## Roots Of Christian Mysticism:

The Roots of Christian Mysticism Olivier Clément, Texts from the Patristic Era with Commentary displaying the roots of the deeply mystical spirituality that has flourished among Christians throughout the ages By linking together a series of brilliantly chosen texts from the early centuries of the Church the author lays bare the roots of the deeply mystical spirituality that has flourished among Christians throughout the ages This book will appeal to anyone who is interested in the field of spirituality It is a masterly contribution to Christian scholarship and this second edition includes an extraordinarily useful Index

**The Roots of Christian Mysticism** Olivier Clément, 2004      The Roots of Christian Mysticism Olivier Clément, 1995

Some books on mysticism offer New Age syncretism Others propose simplistic methods of producing spiritual experiences Still others deconstruct religious experience The Roots of Christian Mysticism by Oliver Clement however avoids these pitfalls Clement presents the mysticism of the early fathers themselves from whose writings he offers exceptionally rich selections that are not readily available In so doing he introduces the reader to Christian mysticism through the words of those who were drunk with God but whose religious experience was firmly rooted in Christ Most importantly given the modern propensity for bogus spirituality Clement shows the indissoluble unity between mysticism and doctrine The Fathers speak doctrine in voices radiant with the dark vision of God and their doctrine is both the fruit of prayer and the form of spirituality From this perspective the Church's teachings about God Christ Church Sacrament and Christian vocation become the objects of contemplation and the personal quest for God finds its way within not apart from the Church ecclesia Christian mysticism therefore always occurs within the womb of the Church particularly within the locus of the liturgy and thus is prevented at the outset from becoming merely a freewheeling and self authenticating form of emotional exuberance

Mysticism thus firmly rooted is considered the normal spiritual life of all Christians All the faithful are called to realize fully the grace of their baptism that is to fulfill their humanity by being divinized through grace These words might be disconcerting or raise the specter of enthusiasm but some proper understanding of this calling however embryonic is indispensable to spiritual growth to the life of the Church and to the transformation of culture Why for example when so many Americans claim to be Christian does their faith have so little impact on our culture Or why are the Church's moral teachings found to be so excessively burdensome Perhaps Christians have seldom been directed toward a spirituality that would open them to a fuller vision of their true destiny in Christ A recent classroom experience illustrates the point A young Christian father of two vigorously proposed many practical reasons for using contraception His understanding of fatherhood operated on a purely naturalistic level his concern to provide for his children likewise revolved around material goods But once he glimpsed the ultimate destiny in Christ to which he and his children were called he saw his fatherhood as a participation in a sacred mission and trust Only then did the Church's teaching and the sacrifices it entails make sense enough to follow Such illumination is an essential component in the birth of mystical life from which for the fathers the moral

life flows To use Clement's terms only when the beauty/goodness of the truth captures the spirit, heart is the person able to engage in Christian praxis and to make the sacrifices necessary not merely to be good but to be transformed into Christ. This transformation entails strenuous spiritual combat with a fallen human nature that the Fathers understand with exquisite perception. But even here the patristic thrust is basically positive: an attraction to the beauty and goodness of God that calls forth virtue rather than an emphasis on the direct destruction of sin. Clement aptly describes asceticism as an awakening from the sleep/walking of daily life. It enables the Word to clear the silt away in the depth of the soul, freeing the spring of living waters. It is the Word who acts but we have to co-operate with him not so much by exertion of will power as by loving attentiveness. Although spiritual growth naturally encompasses the activities of prayer, fasting and so forth, Clement never discusses this apart from Christ and Trinity. Salvation is not achieved through Pelagian self-development but in Christ and through his Church. The Fathers' theological center prevents their mysticism from collapsing into self-centered or naturalistic forms. The beauty that attracts is never separated from her sisters truth and goodness.

*The Roots of Christian Mysticism* needs to be read by Christians seeking spiritual depth and by anyone wanting to taste doctrine as a living word. It is an excellent introduction to patristic thought and offers not only extensive selections of their writings but an appendix of about seventy pages of biographical material. Only one criticism of the book is offered: references to modern writers need to be noted so the reader can pursue them. Otherwise this book is a gem.

Jerrilyn Szelle, *Crisis* April 1996

*The Origins of the Christian Mystical Tradition* Andrew Louth, 1983. Scholars of the patristic era have paid more attention to the dogmatic tradition in their period than to the development of Christian mystical theology. Andrew Louth aims to redress the balance. Recognizing that the intellectual form of this tradition was decisively influenced by Platonic ideas of the soul's relationship to God, Louth begins with an examination of Plato and Platonism. The discussion of the Fathers which follows shows how the mystical tradition is at the heart of their thought and how the dogmatic tradition both moulds and is the reflection of mystical insights and concerns. This new edition of a classic study of the diverse influences upon Christian spirituality includes a new Afterword which brings the text completely up to date.

Book jacket

**Hidden Wisdom** Gedaliahu A. Guy Stroumsa, Guy G. Stroumsa, 1996. This book investigates the problem of esoteric traditions in early Christianity: their origin and their transformation in Patristic hermeneutics in the West as well as in the East. It argues that these traditions eventually formed the basis of nascent Christian mysticism in Late Antiquity. These esoteric traditions do not reflect the influence of Greek Mystery religions as has often been claimed but rather seem to stem from the Jewish background of Christianity. They were adopted by various Gnostic teachings, a fact which helps explaining their eventual disappearance from Patristic literature. The ten chapters study each a different aspect of the problem, including the questions of Gnostic and Manichaean esotericism. This book will be of interest to all students of religious history in Late Antiquity. This publication has also been published in paperback. [please click here for details](#)

*Jewish Roots of Eastern Christian Mysticism* Andrei A. Orlov, 2020-06-02. The

essays collected in Jewish Roots of Eastern Christian Mysticism intend to honor Alexander Golitzin a scholar known for his keen attention to the Jewish matrix of Eastern Orthodox spirituality Following Golitzin's insights this Festschrift explores influences of Jewish apocalypticism and mysticism on certain early and late Christian authors including Irenaeus Origen Evagrius of Pontus Pseudo Dionysius and Symeon the New Theologian Special attention is given to Jewish theophanic traditions regarding the beatific vision of the divine Glory Kavod which profoundly shaped Eastern Christian theology and liturgy This volume demonstrates that recent developments in the study of apocalyptic literature the Qumran Scrolls Gnosticism and later Jewish mysticism throw new and welcome light on the sources and continuities of Orthodox theology liturgy and spirituality *The Presence of God* Bernard MacGinn, 1992 **Divine Energy in Orthodox Liturgy** Dima Kotik, 2012-02-01 A dialog between a westerner and an easterner can be reminiscent of a first contact scene between two alien civilizations from a typical science fiction movie Premises that underlie either intellectual world are poised in defiance of any cultural intuition We are confused and have a difficult time understanding one another Divine Energy in Orthodox Liturgy is a journey into the single most concentrated locus of Eastern thought the Byzantine Liturgy in which you will discover the heart of pure Eastern mysticism in its vibrant Christian forms On this journey you will gain the ability to better understand and appreciate both historic Christianity and Eastern thought as a whole **The Theophaneia School** Andrei A. Orlov, 2007 Hidden Wisdom Stroumsa Guy G., 2005 **Esoteric Traditions and the Roots of Christian Mysticism** Gedaliahu A. G. Stroumsa, 1996 **Hidden Wisdom** Guy Stroumsa, 2005-06-01 This book investigates the problem of esoteric traditions in early Christianity their origin and their transformation in Patristic hermeneutics in the West as well as in the East It argues that these traditions eventually formed the basis of nascent Christian mysticism in Late Antiquity These esoteric traditions do not reflect the influence of Greek Mystery religions as has often been claimed but rather seem to stem from the Jewish background of Christianity They were adopted by various Gnostic teachings a fact which helps explaining their eventual disappearance from Patristic literature The eleven chapters study each a different aspect of the problem including the questions of Gnostic and Manichaean esotericism This book will be of interest to all students of religious history in Late Antiquity Revised and extended paperback edition Originally published in 1996 Please click here for details

*Tending the Garden* Jennifer Hornyak Wojciechowski, 2025-02-11 Mysticism in an ancient and important aspect of the Christian faith yet it is highly misunderstood Due to obscure language and concepts not to mention occasionally eccentric personalities the mystics can be difficult to approach Once you peel back the layers of insider language however one begins to see a highly relatable group of people who were first and foremost concerned with tending to a personal and loving relationship with God Tending the Garden provides the reader with a basic definition of and clarity around several terms and practices of Christian mysticism as well as analyzing the lives and writings of important Christian mystics Jennifer Wojciechowski proposes some ways in which we as modern people living in an industrialized and disenchanted society can

benefit from knowing Christian mystical history and engaging in spiritual practices related to Christian mysticism The book's aim is to demystify the mystics by making them understandable and relatable to modern believers In this era of disenchantment and religious decline *Tending the Garden* will introduce Christians to a rich and vibrant history of mystical prayer and relationship with God in order to spark curiosity and inspire a deeper spiritual life The book will serve as an accessible introduction to and thematic historical overview of Christian mysticism *The Presence of God* Bernard McGinn, 1991 The foundations of mysticism series ***The Foundations of Mysticism*** Bernard McGinn, 1991 The foundations of mysticism series *The New Big Book of Christian Mysticism* Carl McColman, 2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God The Christian of the future will be a mystic or will not exist This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis Is mysticism necessary for the survival of Christianity What exactly is Christian mysticism How can it be relevant in our crisis-ridden world Questions like these inspire *The New Big Book of Christian Mysticism* a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman *The New Big Book of Christian Mysticism* serves as both introduction and practical instruction for a living contemplative practice today In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus's message of radical equality and inclusivity This bigger book introduces both Christians and non-Christians to the contemplative tradition within Christianity a tradition that has often been marginalized or cloistered to the church's detriment As a practice-oriented book this is an invitation to embrace the mystical element within Christianity a practice that can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice McColman's overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today's seekers regardless of their faith tradition At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for enlightenment the thirst for a better world and the experience of divine presence *Mystics* William Harmless, 2008 In *Mystics* William Harmless S J introduces readers to the scholarly study of mysticism He explores both mystics' extraordinary lives and their no less extraordinary writings using a unique case study method centered on detailed examinations of six major Christian mystics Thomas Merton Bernard of Clairvaux Hildegard of Bingen Bonaventure Meister Eckhart and Evagrius Ponticus Rather than presenting mysticism as a subtle web of psychological or theological abstractions Harmless's case study approach brings things down to earth restoring mystics to their historical context *A History of Mysticism* Richard H. Jones, 2024-04-01 This book offers a historical

overview of mysticism in the world's major religious traditions Beginning with a chapter on the nature of mystical experiences A History of Mysticism then turns to a discussion of mysticism's prehistory in shamanism and the early use of psychedelics The possible role of mystical experiences among early Greek philosophers including Socrates and Plato is subsequently addressed followed by chapters on mysticism in Judaism Christianity Islam Hinduism Buddhism Daoism and a variety of present day iterations including New Age mysticism secular mysticism and the scientific study of mystical experiences An appendix covering popular misunderstandings of mystical experiences and mysticism is also included Written in a clear accessible style this book is suitable for students of religion and philosophy as well as general readers interested in mysticism and the world's variety of mystical traditions Christian Mysticism Louise Nelstrop, Kevin J. Magill, Bradley B. Onishi, 2009 This book introduces students to Christian mysticism and modern critical responses to it Christianity has a rich tradition of mystical theology that first emerged in the writings of the early church fathers and flourished during the Middle Ages Today Christian mysticism is increasingly recognised as an important Christian heritage relevant to today's spiritual seekers

**Gregory of Nyssa's Tabernacle Imagery in Its Jewish and Christian Contexts** Ann Conway-Jones, 2014-09-25 Integrating patristics and early Jewish mysticism this book examines Gregory of Nyssa's tabernacle imagery as found in Life of Moses 2:170-201 Previous scholarship has often focused on Gregory's interpretation of the darkness on Mount Sinai as divine incomprehensibility However true to Exodus Gregory continues with Moses's vision of the tabernacle not made with hands received within that darkness This innovative methodology of heuristic comparison doesn't strive to prove influence but to use heavenly ascent texts as a foil in order to shed new light on Gregory's imagery Ann Conway Jones presents a well rounded nuanced understanding of Gregory's exegesis in which mysticism theology and politics are intertwined Heavenly ascent texts use descriptions of religious experience to claim authoritative knowledge For Gregory the high point of Moses's ascent into the darkness of Mount Sinai is the mystery of Christian doctrine The heavenly tabernacle is a type of the heavenly Christ This mystery is beyond intellectual comprehension it can only be grasped by faith and only the select few destined for positions of responsibility should even attempt to do so

## **Roots Of Christian Mysticism Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Roots Of Christian Mysticism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Roots Of Christian Mysticism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Roots Of Christian Mysticism free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Roots Of Christian Mysticism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Roots Of Christian Mysticism any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Roots Of Christian Mysticism Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
