Rosario de México Rosario Robles, 2024-01-23 Pr logo de Ciro Gomez Leyva A Rosario la clavaron en la cárcel para convertirla en un objeto de deshonra en un símbolo de inagotable humillación No lo consiguieron Ya en libertad sin el rencor como combustible ha sabido resurgir fortalecida para rehacerse e incluso tratar de regresar a la vida pública Ciro Gomez Leyva Estas líneas representan lo vivido en mil 101 días de cautiverio injusto de lo aberrante que significa el abuso de la prisión preventiva en nuestro país pues se convierte en una condena anticipada una estigmatización violatoria de la inocencia Hoy tengo la oportunidad de contar mi verdad que nunca ser absoluta lo que aprendí a un alto precio De recordar pasajes de una lucha que no fue sencilla por no venir de una familia con pedigrí político una clase media a la que le tocó junto con otras compañías de generación con convicciones semejantes romper el techo de cristal en los límites del poder Hoy debo volver a batallar para señalar un hecho profundamente injusto la operación que pretendí destruir una carrera política de tantos años En este libro se recogen también revelaciones simbólicas de quienes son privadas de su libertad de sus tragedias personales contiene recuerdos de los logros y aportaciones a favor de un país al que amo y que he recorrido de cabo a rabo Es un testimonio para cuando yo ya no esté de la necesidad de dejar claro que sí se puede llegar alto a pesar de todos los intentos por destruir esa trayectoria Estoy empeñada en que se recuerde que después del viacrucis siempre viene la resurrección Rosario Robles

Historias reales para leer antes de dormir Cuauhtémoc Ponce, 2024-10-04 Una tarde conté una anecdota en mi canal de YouTube ya saben una de esas cosas que nos pasan fuera de lo común S tal vez suena increíble o loco lo que les estoy contando pero eso fue lo que realmente vi le dije a mi audiencia qu a diferencia de lo que yo pudiera pensar que me juzgarían de demente por el contrario comenzaron a contarme sus historias y vivencias donde terminamos hablando de sucesos paranormales ovnis muertos y todas esas experiencias extraordinarias Hasta que un día recibí una llamada telefónica de un número desconocido La voz del otro lado me dijo que quería contarme su vivencia y que si podía quedar plasmada en un libro mejor aunque fuera con su nombre anónimo Después siguieron comunicándose conmigo personas

desconocidas quienes me confiaron sus historias personales para escribirlas y publicarlas. Así es como surgió la idea de este proyecto que intenta plasmar la aventura de cada uno que me contactó con este fin. Seis historias reales contadas por ustedes mismos que más de alguno no podrá creer pero que de alguna manera sucedieron. Sean bienvenidos a Historias reales para leer antes de dormir. Porque al final de cuentas todos tenemos una historia por contar. **Rosy is My Relative** Gerald Durrell, 1968 *Volveré por ti* Mauricio Abán, 2024-03-01. Aylene y yo tuvimos nuestra historia ahora es su turno. Dylan y yo cumplimos nuestra promesa ahora es su turno. Rosy es una joven que se siente incomprendida por su padre y busca darle sentido a su vida. Anthony por otro lado está tratando de adaptarse a su nueva vida junto a su madre. A pesar de sus diferencias tienen mucho en común. Sin embargo un inesperado reencuentro cambiará sus vidas y los llevará a descubrir la historia de sus padres. Una última historia de cómo el pasado ya no te duele cómo las heridas se han sanado y te has liberado del sufrimiento y a pesar de los desafíos y obstáculos la vida puede transformarse en un viaje de libertad y alegría. **Qu** sentirás al descubrir que el pasado tiene profundas consecuencias. **Qu** sentirás al darte cuenta de que aunque sus padres no lograron estar juntos en el pasado el futuro podrá tener un destino diferente para sus hijos. *La literatura para niños y jóvenes* Marc Soriano, 1995 **La Linfa Del Pacto** Edgar Hernández, 2011-12. La linfa del pacto narra una historia que se desarrolla en una tierra denominada Perennial la cual fue fundada por un gran y poderoso rey. Esta tierra está dividida en dos grandes reinos: el reino Tarambana y el reino de la Gloria, los cuales están divididos por un profundo y creciente abismo llamado del Yerro. En esta tierra habitan principalmente tres especies de seres: los angelicales, los humanos y los loa. Trata acerca de la confusión existencial de un joven soador humano llamado Pecos y su constante búsqueda por descubrir su identidad, la cual le lleva a vivir innumerables aventuras y a conocer a muchos personajes que en su momento marcaron su vida. *El arte perdido de educar* Michaela Leen Doucleff, 2021-06-17. Las culturas más antiguas del mundo siempre han dominado el arte de criar niños felices y bien adaptados. **Qu** podemos aprender de ellos. Una lectura obligatoria para las mamás y los papás que buscan soluciones inteligentes y creativas a los problemas de crianza que más nos preocupan y frustran. Las culturas más antiguas del mundo siempre han dominado el arte de criar niños felices y bien adaptados. **Qu** podemos aprender de ellos. Una lectura obligatoria para las mamás y los papás que buscan soluciones inteligentes y creativas a los problemas de crianza que más nos preocupan y frustran. Después de ser madre la periodista científica Michaela Leen Doucleff curiosa por aprender acerca de métodos de crianza más efectivos que los que actualmente practicamos en Occidente decide visitar una aldea maya en la península de Yucatán. Allí se encuentra con mamás y papás que lo son de una manera totalmente diferente a la nuestra y que crían niños extraordinariamente amables, generosos y serviciales sin tenerles que gritar o regañar. Enseguida se da cuenta de que la mayoría de los grandes desafíos a los que nos enfrentamos los padres occidentales como inculcar amabilidad, empatía y confianza en los pequeños no resultan un problema en otras culturas. Pero **qu** más nos estamos perdiendo de la sabiduría ancestral. Tras hacerse esta pregunta la autora decide partir con su hija Rosy.
