ROMANTIC OPERA  
AND LITERARY FORM

A QUANTUM BOOK

# Romantic Opera And Literary Form

**Richard Dellamora, Daniel Fischlin**

## **Romantic Opera And Literary Form:**

Romantic Opera and Literary Form Peter Conrad, 1977-01-01 Romantic Opera and Literary Form is a provocative and provoking book on appear It s idiosyncratic essay about the transformation of literature through music forces the reader to re examine some of his own convictions about opera and drama      **Shelley and the Musico-Poetics of Romanticism** Jessica K. Quillin, 2016-03-09 Addressing a gap in Shelley studies Jessica K Quillin explores the poet s lifelong interest in music Quillin connects the trope of music with Shelley s larger formal aesthetic political and philosophical concerns showing that music offers a new critical lens through which to view such familiar Shelleyan concerns as the status of the poetic figural language and the philosophical problem posed by idealism versus skepticism Quillin s book uncovers the implications of Shelley s use of music by means of four musico poetic concerns the inherently interdisciplinary nature of musical imagery and figurative language the rhythmic and sonoric dimensions of poetry the extension of poetry into the performative realms of the theatre and drawing room through close links between most poetic genres and music and the transformation of poetry into music through the setting and adaptation of poetic lyrics to music Ultimately Quillin argues Shelley exhibits a fundamental recognition of an interdependence between music and poetry which is expressed in the form and content of his highly sonorous works Equating music with love allows him to create a radical model in which poetry is the highest form of imaginative expression one that can affect the mind and the senses at once and potentially bring about the perfectibility of mankind through a unique mode of visionary experience      *Edinburgh Companion to Literature and Music* da Sousa Correa Delia da Sousa Correa, 2020-07-23 Provides a pioneering interdisciplinary overview of the literature and music of nine centuries Offers research essays by literary specialists and musicologists that provides access to the best current interdisciplinary scholarship on connections between literature and music Includes five historical sections from the Middle Ages to the present with editorial introductions to enhance understanding of relationships between literature and music in each period Charts and extends work in this expanding interdisciplinary field to provide an essential resource for researchers with an interest in literature and other media Bringing together seventy one newly commissioned original chapters by literary specialists and musicologists this book presents the most recent interdisciplinary research into literature and music In five parts the chapters cover the Middle Ages to the present The volume introduction and methodology chapters define key concepts for investigating the interdependence of these two art forms and a concluding chapter looks to the future of this interdisciplinary field An editorial introduction to each historical part explains the main features of the relationships between literature and music in the period and outlines recent developments in scholarship Contributions represent a multiplicity of approaches theoretical contextual and close reading Case studies reach beyond literature and music to engage with related fields including philosophy history of science theatre broadcast media and popular culture This trailblazing companion charts and extends the work in this expanding interdisciplinary field and is an essential resource for researchers with an interest in

literature and other media      Romanticism and the Uses of Genre David Duff, 2009-11-12 This wide ranging and original book reappraises the role of genre and genre theory in British Romanticism Analyzing numerous examples from 1760 to 1830 David Duff examines the generic innovations and experiments which propel the Romantic revolution in literature but also the fascination with archaic forms such as the ballad sonnet and romance whose revival and transformation make Romanticism a retro movement as well as a revolutionary one The tension between the drives to make it old and to make it new generates one of the most dynamic phases in the history of literature whose complications are played out in the critical writing of the period as well as its creative literature Incorporating extensive research on classification systems and reception history as well as on literary forms themselves *Romanticism and the Uses of Genre* demonstrates how new ideas about the role and status of genre influenced not only authors but also publishers editors reviewers and readers The focus is on poetry but a wider spectrum of genres is considered a central theme being the relationship hierarchical competitive combinatory between genres Among the topics addressed are generic primitivism and forgery Enlightenment theory and the cognitive turn the impact of German transcendental aesthetics organic and anti organic form the role of genre in the French Revolution debate the poetics of the fragment and the theory and practice of genre mixing Unprecedented in its scope and detail this important book establishes a new way of reading Romantic literature which brings into focus for the first time its tangled relationship with genre      *Romantic Drama* Gerald Ernest Paul Gillespie, 1994 It does not treat Romanticism as a limited period dominated by some construed singular master ethos or dialectic rather it follows the literary patterns and dynamics of Romanticism as a flow of interactive currents across geocultural frontiers      Themes in Drama: Volume 3, Drama, Dance and Music James Redmond, 1981 This collection surveys madness in drama It includes articles on The Duchess of Malfi virginity and hysteria in *The Changeling* the confined spectacle of madness in Beys s *The Illustrious Madmen* The male gaze in *Woyzeck* representing Marie and madness and other drama examples      **Mary Shelley** L. Adam Meckler, Lucy Morrison, 2010-01-08 This collection of essays expands critical consideration of Mary Shelley s placement within the age we call Romantic wherein her texts converse with those of her family her circle and her contemporaries Several essays address particularly how her texts interact with those of her husband Percy Bysshe Shelley revealing new depth and breadth to their literary partnership Others investigate interdisciplinary perspectives such as her pieces in *The Liberal* or the ways in which the figure of Scheherezade haunts her works while several essays also consider Mary Shelley s textual relationships with contemporaries such as Thomas Moore and John Polidori Still others tackle topics such as geopolitical relationships and the growth of opera as an art form considering Mary Shelley s commentary upon such contemporary issues while William Godwin s textual relationship with his daughter is further investigated This collection suggests Mary Shelley s texts merit further investigation not only for what they reveal about their author and her oeuvre but for the ways in which they illuminate our understanding of the contexts in which they were composed      *Musico-Poetics in Perspective* , 2021-11-08

The volume is dedicated to the memory of the late Calvin S Brown of the University of Georgia author of the first systematically conceived survey *Music and Literature A Comparison of the Arts* 1948 of the branch of interart studies now generally known as Melopoetics Part One consists of six original contributions by experts from Austria Belgium France and the United States Authored by a novelist and a composer scholar respectively the first two essays Jean Libis s *Inspiration musicale et composition littéraire Reflexions sur un roman schubertien* and David M Hertz s *The Composer s Musico Literary Experience Reflections on Song Writing* focus not surprisingly on the creative process The third piece Francis Claudon s review of the pertinent research done between 1970 and 1990 complements the honoree s analogous report on the preceding decades reprinted in the present volume whereas the fourth Jean Louis Cupers *Metaphores de la lumière et de l'ombre Regards sur l'évolution des études musico littéraires* surveys the plethora of metaphorical applications in music and literature of two significant natural phenomena the one acoustic and the other optical Linked to each other the two remaining papers Ulrich Weisstein s *The Miracle of Interconnectedness Calvin S Brown a Critical Biography* and Walter Bernhart s *A Profile in Retrospect Calvin S Brown as a Musico Literary Scholar* offer critical accounts of the honoree s theoretical and methodological stance as viewed in the first case from a biographical angle and in the second in the light of subsequent scholarly practice Part Two bundles eleven of Professor Brown s previously uncollected articles covering a period of nearly half a century of significant scholarly activity in the field The selection demonstrates Brown s poignant interest in transpositions d'art exemplifying the musicalization of literature in the formal and structural rather than thematic domain as culminating in his trenchant critique of music in poetry as understood somewhat naively by Mallarmé and his critics and to a slightly lesser extent by his translation of Josef Weinhebers variations on Friedrich Hölderlin s ode *An die Parzen* Just as Professor Brown s successive anatomies of melopoetic theory and practice illustrate his steadily growing sophistication and the maturing of his mind so his Bloomington lecture *The Writing and Reading of Language and Music Thoughts on Some Parallels Between two Artistic Media* reflects his unique ability to assemble and organize vast materials and comprehensive data in such a way as to reveal the underlying pattern

**The Ultimate Art** David Littlejohn, 2023-11-15 Anyone who cares about opera will find *The Ultimate Art* a thoroughly engaging book David Littlejohn s essays are exciting provocative sometimes even outrageous They reflect his deep love of opera that exotic extravagant and perpetually popular hybrid performing art form and his fascination with the many worlds from which it sprang From its seventeenth century beginnings opera has been decried by its detractors for its elitism its artifice its absurd costliness and its social irrelevance But Littlejohn makes us see that opera embraces an extraordinary amount of intense human emotion and experience Western culture and individual psychology It is also the most complex challenging and demanding form of public performance ever developed at its most spectacular it pulls together in one evening a play a concert a ballet and a pageant not to mention an exhibition of painting and sculpture Every opera is a veritable piece of cultural history The book begins with *The Difference Is They Sing* a

potentially controversial essay on the nature of opera and its place in modern culture From there Littlejohn goes on to consider everything from Sex and Religion in French Opera to What Peter Sellars Did to Mozart He tells us about every major staging of Wagner's Ring cycle since 1876 the troubled fate in legend history and opera of the city of Nuremberg and the volatile collaboration of Richard Strauss and Hugo von Hofmannsthal Littlejohn presents these and many other fascinating moments in the history of opera with conviction and flair By the end of the book the reader may very well be persuaded that opera is indeed the ultimate art Anyone who cares about opera will find *The Ultimate Art* a thoroughly engaging book David Littlejohn's essays are exciting provocative sometimes even outrageous They reflect his deep love of opera that exotic extravagant and perpetually popular hybrid

**Opera as Anthropology** Vlado Kotnik, 2016-09-23 This book contemplates the relationship between opera and anthropology It rests on the following central arguments on the one hand opera is quite a new and exotic topic for anthropologists while on the other anthropology is still perceived as an unusual approach to opera Both initial arguments are indicative of the current situation of the relationship between anthropological discipline and opera research The book introduces the work of anthropologists and ethnographers whose personal and professional affinity for opera has been explicated in their academic and biographical accounts Anthropological ethnological ethnographic and semiotic accounts of opera by Claude Lévi Strauss Michel Leiris William O Beeman Denis Laborde Paul Atkinson and Philippe Joseph Salazar establish that opera can be a pertinent object of anthropological interest ethnographic investigation cultural analysis and historical reflection By touching on opera not merely as a musical aesthetic or artistic category but as a social cultural historical and transnational phenomenon that over the last four centuries has significantly influenced and reflected the identity of Western culture and society this monograph suggests that opera and anthropology no longer need be alien to one another

**Opera and Its Symbols** Robert Donington, 1990-01-01 Explains the use of symbolism in opera interprets scenes from Monteverdi Mozart Verdi Wagner Stravinsky and Britten and stresses the importance of staging an opera in accord with the composer's intended use of symbols

**Macbeth Multiplied** Christoph Clausen, 2005-01-01 In what sense did Shakespeare's representation of the Weird Sisters participate in the rewriting of village witchcraft Was it likely to encourage the Sword Did opera's specific medial conditions offer Verdi special opportunities to justify the presence of stage witches more than three centuries later How valid is the parallel between 19th century opera and the voyeurism of madhouse spectacle Was Shakespeare's play really engaged in the project of exorcizing Queen Elizabeth's cultural memory What does Verdi's chorus of Scottish refugees have to do with shifting representations of the people These are among the questions tackled in this study It provides the first in depth comparison of Shakespeare's and Verdi's *Macbeth* that is written expressly from the perspective of current Shakespearean criticism whilst striving to do justice to the topic's musicological dimension at the same time Exploring to what extent the play's matrix of possible readings is distinct from Verdi's two operatic versions the book seeks to relate such differences both to the historical contexts of the works' geneses and to their respective medial

conditions In doing so it pays particular attention to shifting negotiations of witchcraft gender madness and kingship The study eventually broadens its discussion to consider other Shakespearean plays and their operatic offshoots reflecting on some possible relations between historical and medial difference

*The Work of Opera* Richard Dellamora, Daniel Fischlin, 1997 In this significant collection of original essays preeminent literary and cultural critics musicologists and queer theorists delve into the way opera shapes national character through its representations of gender sexuality and class The book includes essays on the works of Mozart Verdi Wagner and others and examines the impact of such modern phenomena as AIDS 10 photos 15 music examples

**Selected Essays on Opera** Ulrich Weisstein, 2006 Ulrich Weisstein an international authority in the fields of comparative literature and comparative arts has been a pioneer paving the way for present day intermedia studies Among his broad intermedial interests opera has always held a central place For the first time this volume makes available his major contributions to opera criticism in compact form thus meeting a serious scholarly demand The necessarily stringent selection of essays from Professor Weisstein's large output on opera reflecting fifty years of involvement with the genre is primarily governed by the wish to present texts that are representative of their author's work and at the same time are unlikely to be readily available through other channels The fourteen essays collected are arranged in chronological order some of them showing Ulrich Weisstein as an initiator of librettology others tracing adaptive processes extending from textual sources to final operas or investigating writer composer collaborations Further topics are satirical reflections on operatic activities in early eighteenth century Italy and practices of opera censorship artist operas or definitions of romantic and epic opera The essays are written in an accessible essentially non technical language and are expected to make both a profitable and a pleasurable reading for literary scholars as well as musicologists and general art lovers

**Law and Opera** Filippo Annunziata, Giorgio Fabio Colombo, 2018-01-30 This book explores the various connections between Law and Opera providing a comprehensive multinational and multidisciplinary with approaches from jurists philosophers musicologist historians resource on the subject Further it makes a valuable contribution to studies on law and the humanities While for example the relationship between law and literature has been extensively researched the relationship between Law and Opera remains largely overlooked The book approaches the topic from three perspectives in three main sections Law in Opera Law on Opera and Law around Opera

**A Short History of Opera** Donald Jay Grout, Hermine Weigel Williams, 2003 The fourth edition incorporates new scholarship that traces the most important developments in the evolution of musical drama After surveying anticipations of the operatic form in the lyric theater of the Greeks medieval dramatic music and other forerunners the book reveals the genre's beginnings in the seventeenth century and follows its progress to the present day Jacket

**Margaret Garner** La Vinia Delois Jennings, 2016-09-02 In January 1856 Margaret Garner an enslaved woman on a Kentucky plantation ran with members of her family to the free state of Ohio As slave catchers attempted to capture the fugitives in Cincinnati Garner cut the throat of her two and a half year old

daughter to prevent her return to slavery Toni Morrison first imaginatively treated Margaret Garner's infanticide in her Pulitzer Prize winning novel *Beloved* 1987 In 2004 it became the subject of her libretto *Margaret Garner Opera in Two Acts* a lyrical text designed to be paired with music and sung operatically Grammy Award winning composer Richard Danielpour had tapped Morrison to write the libretto for his opera *Margaret Garner A New American Opera* which world premiered in Detroit in 2005 La Vinia Delois Jennings's edited volume records key events debates and critical assessments of Morrison's success with Garner's story as a libretto It also includes essays by individuals who played central roles in bringing the opera to the stage and recovering Garner's story The collection opens with a foreword by mezzo soprano Denyce Graves for whom Danielpour composed the title role The other contributors range from literary and opera scholars to specialists in American slavery studies and scholars of Toni Morrison's oeuvre Their essays position her libretto within the African American operatic and libretto tradition a tradition not fully known to performance scholars and heretofore unexamined **Studies in**

**Musical Genesis, Structure, and Interpretation** William Kinderman, 2013-08-15 This study explores the evolution of the text and music of this inexhaustible yet highly controversial music drama across Wagner's entire career and offers a reassessment of the ideological and political history of *Parsifal* that illuminates the connection of Wagner's legacy to the rise of National Socialism in Germany The compositional genesis is traced through many unfamiliar sketches and manuscript sources held at Bayreuth revealing unsuspected models and veiled connections to Wagner's earlier works [Enjoying the Operatic Voice: A Neuropsychanalytic Exploration of the Operatic Reception Experience](#) Carlo Zuccarini, 2019-03-30 There has been a long standing and mutually informing association between psychoanalysis literature and the arts Surprisingly given the oral aural basis of the talking cure music has largely been overlooked by psychoanalysis Notably neuroscientific research investigating music reception and production has been steadily increasing in range and scope over the years However in order to avoid confounding factors empirical studies have focused primarily on non vocal music Remarkably operatic vocal music has not featured prominently in either field Yet the multi dimensional multi layered nature of opera which fuses together a number of different arts would appear to provide fertile soil for both disciplines This book aims to fill that gap providing a stepping stone for further research It leverages the individual strengths of psychoanalysis and neuroscience both separately and jointly as the inter discipline of neuropsychanalysis By combining various theories of mind with knowledge about music processing in the brain this book comprehensively examines the operatic reception experience providing an account in subjective as well as objective terms It explores the bittersweet enjoyment of operatic vocal music which can literally move an operaphile to tears The explanation for this may be found in a number of subjective dynamics that are unique to the reception of opera rather than in any distinct objective neural processes which are common to the reception of all music These subjective dynamics which are recruited during neural processing are triggered by the equally unique features of the operatic voice in combination with a number of auxiliary elements that are specific to opera This book

will be of interest to academics in a broad range of science and arts disciplines related to music perception and performance such as music psychology and operatic performance It may also appeal to passionate operaphiles who wish to understand what drives their addiction     **Virginia Woolf and Classical Music** Emma Sutton,2013-09-16 This groundbreaking study explores the formative influence of classical music on Woolf s writing illustrating the importance of music to Woolf s domestic social and creative lives

## Unveiling the Magic of Words: A Overview of "**Romantic Opera And Literary Form**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Romantic Opera And Literary Form**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

### **Romantic Opera And Literary Form Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Romantic Opera And Literary Form has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Romantic Opera And Literary Form has opened up a world of possibilities. Downloading Romantic Opera And Literary Form provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Romantic Opera And Literary Form has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Romantic Opera And Literary Form. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Romantic Opera And Literary Form. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Romantic Opera And Literary Form, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices

have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Romantic Opera And Literary Form has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Romantic Opera And Literary Form Books**

1. Where can I buy Romantic Opera And Literary Form books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Romantic Opera And Literary Form book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Romantic Opera And Literary Form books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Romantic Opera And Literary Form audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Romantic Opera And Literary Form books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
