Rotation Dietthe:

The Rotation Diet (Revised and Updated) Martin Katahn, 2012-01-02 Lose those unwanted pounds and keep them off once and for all with an easy three week diet The Rotation Diet s unique and simple plan varies the daily calorie intake over a three week period leading to an average weight loss of 13 pounds Users who have a great deal of weight to lose may drop up to a pound per day in week one When The Rotation Diet was first published more than seventy thousand Nashvillians went on the diet and weighed in weekly at supermarkets The results showed that the city became almost a million pounds lighter This new updated and revised edition of The Rotation Diet offers a scientifically proven maintenance plan that requires only small changes to establish a permanently healthier lifestyle There are tasty new recipes and menus based on USDA and HHS dietary guidelines and numerous examples show how people who have changed their lives achieved success as they built weight management confidence

The Rotation Diet Martin Katahn, 1987 Anyone with a weight problem can lose up to a pound a day and never gain it back with Martin Katahn s fabulous and famous Rotation Diet It s simple it s safe it s fast it lasts and it s a bestseller To keep rotating Bantam also offers Maintaining the Rotation Diet audio cassette in a mixed book cassette floor display Each display contains 30 books and 6 cassettes and each book cassette display is net priced A 36 copy Rotation Diet books only floor display is available at standard Ingram discount

Food Rotation Diet: A Step-by-Step Guide for Absolute Beginners, With Sample Recipes Bruce Akerberg, Rotation diet is based on the principle of following regulated consumption of a variety of food nutrients whereby the body is made to wait for a few days to ensure its thorough absorption It also gives enough time for your body to get used to any allergic reaction or intolerance and in time heal yourself through a slow process of developing antibodies to counter such reactions Incidentally rotation diet was initially introduced as a weight loss diet because of the elimination of fat build up through proper diet However because of the ability of the rotation diet to detect hidden allergies to certain foods being taken by the individual and its capability of healing allergic reactions through food rotations and temporary elimination problem foods from your diet rotation diet has since been primarily used by individuals experiencing such ailments to heal themselves through its beneficial effects However rotation diet is not a quick fix diet plan to reduce your weight or remove your allergic reactions and food intolerances instantly Once you are decided to go on a rotation diet you have to prepare yourself for lifetime meal planning activities which as explained in the later chapter of this book will actually reward you with numerous benefits and healthy advantages to include your whole family as well Finally you don t have to be 100% thorough in implementing your corresponding meal plan and you can mess up from time to time What is important is that you religiously stick to your rotation diet despite such imperfections and focus instead on your progress and on the actual results of your diet

The ROTATION Diet Trish Blascak, 2009-07 This book was initially intended to nurse Trish s son back to

health and keep her other children free from the same type of illness caused by food additives and chemicals. It was also intended as a handy tool for her clients with food sensitivities. However, it has been discovered that eating on a rotation not only eliminates current food issues but prevents future food issues as well. Eating on a rotation can reduce inflammation and promote weight loss. A rotation diet can restore energy and promote overall health. This book not only defines the Rotation Diet but also offers tools and recipes for its success. *The T-factor Diet* Martin Katahn, 2001.
