Macmillan's Magazine, 1859-1907 George J. Worth, 2017-03-02 Macmillan's Magazine has long been recognized as one of the most significant of the many British literary intellectual periodicals that flourished in the second half of the nineteenth century Yet the first volume of the Wellesley Index to Victorian Periodicals 1966 pointed out that There is no study of Macmillan's Magazine and that lack has been only partially remedied in all the decades since In this work George Worth addresses five principal questions Where did Macmillan's come from and why in 1859 Who or what was the guiding spirit

behind the Magazine especially in its early formative years What cluster of ideas gave it such coherence as it manifested during that period How did it and its parent firm deal with authors and juggle their periodical work and the books they produced for Macmillan and Co And what finally accounted for the palpable decline in the quality and fiscal health of Macmillan s during the last 25 years of its life and ultimately for its death Worth includes a treasure trove of original material about the Magazine much of it drawn from unpublished manuscripts and other previously untapped primary sources Macmillan s Magazine 1859 1907 contributes to the understanding not only of one significant Victorian periodical but also more generally of the literary and cultural milieu in which it originated flourished declined and expired **Feminine**

Singularity Ronjaunee Chatterjee, 2022-08-09 What happens if we read nineteenth century and Victorian texts not for the autonomous liberal subject but for singularity for what is partial contingent and in relation rather than what is merely alone Feminine Singularity offers a powerful feminist theory of the subject and shows us paths to thinking subjectivity race and gender anew in literature and in our wider social world Through fresh sophisticated readings of Lewis Carroll Christina Rossetti Charles Baudelaire and Wilkie Collins in conversation with psychoanalysis Black feminist and queer of color theory and continental philosophy Ronjaunee Chatterjee uncovers a lexicon of feminine singularity that manifests across poetry and prose through likeness and minimal difference rather than individuality and identity Reading for singularity shows us the ways femininity is fundamentally entangled with racial difference in the nineteenth century and well into the contemporary as well as how rigid categories can be unsettled and upended Grappling with the ongoing violence embedded in the Western liberal imaginary Feminine Singularity invites readers to commune with the subversive potentials in nineteenth century literature for thinking subjectivity today [RDA: Resource Description and Access: 2013 Revision](#) Joint Steering Committee (JSC), American Library Association (ALA), Canadian Library Association (CLA), Chartered Institute of Library and Information Professionals (CILIP, UK), Deutsche Nationalbibliothek, Library of Congress (US), 2013-10-28 This e book contains the 2013 Revision of RDA Resource Description and Access and includes the July 2013 Update This e book offers links within the RDA text and the capability of running rudimentary searches of RDA but please note that this e book does not have the full range of content or functionality provided by the subscription product RDA Toolkit Included A full accumulation of RDA the revision contains a full set of all current RDA instructions It replaces the previous version of RDA Print as opposed to being an update packet to that version RDA has gone through many changes since it was first published in 2010 Cataloging practice described by RDA has not changed dramatically due to the changes above but nearly every page in RDA Print was impacted by the changes with the result that an RDA Print update packet would require nearly as many pages as the full revision The most current RDA the revision contains all changes to RDA up to and including the 2013 RDA Update approved by the JSC Annually the JSC considers proposals to update enhance and maintain RDA as a current cataloging standard These updates can and often do change the cataloging process as described by RDA The JSC also periodically issues changes to RDA to fix
