Taylor, 1998-04-30 Far from being mere antiquarian or sentimental curiosities the rebuilt or reused fortresses of the Rhine reflect major changes in Germany and Europe during the nineteenth and early twentieth centuries Taylor begins *The Castles of the Rhine* with a synopsis of the major political social and intellectual changes that influenced castle rebuilding in the nineteenth century He then focuses on selected castles describing their turbulent histories from the time of their original construction through their destruction or decay to their rediscovery in the 1800s and their continued preservation today Reading this book is equivalent to looking at history through a romantic nationalist kaleidoscope Amply illustrated with maps and photographs *The Castles of the Rhine* is a wonderful companion for anyone with dreams or experience of journeying along the Rhine **The Cumulative Book Index**, 1969 A world list of books in the English language **Clara Schumann: An Artist's Life Based on Material Found in Diaries and Letters - Vol II** Berthold Litzmann, 2011-03-23 Originally published in 1913 The subject itself and the material for this third volume were not without their influence on the pace of the work In one place in her diary Clara writes In an artist's life as in every other things repeat themselves more or less so that there is much on which I barely touch If she herself in her diary feels a certain monotony in the externals of a life which goes on in the same groove year after year naturally the biographer who has to represent forty such years is still more conscious of it But though it was plain from the first that on no account was each one of Clara's tours to be followed in her diary from place to place yet on the other hand the positive side of the work was by no means so clearly defined For in these isolated constantly recurring episodes lay the chief meaning of her life **Germany Travel Guide 2024** William Jones, Embark on an enchanting journey through the heart of Europe with *Germany Travel Guide 2024* authored by the seasoned explorer William Jones Immerse yourself in the rich tapestry of Germany's landscapes culture and
