## **Rossettis Their Circle:**

**The Rossettis and Their Circle** Frances Winwar, 1934      Recollections of Dante Gabriel Rossetti and His Circle (Cheyne Walk Life) Henry Treffry Dunn, 1904 Excerpt from Recollections of Dante Gabriel Rossetti and His Circle Cheyne Walk Life Viewed solely from the literary standpoint that these memories have a certain charm and quality in this regard will not I think he denied About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Rossetti and His Circle** Elizabeth Prettejohn, 1998 The rumours it aroused mixed fact and fiction to tell of love affairs between artists and models of nocturnal rambles and drunken poetry recitations of the house s collection of Oriental china medieval musical instruments and exotic animals But fact or fantasy the circle s unconventional image was inseparable from their artistic experiments      Rossetti's Armadillo Charles Kraszewski, 2014-10-16 Rossetti s Armadillo is Charles S Kraszewski s attempt at fulfilling the desiderata expressed by George Steiner in the introduction to his Penguin Book of Modern Verse Translation An honest translation of poetry must be a verse translation and should include a commentary by the translator dealing with his critical interpretation of the original and an assessment of the difficulties encountered in the process of translation Many of the thirty three verse translations included in Rossetti s Armadillo are appearing in print for the first time They are accompanied by the original verses he worked from as well as critical essays Arranged in chronological order from Sappho to Isidore Isou the poems in Rossetti s Armadillo constitute a cross section of the history of European poetry stretching from the Iberian Peninsula to the steppes of Russia An introduction and a conclusion interject a translator s eye view of the art of poetic recreation and the humility it enforces upon those who take up the matter      *Rossetti's Reading and His Critical Opinions* Albert Morton Turner, 1927

### **Catalogue of the Library of the Peabody Institute of the City of Baltimore ...** George Peabody Library, 1892

*The Achievement of Christina Rossetti* David A. Kent, 2019-05-15 Bringing to bear a variety of perspectives on the poetry prose and letters of a writer whose work is just now beginning to emerge from critical neglect this collection edited by David A Kent should play an important role in the re evaluation of Christina Rossetti It consists of fifteen essays by gifted Victorian scholars who represent a wide range of methodologies and critical concerns and it offers alternatives to the autobiographical approach that has limited appreciation of Rossetti the writer      *The Cambridge History of English Literature* Sir Adolphus William Ward, Alfred Rayney Waller, 1917      *The Cambridge History of English Literature: The nineteenth century. II* Sir Adolphus William Ward, Alfred Rayney Waller, 1922      **The Collected Works of Dante Gabriel Rossetti** Dante Gabriel

Rossetti, 1890      **The Literary World**, 1883      Dante and the Victorians Alison Milbank, 1998 Milbank English U of Cambridge argues that an understanding of Victorianism's reception of Dante is essential for understanding its notions of history nationalism aesthetics and gender as well as the often strange intersections between any two or more of them She offers a new genealogy of literature in modern times substituting a continuous Dantism for the conventional tale of Victorian realism and historicism challenged by modernist symbolism She also finds Dante to be the first writer to historicize fictionalize and humanize the eternal realm and therefore the route through which history secularized fiction and positivist humanism can be traced to a lost transcendent Distributed in the US by St Martin's Press Annotation copyrighted by Book News Inc Portland OR      **Literature and the Politics of Post-Victorian Decadence** Kristin Mahoney, 2015-06-09 In Literature and the Politics of Post Victorian Decadence Kristin Mahoney argues that the early twentieth century was a period in which the specters of the fin de siècle exercised a remarkable draw on the modern cultural imagination and troubled emergent avant gardistes These authors and artists refused to assimilate to the aesthetic and political ethos of the era representing themselves instead as time travelers from the previous century for whom twentieth century modernity was both baffling and disappointing However they did not turn entirely from the modern moment but rather relied on decadent strategies to participate in conversations concerning the most highly vexed issues of the period including war the rise of the Labour Party the question of women's sexual freedom and changing conceptions of sexual and gender identities      *The Nation and Athenæum*, 1923      *The Rossettis* Elisabeth Luther Cary, 1900      **Beauty and the Beast**, 2020-10-12 1994 marked the centenary of the deaths of Walter Pater Christina Rossetti and Robert Louis Stevenson and Beauty and the Beast is largely devoted to an exploration of aspects of their lives and their writings and the role they played in the development of British literature Both individually and as a group these writers offer interesting opportunities to investigate a distinctive ambivalence in the literature of the last three decades of the nineteenth century Thus we may observe how Pater as the founder of Aestheticism in British literature addressed the Victorian dilemma how to live in Marius the Epicurean how Rossetti's poetry expresses both spiritual and erotic tendencies while Stevenson's The Strange Case of Dr Jekyll and Mr Hyde is perhaps the epitome of the fin de siècle tension between good and evil beauty and beast Yet the scope of this book also includes an examination of the relationships between these three authors and their contemporaries and of their setting on the British Isles as well as on the Continent Thus George Moore makes his appearance next to Anton Chekhov Arthur Schnitzler Oscar Wilde Alain Fournier and Louis Couperus The various discussions of these French German Russian Italian Irish and Dutch connections in this book reflect the international setting of the European fin de siècle as a background against which the theme of Beauty and the Beast is discussed Contributors are Wim Tigges C C Barfoot Jan Marsh Valeria Tinkler Villani Amanda Gilroy Peter van de Kamp Billie Andrew Inman Laurel Brake Peter Costello Ans Kabel Douglas S Mack Tim Youngs Neil Cornwell Sjef Houppermans Jacques B H Alblas John Stokes Susan de Sola Rodstein      **Rossetti** Evelyn

Waugh, 1928      *Dante and English Poetry* Steve Ellis, 1983 This book is a history of the influence of Dante on English poetry. The focus is not primarily upon stylistic influences or attempts to imitate Dante's manner of writing but rather on the different guises in which the enormous presence of Dante has made itself felt and how that presence has affected some of the central concerns of the poets in question. The poets considered are Shelley, Byron, Browning, Rossetti, Yeats, Pound, and Eliot. In addition to analysing the way Dante is approached by these poets in their major poetry, Dr Ellis also discusses relevant critical works: Shelley's *Defence of Poetry*, Pound's *The Spirit of Romance*, and Yeats' *A Vision*. The critical survey is unified by the attempt to show certain recurrent preoccupations in the work of these writers, such as the need to define a tradition in which Dante is a necessary forerunner. Ellis also shows that Dante has been read in a very partial way by these poets and the images of him which emerge in their works are inevitably varied and contradictory.
