Rose Without Thorns:

The Rose Without Thorns Juwairiyah Kashif, 2023-08-18 A mysterious island is brought into chaos when a unique presence is gone missing Who has taken it And why are the islanders distraught Follow the islanders as the chaos unfolds and see if there s any hope for redemption Will they have a saviour or are they doomed Open the book and see what secrets the mysterious island holds and how the unique presence that was keeping them afloat truly is one in a gazillion This Gothic thriller has all the punchiness to keep you breathless And all the mystery to keep you on your toes The whole world chaos of 2019 s Covid situation and that year s Halloween inspired the author to portray her feelings and thoughts about the world around her within her own fictional setting and scenario Don t be fooled into thinking it s a medical emergency themed book because it s anything but *Early American Proverbs and Proverbial Phrases* Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s *Dictionary of American Proverbs and Proverbial Phrases 1820 1880* It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious **A Hybrid Thornless Rose** Grant Cook, 1916 *A Rose Without Thorns* Lucy Kidd, 1994

A Rose Without Thorns Lucy Kidd, 1991-12 When her aristocratic aunt snubs her Susannah escapes a life of humiliation and servitude by marrying her shy cousin Harry The loveless marriage doesn t last long and Susannah is drawn into fashionable London s underworlds where she loses her heart to the most fascinating man in town magnetic actor Nicholas Carrick *The Imperial Script of Catherine the Great* Vera Proskurina, 2022-06-23 Empress Catherine II produced a body of written material so vast and diverse that it seems impossible to provide a general characterization of the works contained in the authoritative twelve volume collection assembled by A N Pypin from handwritten source material This book does not attempt an all embracing review of Catherine s entire literary output which consists of works in multiple genres and languages The Russian empress s writings have been the repeated subject of serious analysis for nineteenth and twentieth century researchers all of these in one way or another demonstrate that across a variety of genres and formats with a greater

or lesser degree of independence and originality the literary works of Catherine II always express her politics and ideology These texts were carefully prepared their publications and stage productions executed magnificently As a rule the most significant works were translated into French German and in some cases English European readers as well as the Russian public were expected to be attentive witnesses to and happy consumers of the monarch's compositions Amongst rulers the literary productivity of the Russian empress has no analogue in history This volume is the first study in English of the vast literary output of Catherine the Great

Shakespeare's Visual Theatre Frederick Kiefer,2003-09-25 In this study of Shakespeare's visual culture Frederick Kiefer looks at the personified characters created by Shakespeare in his plays his walking talking abstractions These include Rumour in *2 Henry IV* Time in *The Winter's Tale*

Spring and Winter in Love's Labour's Lost, Revenge in Titus Andronicus and the deities in the late plays. All these personae take physical form on the stage; the actors performing the roles wear distinctive attire and carry appropriate props. The book seeks to reconstruct the appearance of Shakespeare's personified characters to explain the symbolism of their costumes and props and to assess the significance of these symbolic characters for the plays in which they appear. To accomplish this reconstruction, Kiefer brings together a wealth of visual and literary evidence, including engravings, woodcuts, paintings, drawings, tapestries, emblems, civic pageants, masques, poetry, and plays. The book contains over forty illustrations of personified characters in Shakespeare's time.

Poems of the Spirit Martha Woodruff-Duncan, 2022-12-28

My husband's passing in July 2009 after a one-year battle with cancer. I began to research and read books on spiritual awareness, searching for an understanding on the purpose of life. What are we doing here? What is our purpose? The authors that I encountered through my research and discuss in the Acknowledgments section of this book of poems opened a window in my consciousness, causing me to begin writing my book of poems one by one, documenting my feelings and clear understanding. I did wrestle initially with the composition of my poems because I knew exactly what I desired to express, feel the words, feel deeply my understanding of what I express in my poems and live that understanding, that knowing in each moment of now. I composed my poem "To Live in the Past" because I desire to share a part of me that existed in my past of this lifetime. I was just a teenager, fourteen years old, entering my first year of high school. I had no awareness in those moments of now of what was taking place within me when all of a sudden I became aware of my resistance of my struggling to stop stuttering. I let it go. I let it be. I set it free. An awareness took over my consciousness in those moments of now, allowing me to see, to let it be. Raised Catholic, I am not a devout or anything. All religions point to the same Source, the Godhead of us all, our Divine Father and Creator of all that is. I desire to enrich the lives of those who may read the words in my book of poems. I consider my writings and have, since the beginning, a small gift book of enlightenment, spiritually speaking, to be referred to again and again.
