way we celebrate special occasions and public holidays but will they take the place of paper postcards and greeting cards The author also looks at how new art forms such as virtual theatre ASCII art and digital folk art on IRC are flourishing and how many people collect and display digital fonts on handsome Websites or even design their own Intended as a time capsule documenting developments online in the mid to late 1990s when the Internet became a mass medium this book treats the computer as an expressive instrument fostering new forms of creativity and popular culture *Love American Style* Kimberly A. Freeman,2003 A popular subject in sociology and cultural studies divorce has been overlooked by literary critics Spanning nearly a century during which the divorce rate skyrocketed this study traces the treatment of divorce in the American novel **The United States Catalog**

,1928 *Christmas in America* Penne L. Restad,1996-12-05 The manger or Macy's Americans might well wonder which is the real shrine of Christmas as they take part each year in a mix of churchgoing shopping and family togetherness But the history of Christmas cannot be summed up so easily as the commercialization of a sacred day As Penne Restad reveals in this marvelous new book it has always been an ambiguous meld of sacred thoughts and worldly actions as well as a fascinating reflection of our changing society In *Christmas in America* Restad brilliantly captures the rise and transformation of our most universal national holiday In colonial times it was celebrated either as an utterly solemn or a wildly social event if it was celebrated at all Virginians hunted danced and feasted City dwellers flooded the streets in raucous demonstrations Puritan New Englanders denounced the whole affair Restad shows that as times changed Christmas changed and grew in popularity In the early 1800s New York served as an epicenter of the newly emerging holiday drawing on its roots as a Dutch colony St Nicholas was particularly popular in the Netherlands even after the Reformation and aided by such men as Washington Irving In 1822 another New Yorker named Clement Clarke Moore penned a poem now known as 'Twas the Night Before Christmas virtually inventing the modern Santa Claus Well to do townspeople displayed a German novelty the decorated fir tree in their parlors an enterprising printer discovered the money to be made from Christmas cards and a hodgepodge of year end celebrations began to coalesce around December 25 and the figure of Santa The homecoming significance of the holiday increased with the Civil War and by the end of the nineteenth century a full fledged national holiday had materialized forged out of borrowed and invented custom alike and driven by a passion for gift giving In the twentieth century Christmas seeped into every niche of our conscious and unconscious lives to become a festival of epic proportions Indeed Restad carries the story through to our own time unwrapping the messages hidden inside countless movies books and television shows revealing the inescapable presence and ambiguous meaning of Christmas in contemporary culture Filled with colorful detail and shining insight *Christmas in America* reveals not only much about the emergence of the holiday but also what our celebrations tell us about ourselves From drunken revelry along colonial curbstones to family rituals around the tree from Thomas Nast drawing the semiofficial portrait of St Nick to the making of the film *Home Alone* Restad's sparkling account offers much to amuse and ponder

**A Token of My Affection** Barry Shank,2004 For more than 150 years greeting cards have tapped into and organized a shared language of love affection and kinship becoming an integral part of American life and culture Sumptuously illustrated *A Token of My Affection* follows the evolution of the modern greeting card industry from a traditional printing and stationery business in the mid nineteenth century to the multibillion dollar industry it is today Blending archival research in business history with a study of surviving artifacts and a literary analysis of a range of relevant texts and primary sources Barry Shank demonstrates how greeting cards have affected and defined experiences of status longing desire social connectedness and love Fascinating and surprising *A Token of My Affection* shows what an industry devoted to emotional sincerity means for the lives of all Americans
