**The Rosicrucian Digest November 1957** H. Spencer Lewis, Rosicrucian Editors, 2004-07 Rare mystical and metaphysical articles extracted from early Rosicrucian magazines THIS IS AN E BOOK DOWNLOAD     [Rosicrucian Digest](#), 2000     **Rosicrucian Digest**, 1957     [No Regrets](#) Carolyn Burke, 2011-03-22 The iconic French singer comes to life in this enthralling definitive biography which captures Edith Piaf's immense charisma along with the time and place that gave rise to her unprecedented international career Raised by turns in a brothel a circus caravan and a working class Paris neighborhood Piaf began singing on the city's streets where she was discovered by a Champs Elysées cabaret owner She became a star almost overnight seducing Paris's elite and the people of its slums in equal measure with her powerful passionate voice No Regrets explores her rise to fame and notoriety her tumultuous love affairs and her struggles with drugs alcohol and illness while also drawing on new sources to enhance our knowledge of little known aspects of her life Piaf was an unlikely student of poetry and philosophy who aided Resistance efforts in World War II wrote the lyrics for nearly one

hundred songs including La Vie en rose and was a crucial mentor to younger singers including Yves Montand and Charles Aznavour who absorbed her love of chanson and her exacting approach to their music. Here is Piaf in her own world Paris in the first half of the twentieth century and in ours. Burke demonstrates how with her courage, her incomparable art and her universal appeal the little sparrow endures as a symbol of France and a source of inspiration to entertainers worldwide.

Upstate Cauldron Joscelyn Godwin, 2015-03-06 A guide to the phenomenal crop of prophets, cults and utopian communities that arose in Upstate New York from 1776 to 1914. From 1776 to 1914 an amazing collection of prophets, mediums, sects, cults, utopian communities and spiritual leaders arose in Upstate New York. Along with the best known of these such as the Shakers, Mormons and Spiritualists, this book explores more than forty other spiritual leaders or groups, some of them virtually unknown but all of them fascinating. The author uncovers common threads that characterize these homegrown spiritualities, including roots in Western esoteric traditions, liberation from the psychological pressures of dogmatic Christianity, a preoccupation with sex and involvement in the radical reform movements of the day. In addition to maps and photographs of surviving buildings and monuments, the book also features a gazetteer of sites listing 150 locations connected to these groups which may be used as a helpful travel guide to the region. The dean of alternative spiritual history produces one of his central and most thoughtful works in Upstate Cauldron. This book is more than a cauldron. It is a melting pot into which Joscelyn Godwin blends the diffuse and complex religious movements that once converged in Upstate New York to show how we became a modern civilization indelibly stamped by the experience of spiritual outsiders. This is both splendid history and a book of wonders in uncovering lost fragments of our world. Throw away your highlighter because you won't know where to stop. Mitch Horowitz, author of *Occult America*, *White House Secrets*, *Ouija*, *Circles*, *Masons* and the *Secret Mystic History of Our Nation*. What a fascinating book. Upstate Cauldron takes a refreshing and new look at the period of time when Upstate New York was the center of the Spiritualist movement in America. Joscelyn Godwin has written a book that is very difficult to put down, introducing us to the most wonderful and exotic individuals. People like Timothy Brown who built one of the most intricate and most photographed homes in Central New York with his own hands and out of his own head. Can you say spiritual guidance? And we meet Kate and Maggie Fox who may have been America's earliest rap stars. The fabulous Fox sisters used secret rapping sounds to convince converts that they were communicating with the other world. Anthony Damiani was a spiritual godfather to many young people in the university city of Ithaca. He doled out his visions of wisdom on Ithaca's main street and when done, raced fifty miles to his job as a New York State Thruway toll taker. These are just some of the sometimes incredible, sometimes bizarre but always interesting people at the core of Upstate's Spiritualism history. Godwin tells the story of a little known historical chapter of the area with insight and great liveliness. As the author of a half dozen books about Upstate New York, I found this book irresistible and absorbing. Chuck D'Imperio, author of *Unknown Museums of Upstate New York*. A Guide to 50 Treasures. Destined to become the definitive book on eccentric

religion in this geographical area this is a fascinating account of unusual and inventive religious figures and movements Sure handed even tempered and wry Joscelyn Godwin is the ideal guide and his book is one that all readers will want to have in hand as they explore this historically rich and important region What s more it is an important book for understanding a vital part of American religious history Arthur Versluis author of American Gurus From Transcendentalism to New Age Religion

*Catalog of Copyright Entries* Library of Congress. Copyright Office,1959      **Antiquity Imagined** Robin

Derricourt,2015-06-26 Outsiders have long attributed to the Middle East and especially to ancient Egypt meanings that go way beyond the rational and observable The region has been seen as the source of civilization religion the sciences and the arts but also of mystical knowledge and outlandish theories whether about the Lost City of Atlantis or visits by alien beings In his exploration of how its past has been creatively interpreted by later ages Robin Derricourt surveys the various claims that have been made for Egypt particularly the idea that it harbours an esoteric wisdom vital to the world s survival He looks at alternative interpretations of the pyramids from maps of space and time to landing markers for UFOs at images of the Egyptian mummy and at the popular mythology of the pharaoh s curse and at imperialist ideas of racial superiority that credited Egypt with spreading innovations and inventions as far as the Americas Australia and China Including arcane ideas about the Lost Ten Tribes of biblical Israel the author enlarges his focus to include the Levant His book is the first to show in depth how ancient Egypt and the surrounding lands have so continuously and seductively tantalised the Western imagination
