The Parting of the Ways Stephen Spence, 2004. This book seeks to inject into the general discussion of the Parting of the Ways of Judaism and Christianity the social realities of the separation of a particular Christian community and a particular Jewish community. By drawing upon the literary and the historical data available concerning the church in Rome, Spence seeks to discover when and how Christians came to see themselves as an identifiably distinct community. His findings will surprise those who see the Parting of the Ways as a slow process. He argues that although the parting was early, it was not without its complications. Drawing upon the work of Rodney Stark, a sociologist of religion, Spence suggests that within the church in Rome there was a struggle between those who saw the church as a Jewish sect and those who saw the church as a Roman cult, a struggle already underway when the Apostle Paul wrote Romans. This struggle, however, was not an even one because it was the cultists, those for whom the church's primary social location was the pagans of Rome who held the positions of power over the numerically smaller sectarians who sought to maintain the church's primary identity as a Jewish sect acceptable within the synagogues of Rome.

Knight,2010 Romans is one of the few books in the New Testament that was not composed as a pastoral response to specific localized problems Instead this letter was written primarily to challenge and ultimately correct widespread misunderstandings about Christianity held by mid first century believers Some of these beliefs are embraced even now Paul's central focus in Romans is the means of obtaining salvation Point by point he systematically builds his case by articulating who needs salvation and why the role of the law God's response to the sin problem resolution of the legal issues presented by sin and the effect each has on the Christian's life This devotional commentary divides the entire text into short passages that are followed by a detailed user friendly exegetical explanation and practical application to everyday life The lives of such men as Martin Luther and John Wesley whose writings helped shape Western history were changed by the study of Romans It will change your life as well Book jacket *Greeks,*
