Roots A Concise History Of Dalits:

Dalit Theology and Dalit Liberation Peniel Rajkumar, 2016-05-13 In fulfilling the long awaited need for a constructive and critical rethinking of Dalit theology this book offers and explores the synoptic healing stories as a relevant biblical paradigm for Dalit theology in order to help redress the lacuna between Dalit theology and the social practice of the Indian Church Peniel Rajkumar's starting point is that the growing influence of Dalit theology in academic circles is incompatible with the praxis of the Indian Church which continues to be passive in its attitude towards the oppression of the Dalits both within and outside the Church The theological reasons for this lacuna between Dalit theology and the Church's praxis Rajkumar suggests lie in the content of Dalit theology especially the biblical paradigms explored which do not offer adequate scope for engagement in praxis

Memory, Grief, and Agency Sunder John Boopalan, 2017-09-18 This book argues that an active memory of and grief over structural wrongs yields positive agency Such agency generates rites of moral responsibility that serve as antidotes to violent identities and catalyze hospitable social practices By comparing Indian and U S contexts of caste and race Sunder John Boopalan proposes that wrongs today are better understood as rituals of humiliation which are socially conditioned practices of domination affected by discriminatory logics of the past Grief can be redressive by transforming violent identities and hostile in group out group

The Eucharistic Liturgy Jameson K. Pallikunnil, 2017-03-20 The Malankara Mar Thoma Syrian Church exists as a hybrid church by blending the Eastern liturgical elements of the Oriental Orthodox Church and the evangelical ideas of the Protestant Reformation of the sixteenth century This Church is a bridging church connecting Protestantism and Oriental Orthodoxy The reformation in the Malankara Church 1836 instigated a new impetus for this church in constructing an ecclesial identity and pattern of mission A major missiological imperative employed by CMS missionaries in India was solely centered on the scripture Against this popular understanding the Mar Thoma Church through its reformation process showed that liturgy can also be an imperative for mission The translation and revision of the Eucharistic liturgy is the basic visible expression of reformation in the Malankara Church Hence this book explicitly places how the Eucharistic liturgy of the Mar Thoma Church is observed as the foundation for mission in its course of growth In order to accomplish this objective the writer has examined the historical evolution and the developmental process of the Eucharistic liturgy of the church which is a revised version of the liturgy of St James In a nutshell this study is an appraisal of various missiological themes reflected in the Eucharistic liturgy of the church This study throws ample light on how the Mar Thoma Church integrated liturgy and evangelism in its course of development The writer systematically illustrates how the church made a serious effort to bring missional themes employed in the liturgy into the practical realm by its ancillary organizations convention gatherings and sociocharitable works This volume asserts that an emphasis on Eucharist centred ecclesiology guides and motivates the church to enliven a mission oriented life which is crucial for accomplishing a relevant mission

South Asia's Christians Chandra Mallampalli, 2023 South Asia is home to more than a billion Hindus and half a billion Muslims. But the region is also home to substantial Christian communities, some dating almost to the earliest days of the faith. The stories of South Asia s Christians are vital for understanding the shifting contours of World Christianity precisely because of their history of interaction with members of these other religious traditions. In this broad, accessible overview of South Asian Christianity, Chandra Mallampalli shows how the faith has been shaped by Christians' location between Hindus and Muslims. Mallampalli begins with a discussion of South India s ancient Thomas Christian tradition, which interacted with West Asia s Persian Christians and thrived for centuries alongside their Hindu and Muslim neighbours. He then underscores efforts of Roman Catholic and Protestant missionaries to understand South Asian societies for purposes of conversion. The publication of books and tracts about other religions, interreligious debates, and aggressive preaching were central to these endeavours, but rarely succeeded at yielding converts. Instead, they played an important role in producing a climate of religious competition, which ultimately marginalized Christians in Hindu, Muslim, and Buddhist majority countries of post-colonial South Asia. Ironically, the greatest response to Christianity came from poor and oppressed Dalit, formerly untouchable, and tribal communities who were largely indifferent to missionary rhetoric. Their mass conversions, poetry, theology, and embrace of Pentecostalism are essential for understanding South Asian Christianity and its place within World Christianity today
