the discomfiture of the speaker Many good talks are spoiled in this way I urge every one to memorize his points if he has the
time and you will see that my method requires very little time The effect of any talk without the use of written notes is so
much more striking that I advise all my students to practice keeping points in mind by the use of the pigeonholes or the A B C
method explained in this lesson Usually we have plenty of ad ance notice and time in which to prepare a mental OUL I ILC An
Easy Dependable Way I have evolved an easy quick and dependable way by which such outlines may be fixed in mind This
method has solved the only problem that was still vexing men who were known as orators for their thoughts would now and

then escape them in an embarrassing way I have been asked frequently to assist students in memorizing a talk just about the time they were to deliver it The time was too short for them to learn the HAT HEN HAM series of mental pigeonholes as taught in Lesson Two Hence the A B C Method which any one can learn and apply in from five to thirty minutes This method is so simple that it is grasped easily and requires almost no preparation The A B C Memory Code Every one knows his A B C5 The alphabet presents a Ready Made Outline It is necessary merely to take advantage of this outline I have used the alphabet and selected words that sound like the letters These words suggest familiar objects and ideas which are pictured easily These words have been selected with a great deal of care You can learn them in ten minutes because the sound of every letter of the alphabet suggests the word to represent that letter _And every word in turn
