Harrison, 2020-06-22 Paul's letter to the Romans has a long history in Christian dogmatic battles But how might the letter have been heard by an audience in Neronian Rome James R Harrison answers that question through a reader response approach grounded in deep investigations of the material and ideological culture of the city from Augustus to Nero Inscriptional archaeological monumental and numismatic evidence in addition to a breadth of literary material allows him to describe the ideological value system of the Julio Claudian world which would have shaped the perceptions and expectations of Paul's readers Throughout Harrison sets prominent Pauline themes his obligation to Greeks and barbarians newness of life and of creation against the power of death the body of Christ boasting in glory and God's purpose in and for Israel in startling juxtaposition with Roman ideological themes The result is a richer and more complex understanding of the letter's argument and its possible significance for contemporary readers Holy Gravity Laura Jackson, 2023-07-03 Have you heard people say

Fearing God doesn't mean to be afraid of Him but to be in awe of Him and revere Him I have too But what if it's more than that And what if this fear can change our lives We are living in dark chaotic times where sin is raging in the world and our hearts Even many in churches who say they love God are fighting habitual sins What if our sin problem is a fear problem In my grief I searched Scripture asking the Lord for a deeper understanding of the fear of God He revealed a powerful point of clarification fearing God is not only a mindset but a way of life It's not just how we feel or what we think about God but how we respond visibly to His glory With Scripture as its foundation and authority Holy Gravity explores the connection between our sanctification and the fear of God God's people are to be set apart our greatest distinction from the world is our fear of God manifested in holy living Through a relationship with Jesus Christ God frees us from sin maturing us by the Holy Spirit in visible ways In this place of God focused fear we can offer the hope of Christ to the world and one another I pray you will find that God intends our fear of Him to transform our lives and make us holy Fear God and keep his commandments for this is the whole duty of man Ecclesiastes 12:13

**Five Foundations of Human Development** Errol A. Gibbs, Philip A. Grey, 2011-06-08 *Five Foundations of Human Development* FFHD is a philosophical religious and practical discourse on human development based on the following five foundations Spiritual Moral Social Intellectual and Physical The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow Spiritual Intelligence to underpin human intelligence as our capable guide The indomitable spirit within human beings that brought civilization out of the Dark Ages and into an Age of Enlightenment demonstrates our capacity to transcend moral hope and optimism for a better world with peaceful coexistence among individuals families and nations This book will help inform enlighten and empower individuals and leaders in such fields as engineering science religion politics the military and other great institutions to engender solutions to the myriad of unsolved problems of past centuries problems of the present and emerging problems of the future Problems such as wars genocide greed and the exploitation of human beings begin within our destructive spiritual nature and manifest in the physical nature Therefore solutions also lie in the spiritual realm as a counterbalance to the natural realm of human existence FFHD is a blueprint for human survival based on adherence to physical laws and spiritual laws that transcend a belief in an omnipotent all powerful

omnipresent everywhere and omniscient all knowing being It will awaken the conscience to comprehend the lifethreatening issues that face humankind The solutions therefore cannot merely be left only to the educated elite the military forces and those in high public and private office The global significance of this book is that it informs a more communal view of our world It is the only perspective that will allow us to enter the global village prepared for the racial social cultural environmental and economic challenges that lie ahead *Christlike Acceptance across Deep Difference* Ronald W.

Pierce, Karen R. Keen, 2025-08-26 Has your faith community been torn apart over sexuality and gender While affirming and traditionalist Christians wage culture wars many believers have left the church entirely because of disputes over how to best respond to LGBTQ people Ronald Pierce and Karen Keen show readers a different way to approach the controversy In *Christlike Acceptance across Deep Difference* they bring together a broad range of contributors scholarly and pastoral affirming and traditionalist evangelical mainline and Catholic who demonstrate a more constructive response to LGBTQ concerns Despite their differences the contributors unite in their commitment to biblical authority and Christlike love of neighbor They invite the church to join them in this new and better way This book offers fresh readings of Scripture models of respectful dialogue and first person insights into ministering to LGBTQ people Perfect for pastors church leaders and any Christian worried about polarization this timely volume shows readers how to forge a future shaped by Christlike acceptance

**Suffering in Romans** Siu Fung Wu, 2016-02-25 Most of the Jesus followers in Rome would have been familiar with socioeconomic hardship Suffering was a daily reality either for themselves or for someone they knew Many lived below or just above subsistence level Some were slaves homeless or chronically sick Followers of Christ might have experienced persecution because of their refusal to take part in the local religious festivals Suffering is of course a significant theme in Romans 5 1 11 and 8 17 18 39 Paul mentions various types of affliction many times in these texts How might Paul's audience have understood them In *Suffering in Romans* Siu Fung Wu argues that Paul speaks of the vocation of the Jesus followers to participate in Christ's suffering with the purpose that they may be glorified with him Indeed their identification with Christ's suffering is an integral part of God's project of transforming humanity and renewing creation It is in their faithful suffering that Christ followers participate in God's triumph over evil This is counter intuitive because most people think that victory is won by power and strength Yet the children of God partake in his cosmic victory by their suffering aided by the Spirit and the hope of glory

Modica, 2023-12-20 Romans is the most influential New Testament book in the history of Christian theology it has shaped Christian theology how the gospel is framed and how the Christian life is understood Preaching Romans for many pastors is the climactic text for a preaching career There are perspectives e g reformed new apocalyptic participationist among others on Romans but not all of them are known by most and too many of them not known at all We want to help rectify this by giving voice to those who have been too often voiceless

**Paul's Language of Grace in its Graeco-Roman Context** James R. Harrison, 2017-01-03 Paul s Language of Grace in Its Graeco Roman Context was originally published by Mohr Siebeck in 2003 and is now reprinted by Wipf and Stock with a new introduction by its author James R Harrison The book was the first major investigation of charis grace favor in its social political and religious context since G P Wetter s pioneering 1913 monograph on the topic Focusing on the evidence of the inscriptions papyri philosophers and Greek Jewish literature Harrison examined the operations of the eastern Mediterranean benefaction system probing the dynamic of reciprocity

between the beneficiary and benefactor whether human or divine Before Paul's converts were first exposed to the gospel they would have held a variety of beliefs regarding the beneficence of the gods The apostle therefore needed to tailor his language of grace as much to the theological and social concerns of the Mediterranean city states in his missionary outreach as to the variegated traditions of first century Judaism In terms of human grace although Paul endorses the reciprocity system he redefines its rationale in light of the gospel of grace and transforms its social expression in his house churches The explosion of grace language that occurs in 2 Corinthians 8-9 regarding the Jerusalem collection is unusual in its frequency in comparison to the honorific inscriptions underscoring the apostle's distinctive approach to giving Regarding divine beneficence Paul accommodates his gospel to contemporary benefaction idiom But he retains a distinctiveness of viewpoint regarding divine charis it is non cultic it is mediated through a dishonored and impoverished Benefactor it overturns the do ut des expectation I give so that you may give regarding divine blessing in antiquity Harrison's book still remains the authoritative coverage of the Graeco Roman context of charis
