## **Romans Grace Truth Redemption:**

*Romans* John F. MacArthur, 2015-11-03 Paul's letter to the Romans is an inspired masterpiece of doctrine highlighting God's grace, truth, and redemption. Pastor John MacArthur will take you through the book passage by passage so that you can better understand everything from the cultural context to Paul's theological points. Within the pages of *Romans*, the apostle Paul powerfully shares his message of good news and eternal salvation with the church, advises believers on theological truths, gives practical applications for living the Christian life, and shows how God's righteousness comes by grace alone through faith in Christ. The book of *Romans* underscores that Christianity is far more than just a doctrine; it is an essential road map for daily living.

*Romans* John MacArthur, 2007      ***Romans*** John MacArthur, 2006-06-13 Revised and updated the MacArthur Study Guide Series continues to be one of the best-selling study guide series on the market today. For small group to individual use, intriguing questions and new material take the participant deeper into God's Word.

*Eternal Truth* Rear Admiral Joseph H. Miller, 2015-09-25 We must discover the real world. All generations are struggling for truth. Truth is our heritage and gift to the next generation, so we must support education for all people. Some generations have essentially halted progress, and others are making progress only because of a few. In our world, we must proclaim religious and free speech. The concept of human liberty is more than 4,000 years old and is repeated by Christ Himself. We must dare to read, think, speak, and write the truth. Truth is not only violated by falsehood but also by silence. Ignorance produces the work of monsters. Ignorance is not bliss; it is oblivion. Ignorance is sin, not innocence. Man is what he believes; coated by either truth or ignorance. Truth demands a basic standard of living for the masses to ensure security and freedom for their development. Man is master of his fate, but he must seek the truth. Truth is on the march, and nothing can stop it.

***Life Changing Truth*** Diane J. Rigtters, 2023-12-08 This book is understandable, inspiring, and pleasant to read. It is about a self-proclaimed atheist who believed that God was a myth until someone shared the Gospel of Jesus Christ with her. She then got convicted of sin, righteousness, and judgment. So her faith journey began. At one point, she was no longer content with her relationship with Lord Jesus; therefore, she longed to get closer to Him. Out of her desire, the Holy Spirit inspired her to write about His boundless grace, something she vaguely knew. She consciously started recognizing and experiencing God's grace. During her faith journey, she began rediscovering who Jesus Christ is and more revelation of His inexhaustible agape love. The author gives a concise and refreshed description of the many facets of what divine grace is all about. She describes these

characteristics and attributes of God vividly and with such a conviction that the reader's heart will long and ache at the same time to know more about Lord Jesus Christ. She believes that divine grace is no longer just a word from the Good Book or a powerless theological doctrine but is the person of Jesus Christ Who restores and changes lives. The book invites you to deepen your relationship with God Almighty while reclaiming the manifold glory of His grace. *The Triple Cord Or a Treatise Prouing the Truth of the Roman Religion by Sacred Scriptures Taken in the Literall Sense* Lawrence Anderton, 1634

*At Home and Abroad* Elizabeth Shakman Hurd, Winnifred Fallers Sullivan, 2021-03-02 From right to left notions of religion and religious freedom are fundamental to how many Americans have understood their country and themselves. Ideas of religion, politics, and the interplay between them are no less crucial to how the United States has engaged with the world beyond its borders. Yet scholarship on American religion tends to bracket the domestic and foreign despite the fact that assumptions about the differences between ourselves and others deeply shape American religious categories and identities. *At Home and Abroad* bridges the divide in the study of American religion, law, and politics between domestic and international, bringing together diverse and distinguished authors from religious studies, law, American studies, sociology, history, and political science to explore interrelations across conceptual and political boundaries. They bring into sharp focus the ideas, people, and institutions that provide links between domestic and foreign religious politics and policies. Contributors break down the categories of domestic and foreign and inquire into how these taxonomies are related to other axes of discrimination, asking questions such as: What and who counts as home or abroad? how and by whom are these determinations made and with what consequences? Offering a new approach to theorizing the politics of religion in the context of the American nation-state, *At Home and Abroad* also interrogates American religious exceptionalism and illuminates imperial dynamics beyond the United States. **The Triple Cord Or A Treatise Prouing the Truth of the Roman Religion, by Sacred Scriptures, Etc. **Twelve Ordinary Men Workbook, Revised and Updated** John F. MacArthur, 2025-06-10 If Jesus Used These Men, He Can Also Use You. They weren't saints. They weren't scholars. They weren't even religious sages. What is most amazing about the disciples is that Jesus ever selected them at all. Among them, a handful of common fishermen, a hated tax collector, and an impulsive political zealot. The Twelve Ordinary Men Workbook brings you face to face with the disciples as you've never seen them. You'll put yourself in their shoes. You'll understand their doubts and hopes. And you'll hear the power of Jesus' words in a whole new way. The message is clear: If Christ can accomplish His purposes through the lives of common men like these, imagine what He has in store for you. Based on John MacArthur's bestselling book of the same name, this revised and updated edition of the workbook includes biblical studies of each disciple, thought-provoking questions, and life application assignments. Lessons include: The Men Jesus Called, Outstandingly Ordinary Peter, The Unlikely Leader Andrew, The Apostle of Small Things James, The Apostle of Passion John, The Apostle of Love Philip, The Bean Counter Nathanael, The Guileless One.

**The Gospel Truth Of The Bible: The Other Sheep** Maurice Caines,2017-05-04 As we look to the Bible for all the answers we need I discovered that there are two distinct laws which has caused confusion to almost the whole world throughout Christendom These two laws are 1 the Holy Law of God and 2 the Ceremonial laws of Moses Scriptures revealed that God gave Moses the instruction to write the Ceremonial laws that were in a book But God wrote his Holy Law the Ten Commandments with his fingers on two tables of stones Then God s Law was place inside the Ark of the Covenant Moses laws were on the outside of the Ark of the Covenant also within the Most Holy Place of the tabernacle on earth This earthly tabernacle was a replica of

the Heavenly Sanctuary Moses laws were contained in the hand writings of ordinances as obtained in commandments which consists of sabbath days feasts days holy days and new moon None of which had anything to do with the nature of God s Holy Law that also contains God s holy Sabbath Day which was designed for us in the atmosphere of worship at creation It s these ceremonial laws of Moses that did not make anything perfect These are the same laws which were nailed to the cross and were abolished by Christ death on the cross They were taken out of the way through the recompense of the consequence of sin Eph 2 15 Heb 7 19 Col 2 14 16 Lev 1 1 3 Deut 31 24 26 Not only is the Holy Law of God eternal holy perfect just and good it will stand fast forever and ever It is called the Royal Law Christ did not destroy it but provided it with magnification of its divine purpose God s Law will continue to give the knowledge of sin because without it there can be no grace Therefore the lingering presence of sin will always be the result of transgressing God s Holy Law James 2 8 Rom 3 20 7 7 Matt 5 7 Heb 9 4 Psalms 19 7 111 7 8 And this is the Gospel Truth of the Bible      **Vital Truth and Precepts** Felix Amiri,2008-12 Synopsis Free Study Guide Additional Retailers Dare to think beyond the ordinary and live above mere existence An old hymn by William P Merrill calls us to rise up and have done with lesser things emphasis added We must awaken to what is happening in our world and flee from folly Escaping the seductive embrace of worldliness requires us to be vigilant We must shun all distractions deception and alluring digressions Like repentant prodigals we need to persistently run to our Father s protective and loving embrace Even our temporal survival depends on this It is a sad reality today that while many disregard God others are misinformed about him There is widespread digression from the truth Each of these abnormalities leads to serious consequences Hence we must flee to God This book discusses God s supremacy sovereignty and absolute attributes God s purpose for his creation mankind s fall individual culpability God s grace and salvation through Jesus Christ are examined Among the key convictions conveyed is the fact that true liberation comes only from an obedient response to the transcendent supremacy and will of God One cannot properly glorify God without a correct understanding and application of the truth Therefore seeking the truth is the most prudent engagement for mankind All are called upon to appropriately respond to God For some this book may be the beginning of a long term exploration For others it may serve as the encouragement to continue in their commitment to the truth Vital Truth and Precepts could serve as a resource for personal or group study It provides useful teaching or study content for Sunday school teachers as well as for professors and students in bible colleges and seminaries New Christians and even people who are not followers of Christ might find it helpful in understanding the Christian faith If you would like to read a synopsis of each chapter go to Synopsis If you have purchased this book and would like a free electronic copy of the study guide go to Free Study Guide Compare prices at Retailers
