**to the Renaissance and Back** Charles Reeve, 2022-11-25 Reading life writing that runs from Tracey Emin Faith Ringgold and Judy Chicago to Marie Bashkirtseff Benvenuto Cellini and beyond Artists and Their Autobiographies from Today to the Renaissance and Back investigates the intriguing doubled truths of artists' autobiographies truth in life and truth in art authorial truths and the truth of their art as they saw it However this book focuses specifically on the truth of sincerity which here following classic discussions by Reindert Dhondt Philippe Lejeune and Lionel Trilling appears as a truth to self

that floats free from facts to link avowal and feeling From there this volume merges autobiography studies with a history of ideas approach to art to trace sincerity s constancy and variability across times and cultures Through this pre disciplinary dialogue this book shows that recent and historical artists autobiographies differ in how not if they intertwine sincerity in life and art Along the way this volume leverages the foregrounding of sincerity caused by this doubling to explore such key issues of autobiography studies as autobiography s relation to fiction serial autobiography as told to narrative and what happens when liars claim to tell all      Rosa Bonheur Frcrestre Frcrestre,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
