Kearney, 2007 The Olympia Press published numerous books that defied censorship laws Written by an Olympia book smuggler turned bibliographer The Paris Olympia Press provides an excellent account of the Press its books and its authors and includes a full bibliography an overview of censorship laws and a foreword by the late Maurice Girodias Olympia Press's founder *A Sun within a Sun* Claire Chi-ah Lyu, 2010-11-23 A Sun within a Sun is a sustained poetic reflection on the enterprise of poetry on what poetry is and might be not only for poet and theorist but also for reader critic teacher and student It sees poetry as life at its most genuine Using Baudelaire and Mallarmé as principal examples but drawing on a wide range of poets and thinkers from Greek mythology to Poe Rimbaud Rilke and Blake from Nietzsche Gilles Deleuze and Italo Calvino to William James and Henry Miller Claire Chi-ah Lyu challenges contemporary poetic theory using precise and acute deconstruction of poetic imagery to reconstruct language so that it celebrates both meaning and beauty A Sun within a Sun explores the notions of lightness and weight discipline and indulgence freedom and loss of will that are inherent in the poetic enterprise It poses that lightness discipline freedom and risk are essential for an approach to the enigma of beauty through an elegant shaping of form that holds true not only in poetry but also in pure science and even fashion Poetry is a language within a language a heightened and intense awareness of what words mean and what they can do at its best creating an intensity of a sun within a sun The poet and

reader of poetry must take the risk Icarus took of approaching the sun for without the risk there is no fulfillment A Sun within a Sun seeks a shaping of form and content that discovers poetry as power as a practice of life that honors and makes possible both thought and feeling

Henry Miller Henry Miller, Elmer Gertz, 1978 The Miller Gertz correspondence in addition to the documentation it provides on the famous struggle to free Tropic of Cancer of obscenity charges is important for numerous reasons among them being that Henry Miller wrote in timeliness to Elmer Gertz on a wide range of topics including his thoughts about the book which won him public recognition in his own country at long last Still a controversial figure in the 1960s but with an impressive following especially abroad where his works were published freely in many languages Henry Miller had been denied publication of his major works in his own country until 1961 when Grove Press published Tropic of Cancer precipitating a long costly and often bitter battle against the continuing censorship of his autobiographical novels The attorney chosen by Grove Press to represent the publisher in Illinois was Elmer Gertz himself a literary critic and historian by avocation who began intensive preparation by reading everything by and about Miller he could put his hands on which led directly to the letter from Miller that opened their correspondence Throughout the long taxing months of this historic battle for freedom of expression the bonds linking Cancer's author and his attorney multiplied and strengthened They tested themselves and the world their subjects ranging from the arts to business and family matters from social problems to films and Hollywood personalities from courtroom pyrotechnics to ping pong An almost day by day record of Miller's activities emerges as he speaks of his writing and painting his social life his personal concerns his travels his contacts with publishers and theatrical producers Moreover the unguarded thoughts expressed through all of the correspondence produced astonishing self revelations which makes this volume especially valuable
